I welcome back all of the students for the commencement of the last term for the 2016 academic year.

It has been wonderful catching up with students who attended our experiential learning trips to Nepal and Japan during the holiday break. Our students and staff represented Pulteney with pride and learnt so much about their world and themselves.

This term is short but full of exciting opportunities and special events. Planning for our Valedictory celebrations is in full swing and we are looking forward to celebrating the significant contributions of all of our Year 12 students, who will soon leave us to embark on their exciting futures beyond School.

Outstanding Australasian Success for Pulteney!

Pulteney’s Team won the Australasian Pacific Final of the Tournament of Minds recently held in Queensland. The team, consisting of Madison Schubert 6A, Christian Bizot 6A, Fraser Brion 6V, Emma Neuhaus 5A, Eliza Button 5B, Oscar Mitchell 4M and Riley Brion 4M, triumphed in their category – Primary Engineering and Mathematics.

This wonderful achievement is a testament to the commitment and dedication shown by the students in developing their problem solving and team work skills. They competed against schools from around Australia, New Zealand, Hong Kong and Thailand. I extend my thanks to Mrs Sue Mavropoulos for her outstanding coordination of the team and also Ms Wendy Stewart and Ms Kim Butler Nixon for their support.

From the Deputy Principal

On Monday, it was wonderful to welcome back students and staff to what promises to be an action packed and productive term four. The Robert Henshall Gymnasium was filled with a “buzz” as students eagerly sought to catch up with friends and share some of their holiday adventures before our whole school assembly commenced.

Service Learning Trips

During the course of the assembly, students who attended trips to Japan and Nepal shared of their experiences, focusing on their appreciation for different cultures, the new friendships they made and the close bond developed between members of the group. The audience was treated to a traditional Nepalese dance, filled with colour and energy, which received an enthusiastic applause.

ADFA Award

Lucy Sara was surprised when Captain James Oliver and Mr Jarrod Cole from the Australian Defence Force presented her with the ADFA Education Award. An outstanding achievement! Our School Captains and Vice Captains provided sound advice on how to make the most of your studies this term and we were thrilled to acknowledge the amazing effort of our Prep Tournament of Minds team who won the Australasian final in the Mathematics and Engineering category.

Jodi Lee Foundation - Kay-A-Day

It was a privilege to welcome the Jodi Lee’s Foundation’s Founder and CEO, Mr Nick Lee who spoke to our students about the Kay-A-Day initiative. Kay-A-Day involves participants walking or running one kilometre each day for 21 days, the distance of a half marathon. Our students will be participating in this during their Physical Education lessons and at various other times in the day when there is no Physical Education lesson scheduled.

In Australia, 9 out of 10 young people do not move enough each day. Physical activity is vitally important for overall health and reduces the risk of developing certain diseases later in life – including bowel cancer. Healthy lifestyle habits formed early in life can have a lasting impression.

Friends and family are encouraged to get involved by sponsoring every kilometre completed. Please register your child for the Pulteney team by clicking on the following link:

https://app.jodileefoundation.org.au/events/kay-a-day-2016/invite/PZNBBT

To find out more about the Kay-A-Day activity, click here www.kayaday.com.au

To see Pulteney’s Kay-A-Day profile and to donate click here https://app.jodileefoundation.org.au/events/kay-a-day-2016/team/pulteney-grammar-school

The Jodi Lee Foundation is keen for parents to know that bowel cancer is the second most common cause of cancer-related death in Australia, but it can be prevented by being proactive about your health and screening regularly. For more information, go to: www.jodileefoundation.org.au

The Jodi Lee Foundation is dear to our hearts as on the 21 February 2014, Tracey Lee Diamond, mother of Harlow Diamond in Reception Mirnu (RM), sadly lost her four-year battle with bowel cancer, aged 41. I have already seen a large number of our students proudly displaying their bright green shoelaces as part of their involvement in the Kay-A-Day fundraising activity.

There is little doubt, that this term will be extremely busy as the 2016 academic year draws to a close. I encourage parents to talk regularly with their children about their schooling so that you too can share in their amazing achievements and continue to foster open and positive lines of communication during the important years of your child’s schooling.

Greg Atterton
Deputy Principal
Tournament of Minds Winners!

Tournament of Minds, Australasian Finals in the Gold Coast, Queensland: Pulteney Prep Team wins first place in the Engineering and Maths Category

The Pulteney Grammar Tournament of Minds team consisting of Madison Schubert, Fraser Brion, Christian Bizot, Emma Neuhaus, Eliza Button, Oscar Mitchell and Riley Brion represented South Australia at the Australasian Pacific Finals in the Gold Coast, Queensland from the 13 to the 16 October. The team competed in the Engineering and Mathematics section against teams from all states and territories in Australia, as well as New Zealand and Thailand.

