From the Principal

Engaging with Community

It has been a pleasure to embark on the series of information sessions about Pulteney’s 2016-2020 Strategic Plan this week. Following a session with all staff on Monday afternoon, the evening Q&A session with parents was an engaging and informative dialogue between parents, Board Chair Tim Goodes and Executive staff. Key to these discussions was a desire for and a commitment to regular updates to our community about progress on each of the plan’s priorities. As we further our work in the key areas focusing on the student experience, staff development, facilities and ICT innovations and community engagement, I and other staff, as well as the Board Chair, will provide updates to all in our community.

On Thursday this week we will be celebrating Founders’ Day at Pulteney Grammar. It is a significant day for all in our school community as it commemorates our early beginnings and acknowledges the outstanding contributions of those who had the foresight to establish a school in the City of Adelaide 169 years ago.

I will be sharing our vision for the future of Pulteney Grammar in a discussion on the Strategic Plan with our Old Scholars at a function following an assembly at the school. Our current students often acknowledge the significance of feeling connected to our Old Scholars through events such as this. In addition, our Old Scholars are deeply involved in the daily life of Pulteney; they are always ready and willing to support our students and staff. In particular, I acknowledge all of the Old Scholars who have joined with parents, staff and business connections in our wider community to provide guidance to our senior students in planning for their career and future pathways at the “Exploring Your Future” Expo on 9 June 7.00-9.00pm. If you have a child in Years 10, 11 or 12, I commend this event to you and look forward to seeing many attend.

“If into the Woods” we go…

I extend my best wishes to all in the cast and crew of the school musical “Into the Woods”, set to open at the Odeon Theatre this week. The performance is the culmination of many hours of rehearsal and preparation – I am sure it will be stunning.

Parking Concerns

I have received a communication from local residents living in the area of Halifax Street, Gilles Street and Todd Place who have highlighted some ongoing difficulties with non-residents’ cars blocking the common driveway in this area and parking on verges and kerbs, damaging lawns and irrigation systems. Please consider our neighbours.

If your child is absent from school, please contact the sub school directly.

From the Head of Performing Arts

So often we find ourselves working with our students for events within the school, but also for events and fundraisers by partner organisations out and about in the city. For all of our engagements it is easy to become complacent working with students such as ours, but I have been reminded this week of just how exceptional these young ladies and gentlemen are.

In the last PRW I spoke of our success and wonderful experience at Generations in Jazz. Students produced their very best not only on stage but as representatives of themselves, our school and their parents.

More recently the Senior Concert Band and Stage Band performed for hundreds of lawyers and law students at a breakfast in Victoria Square. The Walk for Justice is an amazing event where participants walked from Adelaide University, through the Botanic Gardens, along the Torrens and then up through the city to Victoria Square where they were treated to a sit down breakfast. Crossing the road to enter the event they were greeted by our ensembles playing in the open air as the sun came up over the buildings. We have received such wonderful comments and praise for our students, their playing and their conduct.

This week, after nearly 4 months of hard work, our students are presenting Into The Woods Junior at the Odeon Theatre. Again I have been so glad to work with our dedicated and talented young men and women. If you were lucky enough to secure tickets before they sold out, I am sure you will be in for a treat of sight and sound.

Also, this week our Senior String ensemble are playing for a lunch fundraiser for the Jodi Lee Foundation on Friday.

From experience, our music and drama students are amongst the busiest individuals I have come across here or in other schools, yet at no time have I had a doubt about our students, their conduct or participation. For everything that is asked, our students simply smile and say ‘Of course, we will be there’.

Parents and the school can be proud of these students as they learn from us, however, I would like to recognise the students, their work and pride in striving to make the very most of all the opportunities given them. They are a product of their own expectations, desires and support of each other.

In the Performing Arts we are so privileged to see these students at their very best.

Kym Wilson  
Head of Performing Arts

PENTECOST INSPIRATION
THE GIFT OF THE SPIRIT

The coming of the Holy Spirit to Jesus’ followers at Pentecost (fifty days after Easter) is often understood as the birth of the church. The relevance of the Holy Spirit in our contemporary lives is that it in part explains how we continue to be inspired to live with the hope that enables us to engage with the world with confidence and optimism.

When we feel inspired, we feel fired up and energised. To be inspired means to be filled with the spirit, the breath of God. The Holy Spirit is connected with many things – fire, passion, inspiration, healing, courage, peace and unity.

In many church traditions the Holy Spirit is represented with maternal imagery and connected with the feminine character Hagia Sophia-Holy Wisdom.

There is something untamed about the spirit in its strong links with creative and justice work.

