Reconciliation at Pulteney Grammar School

On Tuesday of this week, all students and staff came together to acknowledge and celebrate Pulteney Grammar School’s commitment to reconciliation. We once again welcomed Kaurna elder Jack Buckskin, who is a wonderful teacher and guide, and we heard presentations from students in Year 1 and Year 2, the School Captains and a musical performance by Prep School students.

During the assembly, I was honoured to receive on behalf of the School a shield crafted by Jack. It comes from a River Red Gum adjacent to the School in the South Parklands; many of our students have visited the “scar tree” in their explorations about Aboriginal and Torres Strait Islander heritage and culture. We look forward to the shield being shared with students in each of the sub-schools. Jack described the shield as a symbol of protection for all in our community and it is a tangible representation of our wonderful connection to the Kaurna people and their land.

If your child is absent from school, please contact the sub school directly.

The Value of Physical Wellbeing

The Winter sport season was certainly in full swing on Saturday. While I try to get out and see as much sport as possible each week, I do miss seeing some games. Although I was not witness to two particular successes on the weekend, I have heard from students, staff and parents who were thrilled to see our Open A Girls’ Netball team
defeat Seymour and our Senior Footballers have a very convincing victory in their first game of the season.

The other important success that cannot be underestimated is the fact that our young people are participating in regular physical activity, known to have significant health and social/emotional benefits. There is a substantial amount of research to support the assertion that participation in sport and active recreation improves personal wellbeing. Watching the Old Scholars Football Club in action on Saturday was testament to this; some of our youngest Old Scholars were out playing and supporting former students from previous years, as well as mingling with other community members who enjoy their association with Pulteney Grammar School, even if they never attended as a student. These strong community connections exist across all Old Scholar sporting teams, including Soccer, Cricket and Basketball. It is also important to emphasise that the Old Scholars Association have made a concerted effort to promote female Old Scholar teams, which are growing in number, including Netball, Soccer and Mixed Hockey. We look forward to continued growth and participation in these teams that are such an important part of our School community.

In our newly released Strategic Plan, there is a priority given to the review of all of our co-curricular programs at Pulteney, including sport, the arts and other cultural pursuits. This review will involve feedback from students, parents and staff and will focus ways in which we can achieve continued improvement of our co-curricular offerings at Pulteney.

Concert Band and Stage Band in action in the City of Adelaide

Our two bands provided inspiration and entertainment for the annual JusticeNet ‘Walk for Justice’ in Victoria Square this week. Our School is often asked to support such worthy causes and I thank all of the students and staff for their ongoing commitment to them.

Anne Dunstan
Principal

From the Head of Sport

2016 Anglican

The tradition continued on Wednesday 11 May as Pulteney hosted the annual Anglican Cup Winter Sports Carnival against Woodcroft College, Pedare Christian College and St Johns Grammar.

Pulteney was victorious once again resulting in the fourth Cup win in a row. More impressive was the fact that we won the competition by a whopping 11 point margin.

Final points and placings were:

First Pulteney – 32 Points
Second St John’s – 21 Points
Third Woodcroft - 15 Points
Fourth Pedare – 10 Points
The day saw Pulteney achieve some fantastic results.

- Boys Soccer - 3 wins
- Girls Soccer – 3 wins
- Football – 3 wins
- Boys Basketball – 3 wins
- Girls Basketball – 2 wins & 1 loss
- Netball – 1 win & 2 losses
- Hockey – 1 win & 1 loss (only 3 schools nominated teams)

It was fantastic to see so many students involved in sporting activities as well as peers supporting their classmates during the day. All students participated at a high standard and in the true Pulteney spirit.

A big thank you goes out to all staff coordinators, coaches and officials for the outstanding organisation of our teams as well as our grounds staff for preparing our ovals and facilities in magnificent condition. Thank you also to the Community Relations Team for their support running the BBQ and other facilities on the day.