The team was involved in a variety of activities and events throughout the four days. On Saturday, 15 October, the team was given a challenge to solve in three hours. In this time the team needed to solve the problem, make the device that demonstrated sound engineering techniques and mathematical knowledge and skills, but also work out how they were going to present a ten-minute performance in the afternoon to a team of judges who were experts in their field, e.g. engineers.

The team also needed to respond to a spontaneous problem during the three-hour challenge. For the spontaneous challenge the team were presented with a problem, then they had three minutes to discuss their response, build on their ideas and one minute to present their creative and divergent response.

The team were fortunate enough to win the Engineering and Mathematics section. This is an amazing result for Pulteney Grammar School, and a first. I would like to thank the team for their hard work over the many months and also the parents for supporting us. I would also like to thank Kim Butler-Nixon for attending the 4 days in Queensland for her support and assistance as well as the parents that attended. We look forward to many more years of Tournament of Minds at Pulteney Grammar School.

Sue Mavropoulos
Coordinator and Facilitator of Tournament of Minds

Friends of Pulteney

Quad Cafe
In Kurrajong!

Friends will hold the Quad Cafe in the Kurrajong courtyard until the end of Term 3. Pop in and grab your Friday morning coffee from 8.00am.
The ADFA Education Award is presented to students who have excelled during the Australian Defence Force recruitment process. These students have shown academic and sporting achievement and have also demonstrated a high level of leadership potential. Recipients of the ADFA Education Award can feel justifiably proud, as the selection process is extremely competitive. Award recipients are selected after completion of psychometric testing, psychological and recruiting officer interviews and finally a selection panel board from which all applicants are ranked in order of merit.

We were thrilled to have Captain James Oliver and Mr Jarrod Cole from the Australian Defence Force present School Captain Lucy Sara with the ADFA Education Award at our Term 4 Opening Assembly. Lucy can be incredibly proud of her achievement.

Nicholas Brice
Head of Senior School (one ninety)

Year 8 Immunisations

All participating Year 8 students are reminded that their Immunisations will be held on the morning of Friday 21 October in Wyatt Hall. They will be receiving the final dose of HPV (Gardasil).

Please ensure that participating students eat breakfast that day and wear PE clothes.

Vaccinations will only be given to those students with valid consent forms.

If your child is absent on the day, they will receive a letter from Health & Immunisation Management Services advising of clinic locations to receive the vaccine they missed.

City Week – “Take 2”

City Week was an amazing opportunity for our Year 9 students to undertake a group research project which focused on how they could contribute to the ‘greater good of Adelaide.’ We were exceedingly proud of the efforts and accomplishments of all of our Year 9 students. However, sadly, last term due to the extreme weather conditions, we were required to delay our City Week Expo. We felt it was important for our students to still have the opportunity of engaging with parents to explain their research process and what they learned. Consequently, we are pleased to inform you that we will now be holding this event on Wednesday 2nd of November from 5.30pm to 6.30pm in Wyatt Hall. We would love to see parents, family members and friends attend this event, so you can experience all that has been achieved and, of course, vote for the best display.

Paul Ryan
Head of Middle School

SACE End of Year Results

Schools have been notified that the target date for results release is Tuesday 20 December. Students completing SACE subjects this year will be able to access their SACE results and SATAC Tertiary Entrance Statement (if eligible) on the SACE website from 8.30 am.

Many students, especially Year 12s, will want to view their results quickly on 20 December. To ensure all students can access their results on the day they are released, students should check as soon as possible that they can log in to Students Online via the link on the SACE website at: https://www.sace.sa.edu.au/students-online

Login requires a SACE registration number and PIN. Registration numbers comprise six numbers and a capital letter (eg 123456A). If students are unaware of their SACE registration number, they are to contact the SACE Coordinator, Sharon Pearce, at School.

If a student has not logged in before, their PIN will be the first four digits of their date of birth in the format DDMM (e.g. 1st July = 0107). Students who cannot remember their PIN can request a PIN reset through the website.

Once students have successfully logged in, they should visit the Personal Information section and check their postal address is correct, to ensure results are also received in the mail. Students should contact Sharon Pearce if a change of details is required.

Students needing further assistance logging in can email the SACE Board Service Desk at SACE.StudentsOnlineSupport@sa.gov.au or call 8372 7412.