The in-dwelling of the Holy Spirit is for Christians a manifestation of the Presence of the Risen Christ. The Holy Spirit has the potential to open our hearts and minds to that which can be at times incomprehensible. What are the possibilities of faith, belief, and complex understandings of grace, forgiveness and unconditional love for each other and the world?

The Holy Spirit has the capacity to give us insight into the kind of loving and relating to each other that has transcendent and everlasting value.

Come Holy Spirit
Inspire and enliven us.
Come Holy Spirit
Infuse our creativity.
Come Holy Spirit
Fire us up for justice.
Live with us and within us
That your power may change
the world through us.
Amen.

Admission to Communion

The special Admission to Communion Service will take place on Friday, 1 July, 8.50 am.

The Magdalene Centre

There is no doubt, the weather has turned wet and wintery and soon it will be very cold. The Pulteney Community continues to be generous in its regular contributions. Donations can be brought to the Chapel Foyer. Baskets have been labelled so that we can sort and care for your donations.
Chaplaincy Contact 2016

Please email michael.lane@pulteney.sa.edu.au, phone 8216 5512 or 0434 297 879 or contact the school office.

Deep Peace
Michael

For Sale

The School has a JNB JT 4000 Treadmill for sale. It is surplus to requirement from Jack Cahill’s Gym. It has been well maintained and would be perfect for a home gym or simply exercising while watching TV! For further information contact Chris Cartwright

chris.cartwright@pulteney.sa.edu.au

Founders Day

On Thursday 26 May students are asked to come to school dressed in their normal school uniform that they wear on a Thursday, but with a splash of red, together with a gold coin donation. Suggested items could be red ribbons, zinc cream, badge, bandanna, jewellery, socks, tie and much more! Students will attend a Whole School Assembly at 11.40am on this day to celebrate Founders Day.

Independent Primary School Heads of Australia - Junior Orator Competition

Congratulations to Abby Douglas Year 6C who took out third place in the semi finals of the IPSHA Junior Orator Competition for 2016.

This is a great achievement for Abby as she competed against students from both Year 6 and Year 7 during the semi final competition.

Thank you also to Mrs Kim Butler Nixon for her work with the children who competed in the IPSHA Junior Orator Competition from Pulteney this year.

SA Auction Idol Competition

Congratulations to Isaiah Fabbro, who on Friday 20 May won the SA Auction Idol competition. Isaiah has been training since February, under the guidance of David Cocks (Old Scholar and past parent). What a wonderful achievement for Isaiah, who made the finals in 2015 also. He won both the SA Auction Idol competition and also the SA vs QLD competition!!

Year 8 Immunisations

All participating Year 8 students are reminded that their Immunisations will be held on the morning of 26 May in Wyatt Hall. They will receive second dose of HPV (Gardasil) and a booster of Diphtheria, Tetanus and Whooping Cough /dTpa (Boostrix).

Please ensure that participating students eat breakfast that day and wear PE clothes. Vaccinations will only be given to those students with valid consent forms.
If your child is absent on the day, they will receive a letter from Health & Immunisation Management Services advising of clinic locations to receive the vaccine they missed.

Paul Ryan
Head of The Middle School

Futures

Information on Careers is located on our School website at http://www.pulteney.sa.edu.au/students/futures/ The following topics are covered this week.

*Explore your Future Careers Expo – Thursday 9 June*
*Bond University Scholarships now open*
*Year 10 Mock Interviews – assistance required*
*Useful websites for exploring careers*
*UMAT – registration closes soon*
*VET courses for Semester 2*
*The International College of Hotel Management Career Week*
*University and TAFE Open Days – 12 to 14 August*
*Health Sciences at the University of Adelaide – Sunday 29 May*
*ADFA Education Award*

Pulteney's inaugural “Explore your Future” evening - Thursday 9 June, 7 - 9pm. The evening is an opportunity for students and parents to listen to inspiring Old Scholars from a variety of career areas talk about their career journey, their industry area and to allow students to hear about a ‘real day’ in the life of a particular profession. Year 10 and 11 students are expected to attend. Further details will be available very soon.

If you have any questions concerning careers or related topics, please feel free to contact me on leeanne.bryan@pulteney.sa.edu.au or 8216 5553.