I look forward to making it five in a row in 2017.

Nik Sacoutis
Head of Sport

From the Chaplain

‘Peace I leave with you’ John 14

In John’s gospel reading this week in chapel, Jesus reassures the disciples with some amazing claims. He assures us that the Holy Spirit will be sent to continue his teaching through them. He tells them that he leaves his ‘peace’ with them. This is not a worldly peace. It is a peace that exists because of the presence of God in our lives. A peace that is possible because we love, we forgive and are reconciled, we are gracious and grateful. A peace that arises from our own trust and faith in God’s love. A peace that will leave our hearts untroubled and unafraid.

When Christians live the Risen Word of Christ, they move beyond the temptation to limit God’s word and presence to specific acts and places. The gospel is trying to
communicate to us that it is we who become the dwelling place of God on earth. The way we choose to live our lives and relate to others will make God known to others. Through us all people can come to know the unconditional love of God and the life giving power that comes with a Godly peace.

The word of God is not simply spoken, it is love in action, love as a choice, love freely given to us that we freely give and receive in return. Our love in action is the Risen Life made visible. Peace be with you.

Christ has no body but yours,
No hands, no feet on earth but yours,
Yours are the eyes with which he looks
Compassion on this world,
Yours are the feet with which he walks to do good,
Yours are the hands, with which he blesses all the world.
Yours are the hands, yours are the feet,
Yours are the eyes, you are his body.
Christ has no body now but yours,
No hands, no feet on earth but yours,
Yours are the eyes with which he looks
Compassion on this world.
Christ has no body now on earth but yours.

*Attributed to Teresa of Avila (1515–1582)*
*Mystic, Carmelite nun, reformer during the Counter Revolution*

**Admission to Communion**

The special Admission to Communion Service will take place on Friday, 1 July, 8.50 am.

**The Magdalene Centre**

There is no doubt, the weather has turned wet and wintery and soon it will be very cold. The Pulteney Community continues to be generous in its regular contributions. Donations can be brought to the Chapel Foyer. Baskets have been labelled so that we can sort and care for your donations.

**Children, church and singing.**

I have received correspondence from Anglican parishes keen to include children in their parish life by offering opportunities to sing in choir programs. If this is of interest to you and your child please contact me.

**Chaplaincy Contact 2016**

Please email *michael.lane@pulteney.sa.edu.au*, phone 8216 5512 or 0434 297 879 or contact the school office.

*Deep Peace of the Lord be with you,*
*Michael*
For Sale

The School has a JNB JT 4000 Treadmill for sale. It is surplus to requirement from Jack Cahill’s Gym. It has been well maintained and would be perfect for a home gym or simply exercising while watching TV! For further information contact Chris Cartwright

Year 8 Immunisations

All participating Year 8 students are reminded that their Immunisations will be held on the morning of 26 May in Wyatt Hall. They will receive second dose of HPV (Gardasil) and a booster of Diphtheria, Tetanus and Whooping Cough /dTpa (Boostrix)

Please ensure that participating students eat breakfast that day and wear PE clothes.

Vaccinations will only be given to those students with valid consent forms.

If your child is absent on the day, they will receive a letter from Health & Immunisation Management Services advising of clinic locations to receive the vaccine they missed.

Paul Ryan
Head of The Middle School

Futures

Information on Careers is located on our School website at
http://www.pulteney.sa.edu.au/students/futures/

The following topics are covered this week.

Explore your Future Careers Expo – Thursday 9 June
Bond University Scholarships now open
Year 10 Mock Interviews – assistance required
Useful websites for exploring careers
UMAT – registration closes soon
VET courses for Semester 2
The International College of Hotel Management Career Week
University and TAFE Open Days – 12 to 14 August
Health Sciences at the University of Adelaide – Sunday 29 May
ADFA Education Award

Pulteney’s inaugural “Explore your Future” evening - Thursday 9 June, 7 - 9pm. The evening is an opportunity for students and parents to listen to inspiring old scholars from a variety of career areas talk about their career journey, their industry area and to allow students to hear about a ‘real day’ in the life of a particular profession. Year 10 and 11 students are expected to attend. Further details will be available very soon.

