FROM THE ROWING CO-ORDINATOR

Well done to all crews for their efforts last regatta, there were some strong performances; among what was a solid day for us as a club. It is not every day you get to see State and National rowers plying their trade – let alone find yourself competing against them! What a great experience.

This week is the Pulteney hosted regatta and I thank the many volunteers and helpers on the day as well as the committee, in particular Kathryn Barber for helping pull it all together. Huge thanks to every one of our generous sponsors whose banners will be on display on the day, your support of the Boat Club is immeasurable and enables us to continue to provide the best boats and equipment for our athletes.

This weekend there will be no training for Year 8 rowers, instead we are asking that they all attend the regatta to assist with boat holding and try the infamous Pulteney egg and bacon rolls! We also need to have as many as possible come along to the finale, the Head of the River regatta on 21 March, and to be part of what is always a great day. Dress for all students (including rowers) is full formal school uniform at the regatta.

Thanks to Rawson Elite Appliances there will be a supporter bus picking up and returning to School for those who have transport issues on the day – numbers are limited so speak to Sophie Rawson if you are interested.

Attendance at the Head of the River Dinner on the evening of 21 March is compulsory for rowers. Dress is full formal school uniform, bookings close on Sunday 15 March – the booking link is http://www.trybooking.com/EGUX.

We are at a critical stage of the season, the final regatta is in sight; training is unrelenting – we might even be thinking about winter sport!! Now more than ever we must ignore the noise and distractions and focus on the job at hand. Two weeks now.

As LL Cool J says – ‘stay focused, go after your dreams and keep moving toward your goals’.

GO PULTENEY!!

Richard Sexton, Rowing Co-ordinator

FROM THE PRESIDENT

Well the big day is upon us – the Pulteney Boat Club is hosting the penultimate regatta for the school rowing season at West Lakes on Saturday.

Not only is it an honour to be able to host a regatta, it’s enormously important to our fund raising efforts for the year and a great day to offer exposure and recognition for sponsors. All our sponsors are highly valued by the club and I’d like to take this moment to say a heartfelt thank you to them all for making such a significant contribution to our club. What it will mean is that we’ll complete this season on a high, buoyed by the success of our fundraising efforts. At the end of it all, these funds go towards buying the boats and equipment that our school needs to give our kids the chance to experience this amazing sport. May I also thank in advance all the parents, students, coaches and Pulteney staff for what will be a great collective effort on Saturday and hopefully many hands will make it a rewarding day.

To our rowers and their coaches – how close are we now to that final line! One more full week of training and one more regatta before we get to the Head of the River. Most will be feeling tired at this late stage of the season, but no doubt there will be a sense of
satisfaction that comes from the hard work and the dedication that sets the sport apart. The experience gained through this application and dedication to task, will no doubt help all our rowers to power on in their academic studies through 2015 and to success well beyond their school years.

I’m looking forward to seeing you for our Pulteney hosted regatta on Saturday and wish every success to our crews as they take to the water on what should be a beautiful autumn day.

Go Pulteney!

Leigh Radford, President