Basketball

Seniors

Pulteney 1st V defeated by Cabra 37 - 42

Our opposition was a formidable challenge on paper and it would take our very best to avert a repeat of a belting that we received last season. We started with plenty of energy and matched their every move with great teamwork and scoring from Elijah Randall and James Sibly. We struggled in the second quarter to handle their driving to the basket and found ourselves down at half time with a significant challenge ahead of us. To the team’s credit we adjusted and won the 3rd and 4th quarter on the back of some quick scores by Matthew Rule and genuine hustle from every player. This was an impressive team effort and we will relish the opportunity to go one step further when we have our return match later in the season.
Pulteney 2nd V defeated by Cabra 26 - 32
We had a number of new players this week which meant that we took some time to gel and work together. Cabra got out to an early lead but we came home strongly, to nearly steal the game. Elliot Bell was instrumental in keeping the scoreboard ticking over and Toby Genborg was hot in the final quarter to bring us back to within 3 points with 15 seconds to go. We won possession of the ball but could not transition it down for a shot to draw. The game finishing with a 3 pointer for the opposition. We gambled, and it nearly paid off - many good signs for us to work on this week at training.

Pulteney 3rd V defeated by Cabra 29 - 38
We started the game slowly, struggling to score on the offensive end. However, through high pressure defence we managed to stay in the game, entering half time only 4 points down. Our third quarter was dominant with Sam Bleby Williams and Albert Gu pulling down important rebounds allowing for easy fast break scores for Daniel Bai. Some big inside shots from Hamish Thomson allowed us to close the quarter with a one-point advantage. Unfortunately, they ran away with it in the final quarter, despite some late three-pointers from Sath Sukumaran and strong defence from Anthony Lucas. There were plenty of positive to take out of this game, however much to improve upon offensively before next Saturday.

The 4th V defeated Blackfriars at home 32-17.
We were able to get some shots in early to build and maintain a consistent lead throughout the game. With a few fill-ins it was a bit tough to run the normal plays but the boys managed to space the floor well and find open players, playing smart basketball. When we did run plays, we were able get some easy open shots, which is something I would like to see more of. In the last quarter Elias Patrikas picked up on their weak ball handling and passing skills and suggested a half court trap, which worked perfectly and resulted in a few fast breaks and easy lay ups. Overall a good game and another great performance by the core group. Thanks to those boys who helped out the 4th V on the weekend and to those parents who came out to support in our second victory in a row.

Middle school
Pulteney Middle As defeated by Cabra 27-79
The A grade had a tough loss against a very good opposition. Cabra are a renowned basketball school and their best was simply too much for us to handle this week going down quite comprehensively. A very important game that is good to get out of the way early in the season so we can build and progress throughout the next two terms.

Pulteney Middle Bs defeated by Cabra 25-37
Both the Middle A and B boys teams were a little short handed this week. So for everyone that filled in, thank you, we appreciated it a lot. Unfortunately the B grade lost an extremely well contested game going down in a tight one. Instructions made through the game were executed extremely well and I was very happy to be able to apply new tactics throughout the game and see the hard work you put in.

Pulteney Middle Cs defeated Cabra 36-18
An excellent effort by the boys to take our first win in 2 games. We were able to take advantage of Cabra’s poor defence by continuously attacking the basket on the fast break and never letting up. Three boys led our offence: Terry Koumi poured in 13 points, and Oliver de Broughe and Zach Nicholls added 10 and 9 points respectively. The rest of the boys performed well, especially in intercepting passes and starting off the fastbreaks that won us the game. This included good rebounding, ball handling and passing. Things to improve, as we look ahead, include being stronger, securing the ball on rebounds, making safer passes to avoid turnovers, and spacing on offence.
Pulteney Middle Ds defeated by Glenunga 6-41

The Mighty Middle D’s braved an early wake up this weekend with a 9:30am game at Glenunga testing both their willpower and the snooze button. Once again, we faced a much taller team, with many second chance points conceded. We started off well and faced a 10-4 deficit at quarter time. But as the saying goes, quick players get slower, but tall players do not get any smaller. To the boys credit we played active defence with Liam Chiera and Thomas Robinson getting stops, as we forced Glenunga, into bad offensive possessions. Unfortunately despite the bad initial possession Glenunga dominated the offensive glass, and still scored heavily on us. Despite scoring less points than last week, I feel our offence has actually started to get some flow and some rhythm to it. Dan Whitelock, Jack Lockwood and Riley Kopfstein all showed poise with their spacing. Special mention must be made to Liam Chiera who played for us, after already playing a game for the C’s. His ball handling, and experience brought his teammates into the game. Archer Stonehouse also displayed excellent leadership in setting the boys up in our defensive structures. The thing we must work on, as a group, is having all 5 boys on the floor attacking the boards for defensive rebounds, but another character building performance by the boys. The Middle D train is about to leave the station, so all aboard as I feel our first win is right around the corner.