Sharon Pearce
SACE Coordinator

Venture Club

Venture Club Student Committee

The Venture Club is pleased to announce that the student committee, for 2016/17 is:

President: Kate Barnett
Vice-President: Lachlan Rawson
            Gwynne Martin
Year 11/12 Rep: Caitlin Pearce
Year 10/11 Rep: William Cockburn
            Emily Young
Year 9/10 Rep: Connor Fyfe
            Nick Hassan
            Isaac Pearce
Year 8/9 Rep: Liam Chiera

Students who would also like to be considered for the Committee should contact Mr Drogemuller.
Pulteney Challenge 2016

This year’s challenge was held in Mt Crawford forest, on the weekend of September 17 and 18. It threatened to rain all weekend, but rarely did the rain get in the way of a fun weekend, finding checkpoints amongst the native and pine forests. The Saturday night event was cancelled due to the conditions, but all other events went as planned.

The winners were:

**Middle School**

**Gold**
Matthew Beahan
Liam Creaser
Isaac Pearce
Oliver Wilson
Henry Bleby Williams

**Silver**
Sam Button
Nick Hassan
James Mellor

**Bronze**
Connor Fyfe

From the Chaplain

Service Learning Nepal - an initial reflection of just one aspect of our experience.

Put simply, the Pulteney Grammar Service Learning trip to Nepal in 2016 was an amazing experience. It was a privilede and joy to travel with students and colleagues to Kathmandu and the Annapurna Ranges near Pokhara. Everything that is great about overseas travel, is in a special way enhanced by the intentionality of it being a Service Learning trip. There is no denying I found the trekking challenging and the generous welcome of the Nepalese people joyous and humbling. The hospitality was generous and the food was simply excellent.

At the beginning of the year I had the opportunity to take part in an Ecumenical Conference about service learning in Brisbane. [http://www.transformingservice.com/](http://www.transformingservice.com/)

It was a diverse forum and provided for rich reflection. For me it affirmed the strength and depth of the Pulteney community's engagement with the wider community. However, the conference also focused on some of the perceived short coming some Service Learning programs have. Service Learning Programs are diverse in school communities. It means different things in different schools. We heard from speakers in Cambodia and Timor-Leste who have been on the receiving end of Service Learning visits. There has been a reaction to programs that make too many assumptions and are not responsive to their experience. Perhaps they do not do their ‘homework’ and prepare students for learning that will be challenging and that will require personal engagement. The question was asked, "Is it OK to simply arrive at a disadvantaged community, give gifts and donate money and ‘perform’ a community service-sometimes a mural that ‘badges’ the visiting school, without really getting to know people and their circumstances"? While there is nothing wrong with generosity, there is a real concern that with such an approach, not much transforming learning occurs and very little change or lasting help is achieved.

Pulteney's program was thoroughly engaging and deep reflection and learning characterised the whole experience. So much of our Nepal program was shaped by the desire to spend time with people and get to know them and their culture. It sometimes had us out of our comfort zone and on high alert for perceived and real risks.
Several days into the program the students went to lunch with their buddies in their own homes. Each pair was accompanied by an adult and I was privileged to be part of this experience. We knew our hosts were not wealthy and we experienced their desire to be generous welcoming hosts. It is hard to describe adequately just how wonderful this experience was. It was at once very normal and transforming, a very real human interaction that added such richness to our overall experience of our time in Nepal.

Board game after lunch

Dear God,

Help us to be open to learning about our world through the lives, experience and wisdom of others. When our uncertainty and anxiety subsides, may we be truly open to knowing how it might be for others in this world. Let understanding and deep empathy be the tool we use to bring life giving change for sustainable development in our world.

Amen.

Magdalene Centre

The Pulteney Community continues to be generous in its regular contributions. Each year, the Magdalene Centre provides free Christmas food and toys to hundreds of disadvantaged individuals and families. Now is the perfect time to include those items we all enjoy at Christmas.

Food ideas:

- Tinned ham and tuna
- Long life custard
- Coffee, milo and tea
- Cordial and fruit juice
- Canned vegetables
- Canned fruits
- Sweet treats and chocolates
- Breakfast cereals
- Long life milk
- Pasta and pasta sauces
• Spreads & jams
• Sweet and savoury biscuits
• Christmas cakes, fruit mince pies, puddings
• Dried pulses and beans

Gift Ideas:
• Dolls Art and craft sets
• Board games
• Football, basketball or soccer balls
• Tennis set
• Cricket set
• Jewellery and accessories
• Lego kits
• Toy cars, planes, trains
• Construction sets
• Tea sets
• Books, CDs, DVDs
• Stationery
• Jigsaws

Many people are including mini toiletries. These are greatly appreciated, especially toothpaste. I know these are a great help and confidence booster to young homeless people getting ready for interviews.

