

Oar-*Inspired*

FROM THE ROWING CO-ORDINATOR

Welcome back everyone and Happy New Year!

Thank you to everyone who contributed to the smooth running of the recent mid-season camp, notably Emily Churchill for her work keeping our rowers nourished and full of good food, Tracey Radford for co-ordinating the many volunteers and of course, the many volunteers who willingly rolled their sleeves up and cooked, cleaned, drove dinghies and contributed to the happy, positive atmosphere. A huge effort too from our coxswains and rowers including some very keen year 8 boys on their first camp - in sometimes very difficult conditions!

And how good is it to see a Pulteney girls Eight on the water again!!

During camp, five of our athletes returned to Adelaide to compete in the 2nd & 3rd Grade State Championships regatta at West Lakes. Alannah Gilmore, Matthew Nielsen, Finn Brunning, Doug Perrott and Beau Jerkic raced in singles, double and a quad against quality opposition coming home as winners of the 3rd Grade Mens Coxed Quad. Finn and Doug put in a massive effort to finish second in their 2nd Grade Mens Double and Matthew finished second in his 2nd Grade Single in a very strong field. In addition to her Pulteney coxing duties, Alannah guided crews from Adelaide Rowing Club to victory in 2nd Grade Womens Coxed Quad and Womens 8+, also finishing second in their Womens Coxed Four! – Congratulations to you all and thanks to Fearnley for organising this.

Toward the end of 2015 while we were thinking about Christmas, several of our senior athletes were trying out for State and Pathway crews. I am very pleased to say that Matthew Nielsen has been selected in the Mens Youth 8+ crew and Nour Mol has been selected in the first of the Womens Pathway 8's. For a full details click [here](#) or read this weeks PRW. Great effort to be selected and congratulations to all those who put themselves forward, we are all very proud of you.

We are all looking forward to 'Back to the Boatshed 2' on 19 February, the very popular annual event at the Torrens boatshed which draws together the Pulteney Rowing Community both past and present. We look forward to naming our newly acquired double after Old Scholar, State, Australian and Olympic coxswain, Gavin Thredgold – another good reason to come along!

There are only a few weeks of the season remaining with regattas planned every weekend up to Head of the River on 12 March. As usual, there is a formal dinner on that evening at school which you should plan to attend. If you have not been to a HoR dinner before it is a great night of presentations and reflection on the season that was – more details to follow.

Here we go!!

GO PULTENEY!!

FROM THE PRESIDENT

Welcome back to the second part of the rowing season and this time around, it will be over before we blink! With a very early mid-March end to the season, it's now going to be a sprint to the line.

Our crews have been well set up with the completion of rowing camp at Walker Flat last weekend. Like the season, the camp was also a little atypical, with some wet, at times windy and quite cold conditions for this time of the year. But it was impressive to see how crews were training and I know some of the coaches would have been pleased with the progress their crews made. May I also acknowledge and thank the small army of parents who volunteered to feed the masses and to assist with towing trailers, driving boats and plenty of other things. They did a magnificent job in helping run the camp and it wouldn't happen without the real community spirit, which typifies the Pulteney Boat Club. Thank you one and all.

I also hope you would have received several key invitations in the past week.

The first is to encourage you to sign up to our "100 Club". It's an easy way to show your support for rowing at school where there are no fees charged for doing this sport. Your \$100 donation to join the "100 Club" helps our fundraising and the purchasing of new boats and equipment. As explained in the letter, you'll be recognised for that support and be offered a few benefits in return. Please consider signing up on Trybooking.

The second invitation is to our "Back to the Boatshed" function on Friday February 19th at the Torrens Clubhouse. It's our first fundraising function for the new year and there will be free drinks on offer for all "100 Club" members. Please put that date in your diary, book on Trybooking and come along to support the club.

Look forward to seeing you at this Saturday's regatta and go Pulteney!!

Leigh Radford
President, Pulteney Boat Club Committee

REGATTA ENTRIES – School Super Series Regatta – 6 February, 2016
