FROM THE ROWING CO-ORDINATOR

Welcome everyone to Season 2014-2015!!

I know that you, like me, are already longing for the Summer weather to be here – the warmth of the sun on your face, long evenings, getting down to a regatta to spend some quality time with your rowing friends.

The good news is that it all starts again in a couple of months!!

Pre season training for Senior and Intermediate (current Year 9) squads is well under way every Sunday at the Torrens shed with numbers increasing week by week. The Adelaide City Council has refurbished the area around our boatshed with a huge grass reserve and sealed road access. Inside the shed has changed a bit too with some new equipment and updated Honour Boards!

The Boat Club Committee has also been formed after the AGM last week and is one of the larger groups we have seen for some time – which is fantastic! I would like to thank all of them for getting involved and look forward to a productive season ahead, I know they can rely on your support at regattas or at any of the ’coming events’ below.

The newly elected Committee is;

President: Leigh Radford
Vice President: Andrew Beer
Secretary: Heather Glynn-Roe
Treasurer: Linda Humphries

Many of you will already be aware that the Rowing page on the School website contains a lot of information including coach contacts, training times and venues, coming events as well as general information. I recommend that you bookmark this page.

Finally, do you have a spare bike you are not using? If it is in reasonable condition, would you consider donating it to the Boat Club? Please contact me if you can help.

GO PULTENEY!!

Richard Sexton, Rowing Co-ordinator