Matt Down
Basketball Coordinator

Hockey

Pulteney First XI drew with St Ignatius

After a disappointing loss last week, the First XI bounced back, again with only 9 players, to draw against St Ignatius. It was important for the team to learn from last week’s result and make improvements where required. It was pleasing to see, right from the outset, that the players were focused and brought with them a fierce intensity to lead to the ball and they dominated in the forward line and time in possession. We also held strong defensively, only allowing St Ignatius to score in the dying minutes.

Goal Scorer: Jordan Buttery

Middle School - BYE

Cate Boucher
Hockey Coordinator

Soccer

First XI: Rostrevor College defeated Pulteney 6-0

Best players: Seth Dolphin, Isaac De Donatis, Nick Wilson

A positive first half performance by the players showed that we can contest against better opposition, as we delivered some really good passages of play. Our structure and shape was sound and our competitiveness was really enjoyable to watch.

Unfortunately, we fell away a little bit in the first 20 minutes of the second half and that was the pivotal point of the game. But in true Pulteney spirit we showed resilience and the last 10 minutes was superb.

A special mention to Seth, a Year 9 student who showed experience beyond his years with a stellar performance. Isaac, who is new to The School, also produced an outstanding performance. We’re looking forward to another week on the training track as we will continue to improve.

Lucas Pantelis
First XI Coach/Director of Football
**Second XI: Rostrevor College defeated Pulteney 4-2**
Goal scorers: Rory Hillock, Jake Goehr
Best players: Lloyd Pope, Jake Goehr, Alex Young

The boys conceded 3 goals in the first half with loose defence at times, but with better structure and more cohesiveness as a team, we were able to win the second half. We will keep working hard and improving.

**Third XI: Rostrevor College defeated Pulteney 11-2**
Goal Scorer: Theodore Spyropoulos 2
Best players: Dimos Karagiannis, Theodore Spyropoulos, Alistair Porter

Another tough game against a bigger, older, and more experienced team. The boys battled throughout and showed some good passages of play. I was proud of their fighting spirit giving 100% until the final whistle, which is what is the most pleasing.

**Middle A: Pulteney 4 defeated St Michael's College 3**
Goal scorers: Otis Noble 3, Dillon Hill 1
Best players: Jack Adamson, Jun Kim, Hugh Brunning

The Middle As put together an excellent and cohesive first half, where they controlled the ball and possession from the back, playing disciplined football across the pitch. Jack Adamson led well and set the tone with regard to the attack on the ball required and purposeful distribution. Jun Kim and Hugh Brunning were dominant in the midfield and Otis Noble finished off nicely up front, along with a top class finish from Dillon Hill. The second half saw a number of changes and we lost our way for a period; however, a far greater intensity in the last 15 minutes saw us score a deserved victory.

**Middle B: Unley High School drew with Pulteney 1-1**
Goal Scorer: Jack Adamson
Best players: Tyson Nguyen, Alex Shakib, Alexander Spyropoulos

**Year 7: Pulteney defeated St John’s Grammar 7-5**
Goal scorers: Alex Symons 3, Zac Gillard 3, Finn Flanagan 1, Sam Tertipis 1

**Girls First XI: Pulteney defeated Wilderness School 6-0**
Goal scorers: Isabella Fabbro 2, Ellie Vivlios 2, Ella Wiltshire, Tanya Oliver
Best players: Ella Wiltshire, Isabella Fabbro, Natasha Holmes

After a successful Anglican Cup carnival, the girls came up against one of the top sides in the competition. With tight defence, and good counter attacks, there were plenty of scoring opportunities for the forwards. A strong start to the season, the challenge is to maintain it.

**Girls Second XI: Pulteney drew with Wilderness School 1 -1**
Goal Scorer: Alexia Pounentis
Best Players: Alexia Pounentis, Natasha Perrott, Emily Wilson

**Girls Middle A: Pulteney drew with Wilderness School 2-2**
Goal scorers: Angelique Patsouris, Anna Evans
Best players: Tamsin Evans, Portia Excell, Angelique Patsouris
Girls Middle B: Pulteney defeated Wilderness School 1-0

Goal scorer: Mia Paolo
Best players: Stela Bartolovich, Nikita Pepaj, Millie Bennett

Dan Polkinghorne
Soccer Coordinator

Football

1st XVIII  PGS 16.17 (113) defeated Marryatville 8.1 (49)

Best Players: Ben Adams, Jack White, Adam van den Munckhof, Nick Laity, Josh Wills, Liam Geddes-Ryan, Sam Magarey, Tom Rundle, Lachlan Schatto, Tom Baldock

Goal-Kickers: Jack White, Adam van den Munckhof 3; Tom Baldock, Zac Sipek 2; Ben Adams, Elliott Bennett, Liam Geddes-Ryan, Rory Egarr, Matt Nielsen, Josh Wills 1

*My apologies to Rory Egarr...I forgot to list him among last week’s First XVIII debutantes; Congratulations, Rory!

