FROM THE ROWING CO-ORDINATOR

What a great effort by all crews at the PARC Regatta last week! Of the fifteen events entered, Pulteney won nine including the Cornell Shield (below). Congratulations to all crews especially those who were winners for the first time – there is still a very long way to go but we have started well.

This week the regatta is Henley on Torrens (on the Torrens), this is a 350m sprint regatta in which we have entered a junior boys and girls crew only – all others are training at West Lakes. Unfortunately this means no training for the Development Squad or juniors who are not in these crews!

A reminder that the white UV undershirt should be considered part of the rowing uniform and needs to be worn while racing and training.

It is not too late to get along to the Boat Club Quiz Night – the booking window is still open – or you can pay at the door on Saturday!

GO PULTENEY!!
Richard Sexton
Head of Rowing
FROM THE PRESIDENT

Congratulations again to all our winners at last week’s regatta and it’s the most successful day we’ve had competing for some time. It’s great to see some early season success to help encourage our rowers to work hard. Also thanks to all who supported our rowers and the Port Adelaide Rowing Club. It’s been a while since they’ve hosted one and even longer since I’ve been to a regatta at the Port.

This weekend promises to be an exercise in fun. Our juniors will get a first taste of competition in the unique Henley on Torrens regatta. It’s quite a different experience in a more confined space, so come along and support our new rowers. Following this on Saturday evening will be our annual Quiz night at Wyatt Hall. If you haven’t booked, it’s not too late – please jump online and sign up. It’s an important fundraising event for the club, so please come along and have a crack!

And advance notice for everyone stocking up for the festive season – we’ll be releasing our latest wine list to tempt you on Saturday night. It’s a great selection, good prices and a win-win way to support the Club.

Go Pulteney!
