

## Chasing Smoke

'Chasing Smoke' is an evocative and triumphant performance by Australia's only Indigenous contemporary circus ensemble.

Both playful and brave, 'Chasing Smoke' is the spark that ignites the question 'Who am I?', when you have 60,000 years of history to sift through in search of an answer.

Take a glimpse into the world's oldest living culture told through the artform of contemporary circus.

A dynamic, fast-moving and touching performance, 'Chasing Smoke' stokes the fires of identity, challenge and success for a unique cohort of young Australians.

WINNER of the 2017 Green Room Awards for Best Contemporary Circus.

'Chasing Smoke' was made possible and created through the Circus Oz BLAKflip Program.

[Casus Circus & Cluster Arts](#)

Casus is recognised as a leader in contemporary circus on the international stage.

Casus Circus performances are rich in human connection, integrity, cultural diversity and precise, intelligent choreography. Acrobats fill the stage with momentum and stillness, with strength and fragility, and overwhelm audiences with breathless emotion that often leads to a silent theatre throughout the performance– followed by a standing ovation at the end.

On the success of their premier work *Knee Deep* (WINNER Best Circus & Physical Theatre Adelaide Fringe 2015) Casus have grown to an established touring company of sixteen acrobats, making up three casts which tour internationally with the shows *Knee Deep*, *Chasing Smoke*, *You & I*, *DNA*, *Tolu* and *Driftwood*.