If you have any questions concerning careers or related topics, please feel free to contact me on leeanne.bryan@pulteney.sa.edu.au or 8216 5553.

Leeanne Johnston-Bryan
Coordinator of Futures

The Mathematical Association of South Australia (MASA)

The Mathematical Association of South Australia (MASA), a volunteer association supporting mathematics education, is proudly offering the Student Problem Solving Program again this year. This opportunity is designed for highly motivated students in Years 7 to 11 who are interested in developing their problem solving skills in Mathematics beyond the school curriculum. Students will be challenged to think more deeply about problems and also gain practice in competition-type questions. The program has been developed by David Martin and Keith Hamann, who have for many years written the SA Schools Mathematics Competition papers and have been highly involved with the Australian Mathematics Olympiad Committee.
Students can attend the Saturday morning problem solving program at Scotch College at a cost of $5 per session. Sessions are 9.30am - 12.30pm, 14th May and 18th June. All students are requested to bring paper, pen and a calculator. Morning tea will be provided.

The sessions are run by fully qualified educators.

Please contact Anna Williamson (anna.williamson@pulteney.sa.edu.au) for a registration and consent form.

Note: The workshop problems will be emailed to students who provide an email address on registration.

Interested students who cannot attend are welcome to receive these questions and submit their answers to martindc@ozemail.com.au.

Anna Williamson
Acting Head of Mathematics (Term 2)

Senior Sports Notices

Congratulations

Sam Simons has made the Sapphires U17 Australian Team for the World Championships in Spain in June/July. She heads to China for a tour in 2 weeks for 12 days before returning home for 2 weeks and then heading to Prague for a pre-tournament and then to Spain for Worlds. Congratulations Sam! Read more here:

Netball

Senior A defeated Seymour A 47 - 43
Best Players: Abbey Creaser, Tayler Price, Sophie Zuill

Senior B defeated by Seymour B 30 - 61
Best Players: Pippa Adkins, Aneisha Bishop, Zoe Denton

Senior C defeated by Seymour C 19 - 54
Best Players: Izzy Denham, Hannah Scholz, Aliyah Balacano

Senior D defeated by Seymour D 7 - 43
Best Players: Isobel Oreo, Maddy Kay, India Western
9A defeated Seymour 9A 25 - 14
Best Players: Maddi Ashby, Lara Kittel, Paige Cowles
Both A and B games really good. A's started off strong and B's ended really well. The coaches are impressed with how both teams played.

9B defeated Seymour 9B 27 - 18
Best Players: Aiden Heal, Izzy, Chelsea Goodes

9C defeated by Westminster 17 - 21
Best Players: Elise Poynter, Olivia Cameron
Great start to the game considering lack of training and looking forward to seeing the girls develop over the season.

8A defeated Seymour 1 41 - 10
Best Players: Sophie Cardillo, Amelia Goehr
Cracking game, played well by all. Everyone looked at home on the court. Looking forward to a great season.

7A defeated Seymour 7A 38 - 30
Best Players: Olivia Young, Eliza Molony, Ellie Georgiaris
All players did an amazing job given this was our first game together as a team. Great effort everyone.

7B defeated Seymour 7B 20 - 19
Best Players: Jess Sallis, Anna Champion, Kalea Healey
Such a close win coming from behind all game to win by a goal. Fantastic effort by all the girls.