There were many things that I was far from happy with on Saturday and we still have much to improve upon; however, this was another dominant performance highlighted by the lopsided number of scoring shots (33-9).

I was very pleased with the team’s strong start – 13 scoring shots to 1 highlights the team’s dominance early in the match.

I thought we were ‘ordinary’ during the second and third quarters (adding 6.7 to 4.1) but on reflection, perhaps there were a number of contributing factors that I did not take into account:

a) Marryatville’s work rate lifted after ¼ time;
b) Marryatville clogged up our forward line with loose players in defence, which obviously made it more difficult to work the ball cleanly through our forward line;
c) The game was played in very warm conditions;
d) Some players became injured and fatigued which impacted on our ability to rest/rotate players

Despite all of the above, and to your credit, you finished off the game strongly and almost matched the first quarter return on the scoreboard (5.2 compared to 5.8). ‘Running on empty’ demonstrates courage...well done!

Some of the things I was pleased with today included:

a) The contributions by a number of Year 12s including: Ben Adams, Jack White, Josh Wills and Tom Baldock (Ben, Jack and Josh were solid across 4 quarters, whereas I thought Tom started and finished well); other Year 12s including: Angus Lumsden, Zac Sipek and Matt Nielsen, were also solid contributors throughout the game
b) The return to form of Adam van den Munckhof; Adam led and marked strongly and kicked 3 goals
c) The continued good form of players such as Liam Geddes-Ryan, Sam Magarey, Tom Rundle and Lachlan Schatto (none of these players are Year 12s!)
d) The spread of goalkickers (10)
e) Pushing back into defence and getting ‘defensive side’ of your opponents

Some of the things I still think we need to work on improving include:

a) Goalkicking accuracy (16.17 means we could/should have easily kicked over 20 goals for the third week in a row)
b) Players need to block/shepherd more often for team-mates; particularly to release a runner (eg Nick Laity) and to provide the ball carrier time to run further with the ball

c) Discipline: careless and clumsy free kicks (include late bumps) must be eliminated

d) Marking of long, high balls...reading the ball in flight and committing to aerial contests

Barrie Bryan
Coach

2nd XVIII  BYE

Year 8/9 PGS  4.8 (32)  defeated by Blackfriars  6.7 (43)
Best Players: Noah, Griffin, Ben, Spencer, Hugh.H
Goal Kickers: Wayne 2, Connor, Ben

We went into Saturday's game with both captains out and missing a few others that gave us a playing group of just 14. Thanks to Blackfriars for lending us a few players during the game that turned it into a 17v17 contest.

The boys started slowly, and were finding themselves second to the ball at a lot of contests. By half time we were down by a few goals and our failure to kick effectively reflected the difference (although many of the behinds were kicked by fill in players from Blackfriars). Instead of focusing on what we, as a collective unit, could do to turn the table, a lot of energy was wasted worrying about umpiring decisions.

At the half time break we asked more from the playing group and thankfully the boys responded, playing to the potential we had seen the previous week. To their credit, they kept battling away, and came within 5 points with only a minute to play. We might not have won this week, but both Nathan and myself are pleased in the way the boys kept persisting and giving unquestionable effort. Very proud of the boys so far (now we just need to get everyone out training...).

Justin Bollenhagen and Nathan Risatano
Coaches

Year 6/7 PGS  3.8 (26)  defeated by PAC  6.4 (40)
Best Players: Rory O'Callaghan, Gabriel Luksich, Patrick Winter, Austin Brooks, Matt Adams
Goal Kickers: Gabriel Luksich 3

This was a very competitive game and reflected a much improved effort from the Pulteney players.

Defensively we were much better this week – eg sticking on a player in defence and holding our positions so that we could intercept some of PAC’s attacking moves (Logan Holman provided a good example of this).

We also linked together, for some excellent passages of team play, which included running with the ball, handpassing to team-mates and then kicking accurately to a team-mate further down the ground.

While we matched PAC in general play and in creating goal-scoring opportunities, we were wasteful in front of goals; this will certainly be a focus of our training this week!
A really good team effort, but well done in particular to the following players:

Rory: worked tirelessly trying to run the ball and to impact the scoreboard

Gabriel: strong marking and accurate kicking for goal

Patrick: provide plenty of ‘zip’ around the packs and was creative with his running and handpassing

Austin: a touch of class and clean use of the ball by hand and by foot

Matt: solid and reliable, both in defence and in the midfield