Donations can be brought to the Chapel Foyer. Baskets have been labelled so that we can sort and care for your donations.

Pulteney Advent Christmas Calendar dates
The Advent Term moves very quickly. Below are some diary claimers for Term 4 Community Choir rehearsals in will begin soon. Kym Wilson will lead us. A range of rehearsal opportunities will be provided. There is no need to attend all rehearsals. Consider coming to at least three, depending on your skill and confidence level. Let me know what days/times suit you best and we can begin planning.

Pulteney Wine Makers 2015/2016
‘FROM CLASS TO GLASS’ Bottled Wine Release
The Pulteney Wine Makers, a group of 15 Year 12 Science students, is very proud to announce the release of their 2015 ‘From Class To Glass’ Shiraz bottled wine. This limited edition wine is the result of a 2 year advanced co-curricular project exploring the science of winemaking under the guidance of Science Laboratory Manager Mr David Schultz.
All grape handling, wine processing, and analytical and control procedures have been performed on campus by this group of students. Using mainly their own spare time (many lunchtimes with a few before and after school sessions) as well as some lesson time at the beginning of the project, these students have explored wine science in a very hands-on way.
The group wishes to thank Steve and Julie Tunstill for allowing them to ‘invade’ their Warraminga vineyard at McLaren Vale to pick 300Kg of Shiraz grapes. A combination of the climate trend to earlier ripening of wine grapes, an exceptionally hot and dry summer (particularly late summer), and the need fit this project in with other School activities meant that these grapes were picked when exceptionally ripe and sugary. This extremely high sugar content would have interesting implications for the wine which would develop from these grapes.

Pulteney 2015 Wine label designed by students

As any winemaker would be aware, the first month of wine production is a very busy time. The Pulteney Wine Laboratory was no exception (the Pulteney Wine Makers are fortunate to have their own secure laboratory put aside exclusively for their use). Destemming and crushing followed by fermentation with its associated need for constant mixing and temperature control meant all hands on deck. The very pleasant fruity aroma of fermenting grape ‘must’ permeated through the Science Wing and nearby areas of the campus.

A suite of advanced chemical analyses and quality control procedures were performed over the next 12 months. Properties such as density, acidity, pH, anti-oxidant concentration, ethanol concentration, but to name a few were closely monitored.

A unique property of this wine, an inevitable consequence of the very ripe nature of the grapes used for this particular Shiraz, is its very high alcohol content (18.5% w/w). Whilst winemakers generally would argue that this very high alcohol content dominates the character of this Shiraz wine too greatly, it does give this wine a quite distinctive character which all who have tasted it have found interesting and enhancing.

The team of Jake Atkinson, Jack Dean and Thomas Slattery was elected to produce a suitable bottle label design. The title ‘FROM CLASS TO GLASS’ was adopted and developed. The ‘science’ focus of the project was emphasised with a background of chemical formulae and equations, together with analytical equipment used by the group in making this wine.

You can help to celebrate the completion of this project by purchasing some of this unique bottled wine. Details appear in an advertisement further along in this newsletter.

Under 17 Cricket team selected Lloyd Pope

Congratulations to Lloyd Pope in Year 11 who has been selected in the Cricket Australia Under 17 team to compete in the under 19 National Championships in Adelaide. The squad was selected based on the best players at the 2016-17 Under 17 National Championships where Lloyd was impressively the leading wicket taker for the competition. Please visit the link below for the Cricket Australia press release.

Volleyball - Friendly against Brighton High School

Pulteney’s Volleyball program is up and running heading into the new season, with the Girls commencing this Saturday morning and other teams to follow in Week 2. Our experienced Volleyball coaches of Emily Mooney-Doe and Patrick Edwards have been doing a great job with all teams in preparation.

On Wednesday morning, as apart of our trials for the First VI squad, Brighton High School came to Pulteney for a friendly match. Brighton has a ‘Special Interest Volleyball Program’ and was a great experience to play a well organised team that is not apart of our regular completion.

It was great to have the opportunity for our players to play in a hard fought, high standard game, which was of most benefit for our players before the coming season. The final score was 1-set all.

Simon Sharley
Volleyball Coordinator

Pulteney Boat Club Functions

The School community is invited to join with rowing families at two events. The Season Opener and Fun Run on Saturday 29 October and the Quiz Night on the evening of Saturday 5 November.

The Fun Run around the Torrens is open to runners and walkers of all fitness levels with pets welcome too! Registration is at 8:30am with runners away at 9:00am; cost to register is $5. You can choose one lap (4km) or two if you are feeling energetic, prizes for category winners and a meat tray raffle! The famed egg & bacon roll will be available too!