Basketball
Pulteney 1st V drew with St Pauls 38 - 38
We entered the game with only six players and started slowly with our opponents scoring the first 9 points of the game. We were able to steady and reduced the deficit to 1 point at quarter time through some long range shooting from James Sibly. The second quarter was a tight tussle with Matt Neilson controlling the boards and Zac Sipek chipping in with a couple of timely baskets. The game opened up in the second half courtesy of Nick Golfis but this was countered by the loss of George Athanasas to injury leaving us with no fit people on the bench. We battled strongly and worked our way to an 8 point lead late in the last quarter only to see it quickly disappear as we failed to take our chances when they were presented. A draw was disappointing however there were many positives for us to work on for the coming season.

Pulteney 2nd V defeated St Pauls 38 - 23
We started strongly on the back of some energetic work from Jack White who was driving strongly and moving the ball quickly from end to end. Cameron Horsell and Sam Heal were finding opportunities in offence and Matthew Rodda was giving us plenty around the key way. Angus Lumsden was again tidy around the basket and showed that he and Rodda will form a strong inside combination this season. As the game went on we steadily built our lead and this was highlighted by some scintillating driving and passing from Sath Sukumaran. A strong team effort with a promising season ahead.
Pulteney 3rd V defeated St Paul's 27 - 21

The boys got out to a quick start thanks to the run and carry of Daniel Bai and Maklan Ferguson, finishing the first quarter with a comfortable lead. St Paul's managed to work their way back into the game due to a dry spell in our scoring. They continued to hang around pushing us to the final minutes, however it was our defence that won us the game. Samuel Bleby-Williams and Albert Gu brought down plenty of rebounds and Anthony Lucas was tough defensively, allowing us to get out on the break where most of our scores were coming from. Simon Huyhn showed great leadership controlling the tempo and making good decisions down the stretch. It was a hard fought first win showing plenty of potential for the season to come.

Pulteney 4th V defeated St Peters 30 - 8

The boys started the game off strong and maintained their intensity throughout the game. With only 5 players (down to 4 at the end) against a team of 10, they were able to run the floor non stop until the final buzzer. Their chemistry on the court was something I wasn't expecting to see until later on down the track. I’m looking forward to seeing this group develop throughout the season. Special thanks to Jai Dahm for filling in, always welcome and thanks to the parents that came out to support the boys.

Pulteney Middle A's defeated St Paul's 69 - 31

The Middle A's overcame a slow start to defeat St. Paul's 69 - 31. There was a very even contribution by all the boys who suited up for the A's this week, but Oliver Bishop with his intensity at the contest and Thomas Conroy almost scoring at will, the A's really stamped their authority on the game by the time the half time buzzer sounded. With what will be a very strong A's and B's squad this year, the boys put up a great performance to stake their claim for weeks to come. A great start by all involved!

Pulteney Middle B's defeated St Paul's 54 - 30

The Middle B boys had a great start to the season defeating St. Paul's 54-30. An awesome first half set up the game for us perfectly with Matthew Beahan and William Rooke pulling down plenty of offensive and defensive rebounds, whilst Jesse Goode got the score board ticking over, scoring the first 8 points of the game. We were able to maintain our intensity throughout the whole game coming out comfortable victors in the end. Great signs for the rest of the season to come.

Pulteney Middle C's defeated by St Paul's C 17 - 30.

A decent start to the season by the boys against a team who had pulled a few players down from their B team due to the state championships and a lack of numbers. Especially since they were their main play makers. Overall a solid effort and I’m happy with how the team is shaping up for the rest of the season.

Pulteney Middle D's were defeated by Saint Peters 9 - 45.

It really was the tale of two halves for the Mighty Middle D’s this week. The boys had a late game at the 11:30 time slot, but we were caught still asleep in the first half as Saints pressure caused us to make mistakes handling the ball, and heading into half time it was 29 to 3. I’m not sure if the boys had their morning coffee’s at half time but we turned things around in the second half attacking the glass and boxing out on rebounds. No one highlighted this better than Dan Whitelock who boxed out a Saints boy who was taller than our coach. We also gained some offensive flow, sticking to our spacing which resulted in some coach-pleasing baskets to William Zhang, Dyllan Zhang and Riley Kopfstein. We also are starting to understand our zone defence which stopped Saints from scoring as prolifically in the second half. The second half score was 6-16 which I feel was a much more accurate representation of the effort the boys put in. Every player can hold their head high, as they did the jersey proud with their enthusiasm and determination to improve on Saturday.

Matt Down
Basketball Coordinator
Hockey

Pulteney First XI defeated by Scotch College 3 - 14

A fast start from Pulteney saw the team 1-0 within the first two minutes and the their spirits were high. Unfortunately Pulteney, playing with only 10 players after losing seven players from last years First XI team, soon became tired and a stronger and well gelled Scotch College team took advantage of the situation. The First XI showed some great skills throughout the game and battled hard. The final score did not reflect the way the game was played. I look forward to seeing this team develop their skills during the season.

Goals: Callum Menadue (3)

Pulteney defeated by Scotch College 1 - 5

After a fantastic turn out, Pulteney Grammar’s Middle School hockey team started the season with a well fought match against rivals Scotch College. A fantastic goal was scored by Will Mahoney but unfortunately Scotch College came away with the win. The team is looking forward to playing them again later in the season.

Goals: Will Mahoney (1)

Cate Boucher

Hockey Coordinator

Soccer

First XI: St Ignatius 12 defeated Pulteney 1

After a successful Anglican Cup winning all 3 games, on Saturday we came up against opponents who were represented by all club players.

Even though the score line represents a big loss, I was proud of the team for their endeavour to play to our structure and shape. The players not once gave up, as is the Pulteney spirit, finishing off the game with determination and willingness to improve.

Looking to our next game, each one is a test and hopefully the players can bounce back.

Lucas Pantelis

First XI Coach/Director of Football

Second XI: St Ignatius College 13 defeated Pulteney 1

Goal scorer: Lloyd Pope

Special mentions: Lewis Sutlie, Benjamin Cahill, Mitchell Bender

The boys worked hard against a quality opposition, but lost shape too easily, conceding too many times. With a focus on structure at training, our defence will improve, allowing more attacking options.

Third XI: Pedare CC 9 defeated Pulteney 0

It was a hard game to start the season with. The team played against a much bigger and organised side but it was pleasing to see the boys battle to the end. In the second half we only conceded 2 goals which showed the boys listened to instructions at half time. With a long road ahead, the boys kept their heads up and we will look forward to working hard at training, to improve our results.

Special mentions: Alistair Porter, Daniel Calderisi, Owen Moseby
**Middle A:** Nazareth 8 defeated Pulteney 4  
Goal scorers: Otis Noble 2, Henry Jorgensen 1, Dillon Hill 1  
The Middles A's battled hard against quality opposition, and while we scored a number of excellent goals, we couldn't contain them and unfortunately went down 4-8. The entire team worked hard, with a number of players being forced to play in positions unfamiliar to them. Special mentions to Otis Noble, who scored a brace and looked dangerous up front, to Jun Kim for working incredibly hard in midfield, and to Lachlan Casey, who proved versatile and adaptable throughout.

**Middle B:** Concordia College 11 defeated Pulteney 0  
All tried hard with no substitutes against a well organised team. More application at training and with better touch, our results will improve.

**Year 7:** Pulteney 8 defeated Woodcroft College 4  
Goal scorers: Alex Symons 4, Zac Gillard 2, Finn Flanagan 1, Sam Tertipis 1  
After a slow first half, we were behind 2-4, but the boys kept on trying and were able to turn the game around. This proves that if the boys don't give up, then there is always a chance of winning.

Dan Polkinghorne  
*Soccer Coordinator*

---

**Football**

Congratulations to all our players for an excellent start to the season last Saturday.  
As I have moved between all of our teams from Junior to Senior and talked to the coaches I have been impressed by the enthusiasm and obvious enjoyment that our students are getting from the training sessions.  
The Pulteney football plan revolves around organisation and preparation, good coaches, relevant training drills and a desire to play with passion and enjoyment.  
The process to lift the profile of football will take time but I have been heartened by the number of parents who have emailed and spoken to me in support of the program.  
Coaches from Saturday all had some very positive comments to make and constructive suggestions of how they can work on game plans and areas of skill development for the different teams.

After a lot of hard work it was very pleasing to see that for the first time for a number of years we are fielding a 2nd XVIII as a curtain raiser to the 1st XVIII nearly every Saturday.

The 1st XVIII under Barrie Bryan have been working hard since mid November so it was good to see that they got off to a good start on Saturday against PAC.

Andy Miller  
*Football Co-ordinator*

---

**Anglican Cup**

Pulteney's First XVIII Football Team completed a long and successful pre-season campaign by being victorious in all three Anglican Cup games last week.

Although there was a sense that all games were close and hard-fought our goals for (22) compared to our goals against (8) for the day suggest that Pulteney was in fact the...
dominant team.

Not coincidentally following our strong pre-season training, Pulteney was able to wear the opposition down to finish full of running in all three games.

It was very pleasing to see the Pulteney team playing an attacking brand of football whilst at the same time maintaining disciplined, defensive structures.

Congratulations to all 29 players who represented Pulteney on the day; all players contributed (in many and various ways) to the team's success.

Our leading goal-kickers for the day were Lachlan Schatto and Jack White (3 each) and our best players included Ben Adams, Liam Geddes-Ryan, Nick Laity, Sam Magarey, Chester Oliver, Adam van den Munckhof and Jack White.

Congratulations also to Ben Adams who has been named as the First XVIII Captain for 2016 and to Angus Sexton, Jack White and Josh Wills who are his deputies.

Barrie Bryan
Coach

1st XVIII  PGS 23:16 (154) defeated PAC3  2:4 (16)

Congratulations to Edward Knights, Nick Laity, Sam Magarey, Chester Oliver, Tom Rundle and Lachlan Schatto, who all made their First XVIII debuts and who all contributed to the overall team result.

To kick more than 20 goals (and to win by more than 20 goals) at any level of Football, is a good effort; to do this and to have 39 scoring shots in only 80 minutes, deserves even more credit.

As was the case in the Anglican Cup, I was very pleased with the spread of goal-kickers today (11 goal-kickers); successful teams need a variety of goal-kicking options so it was pleasing to see the goals spread amongst our midfielders and forwards. The more goal-scoring options we can have, the more difficult it will be for an opposition team to shut us down.

Testament to the team’s fitness and further reward for the hard work throughout the pre-season, 15 of the 23 goals were scored in the second half; never underestimate the importance of fitness in that it enables individuals and teams to run harder for longer, and also to execute skills with greater efficiency for longer periods.

Defensively, the team was also very good today. For much of the game PAC weren’t able to penetrate our half-back line (they only scored goals in 1 of the 4 quarters and were held scoreless in 2 of the 4 quarters) and on many occasions we were able to run the ball from half-back to set up goal scoring opportunities.

The team was very strong across all areas of the field today:

• our hard-working and hard-running midfielders, led by Jack White, Ben Adams, Liam Geddes-Ryan and Nick Laity
• our goal-scoring forwards namely Jarrod Miller, Tom Rundle, Lachlan Schatto and Josh Wills
• our ruckmen: Matt Nielsen, Tom Baldock and Angus Sexton
• and our defenders led by Sam Magarey, Angus Lumsden and Tom Rundle

Best Players: Jack White, Ben Adams, Liam Geddes-Ryan, Sam Magarey, Nick Laity, Jarrod Miller, Matt Nielsen, Josh Wills, Angus Lumsden, Tom Rundle

Goal-Kickers: Jarrod Miller 4, Tom Baldock, Liam Geddes-Ryan. Nick Laity 3 each, Matt Nielsen, Lachlan Schatto, Josh Wills 2 each, Rory Egarr, Alex Jorgensen, Tom Rundle, Zac Sipek 1 each.

Barrie Bryan
Coach
Saturday represented the start of a new era for Pulteney by again having a second XVIII to represent the school. This fact did not go unnoticed by the wider Pulteney Community with many messages of support being received from interstate and across the world. Old Scholar and current Sydney Swans Assistant Coach Josh Francou even sent a personal video message to the boys wishing them the best.

If we were to measure the success of the weekend solely by the scoreboard you would be forgiven for thinking the day did not go so well, but we don’t, and the game was a success on so many levels.

Our focus was on our desire to compete, stay in the contest with second and third efforts and to have an aggressive attack on the football at all times.

Our ability to do this as a team was demonstrated best in the third quarter when for the first ten minutes despite having two fewer players on the field we were able to lock the ball in our forward half. Through our pressure we forced our opposition to fumble, miss kicks and panic in general play.

While every member of the team played their part I wish to make special mention of three players.

Our ruckman Sam Bleby-Williams whose willingness to continually get under the ball, put his body on the line against much bigger opponents and neutralise the ruck contests was a wonderful demonstration of his courage. Also his smother in the first quarter exemplified his and the team’s commitment to compete and always remain in the contest.

Arthur Blunt may be small in stature but his willingness to chase and harass had many opposition players making mistakes, sometimes from the perceived pressure he put on them.

Jack Evans’ willingness to follow instruction and adjust his game style during the game was most pleasing. Coming off the line at centre bounces and hitting the ball at full speed with a kamikaze like approach was noticed by many on the sideline including the opposition coach. It also had many opposition players looking over their shoulder.

Paul Bahr
Coach

Year 8/9 PGS 27:14 (176) defeated Scotch 0:0 (0)

What a start to the 2016 season for the year 8/9 football team. With only about half the team having trained in the last month or so it was pleasing to fill almost every position on Saturday and for the boys to put in such a dominant performance.

Whilst every player put in a stellar performance, the best were Griffin Evans, Liam Creaser, Connor Schatto, Wayne Inglis, Hugh Heidenreich and Thomas Lawrence-Doyle. Goal kickers were Connor 9, Wayne 5, Liam 4, William Craddock 2, Jack Strawbridge 1, Alex Magarey 1, Calvin Santo 1, Hugh.H 1, Hugh Radbone 1, Henry Bleby-Williams 1 with special mention to Jack Strawbridge for filling in on the day and kicking a goal.

We hope to see everyone out at training and if anyone is interested in being part of the team, please come out to training on Monday and Wednesday after School. Go Pulteney!

Nathan Risatano & Justin Bollenhagen
Coaches

Year 6/7 PGS 2:0 (12) defeated Pembroke 13:13 (91)

Credit where credit is due: in our first game for the year we were beaten by a very good Pembroke team.

Also, we must acknowledge that we have a number of players who are still learning how to play the game and learning what to do in specific situations.
Despite all of that, there were a number of things that I was pleased with; these included:

- we didn't concede any more than 4 goals in any one quarter (3 in the first, 4 in the second, 3 in the third and 3 in the last)
- the team kept trying until the very end and kicked 1 goal to 3 in the last quarter
- Rory played very well, both at Centre Half Back and in the midfield, and provided us with plenty of drive all day
- Matt Adams played very well, particularly when moved to Centre Half Back and took some strong marks
- Gabriel Luksich battled hard in the ruck for almost the entire game
- Seb Brett worked hard and picked up plenty of possessions
- Angus Winter tried to provide some ‘run’ for the team and kicked our first goal for the season

Best Players: Rory O’Callaghan, Matt Adams, Gabriel Luksich, Seb Brett, Angus Winter
Goal Kickers: Angus Winter and Rory O’Callaghan (1 each)