The eagerly anticipated Quiz Night in Wyatt Hall is on Saturday evening 5 November and is always a great time. Join Quizmaster Mark Barnett for a fun filled evening of general knowledge questions. BYO drinks, glasses and food, $10 for students and $15 for adults with competitions and great prizes, please book online at www.trybooking.com/DTRV Get your tables of 10 together and test your knowledge while supporting the Pulteney Boat Club.

Richard Sexton
Head of Rowing

Prep School Sports Notices

Cricket, Tennis and Softball

All games commence this Saturday October 22 or Friday October 21 (except Kanga which commences week 2, Sat October 29. Fixtures are available on the PGS website.

Yr 3/4 tennis will commence next Monday, October 24.

Basketball

Games commence Week 2. Check PGS website for game times and opposition or go to wayville.basketball.net.au for fixtures. Singlets will be given out this Friday, Oct 21.

Bill Davis
Long Lunch preparations for this Sunday are in full swing. The tireless Long Lunch Committee and Community Relations team have spent many long hours brainstorming and planning a bumper German themed Pulteneyfest that is not to be missed. And it’s not too late! Tickets will be on sale until this Thursday evening.

[www.trybooking.com/CTIX](http://www.trybooking.com/CTIX)

As always this event would not be possible without our generous food & wine sponsors help, creating the German feast that will leave you rolling with ‘om pa pa’ goodness.

Our special thanks to our very catering sponsors:

- Jarmer’s Kitchen (Chris & Peter Jarmer)
- Bottega Rotolo (Rosalie Hassan)
- Hart of the Barossa (Alissa Hart)
- Wirra Wirra (Andrew Kay)
- Terre a Terre (Lucy & Xavier Bizot)
- Prancing Pony Brewery (Peter Neuhaus)
- Byrne Vineyards (Petria Byrne)
- Adelaide Pavilion (Nick & Tania Mavragelos)
- Romeo's Foodland (Anthony & Maria Romeo)
- Festival City (Don Totino)

The prizes this year are incredible so come prepared for a treat!

- Silent Auction
- Loud Auction
- Nosh & Bubbles Raffle
- Bell & Brunt Raffle

See below for details of the Loud Auction prizes.

Get your bidding buddies together ready for action on the day.

We look forward to seeing you this Sunday!

Mark Bourchier

PULTENEY LONG LUNCH
SUNDAY 23 October 2016

AUCTION DONOR FORM

As you will be aware, this year’s major fundraising event for the School, The Long Lunch, will take place on Sunday 23rd October. We anticipate that up to 550 people will attend the event. The largest fundraiser on the day is our Silent Auction, raising over $45,000 at the last Long Lunch, which is a relatively simple means of generating substantial income for the benefit of our children. I am writing in the hope that your business, or perhaps one that you might frequent, would be able to offer an auction item for The Long Lunch.

From past experience, several categories of auction items have consistently raised significant funds. These categories are:
• Family experiences (such as a family trip to Monarto Zoo, holiday house accommodation).
• High end artwork including glass, ceramics and sculpture.
• Quality educational toys and play equipment and small electrical appliances.
• Fine wine.

Other categories include sporting equipment and memorabilia, jewellery as well as contemporary furniture and lighting. The potential list is limitless!

If you would like to donate an item, or have a suggestion for a potential donation, please complete the form below or alternatively contact the Community Relations Office on 8113 5636. Donations may be dropped in to the School front office.

We sincerely appreciate your support, and if you would like to attend The Long Lunch, please visit www.trybooking.com/CTIX

2 x positions in the Credit Union Christmas Pageant 2016
Commencing from Pulteney Grammar School on South Terrace and weaving around the streets of Adelaide.
A once in a lifetime opportunity!

Donated by: The Pulteney Foundation
Enjoy this elegant 2011 Cabernet Sauvignon Rare 18L Decanter

About the wine...
2011 vintage had above average rainfall during winter, and colder spring soil temperatures contributed to a slow bud burst, delivering shorter shoot growth up to flowering in November. Fruit set was relatively even in all varieties with most fruit presenting high quality varietal characters. Good leaf fruit ratios and slow ripening conditions contributed to ideal flavour development of these wines. Cabernet Sauvignon withstood the difficult season, with accentuated ripening, resulting in low yielding 1.6t per acre early harvest with the fruit exhibiting key Cabernet characteristics of red berries, currant and green peppers. With a much lower Baume than in recent vintages the resultant wine is elegant with fine tannin structure.

Generously Donated by:
