Review weekly
From the Principal
Pulteney Grammar School National Science Winners!

Congratulations to Sophie Radford (11MS), Neha Athreya (11BH) and Daisy Bai (11CN) who have won the National Grand Final of the Royal Australian Chemical Institute Australian National Titration Competition. This is an outstanding achievement.

Pulteney’s second team, including Elias Patrikis (11CN), Douglas Perrott (11MS) and Alexander Young (11BH) finished sixth nationally. Mr David Schultz has been an outstanding support to the teams throughout the competition; his article, with additional details on this wonderful success, appears further on in this publication.

“Ready you are. Powerful you have become.” Yoda

In my Valedictory Address to our Year 12 students last week, I spoke of the importance of being a beacon of inspiration for others. Each individual Year 12 has given of themselves and shared their personal gifts with our school. We are very proud to welcome these valedictorians as our newest Old Scholars and look forward to sharing in their future successes and witnessing their ongoing involvement in the life of our school.

I also take this opportunity to thank all of the parents of our Year 12 students for your wonderful support of our school and for entrusting Pulteney with the gift of educating your children. Teaching young people is a privilege and a joy and it is often during the celebrations of those significant milestones in the lives of our students that this comes very much to the fore.

Student Successes

Jasmin Scuteri-Young (12 KM) has been awarded First Prize in the South Australian division of the International Youth Silent Film Festival for her short film “Movie Night”. Jasmin’s film will be shown at the International Youth Film Festival, to be held in Portland, Oregon, in June next year. Her film also won one of the two “People’s Choice” awards. We congratulate Jasmin on this wonderful achievement.

Brendan Loh (Year 4) recently competed in playoffs to win the number 6 spot in Pulteney’s Drive Tennis Team. He has already achieved fantastic success in games played this season. We are very proud of Brendan’s talent, but, more importantly, we applaud his determination and commitment to giving of his best in our most senior tennis team.

From the Director of Community Relations

An Invitation to join us on Remembrance Day

Pulteney’s observation of Remembrance Day is one of the most moving and significant events in our School calendar. On Friday the 11th at 10.15 am, more than 1200 members of the Pulteney community will gather in the quadrangle to honour all who have served our nation in conflict. We particularly recognise the military service of more than 1000 Old Scholars of Pulteney and Queens. A field of 192 crosses will be installed on the Nicholls Wing lawn on South Terrace. Each cross carries the name of an Old Scholar who paid the supreme sacrifice as a result of conflicts, between the Boer War and Afghanistan. The crosses provide a stark reminder of the impact that war has had on our School.

A highlight of this years’ service, will be the provision of a Catafalque party, by the Royal Australian Air Force Squadrons from RAAF Base, Edinburgh. I extend a warm invitation to parents, grandparents and Old Scholars, to join us for the service and, if you would like, for our Remembrance Day lunch at the Sage Hotel afterwards. The guest speaker at this year’s lunch will be Pulteney parent, Colonel Susan Neuhaus CSC (Ret). We encourage the wearing of decorations and medals by Veterans or next of kin. Should you wish to join us for the lunch please complete the flyer at the end of today’s PRW.

Mark Bourchier
Director of Community Relations

Gay & Georgie
The teaching staff and I are currently undertaking the very difficult task of placing children into classes for the 2017 school year. Parents will be notified by mail before the orientation sessions commence. It is important for parents to trust the professional judgement of the teaching staff who need to consider the needs of the whole cohort, not just individuals. As parents you play a role in being positive with your child when discussing their class for 2017 and having play dates over the holidays to either foster new relationships and/or re-kindle past friendships.

This week I was reading the latest newsletter from ‘Kids Matter’, which has a great article titled ‘Supporting children to develop healthy friendships’. Here are the main points from the article:

• Healthy friendships support students to develop life skills such as turn-taking, acceptance of differences, negotiation of different needs and empathy.

• Healthy friendships comprise of six key factors:
  
  **Equality:** friends can speak openly to each other without being criticised and decisions between friends are done fairly.

  **Mutual respect:** each person is valued and understood; friends do not have to agree on everything though.

  **Good communication:** focuses on talking and listening and listening and talking!

  **Experiencing insight:** telling others how you are feeling is important in a friendship and being able to empathise with others.

  **Separate identities:** important for children to continue to foster their individuality and not change to fit in or be like other children.

  **Support and having fun:** in the good times and in the bad times!

• It is important for adults to model and teach children these key points as children who have healthy friendships in their early years are more likely to have healthy friendships later in life.

• ‘Healthy friendships provide children with a source of social support which can be accessed when children meet stress and challenges’. (McDonald 2016)

In Kurrajong students are taught the Values for Australian Schools, which assists students to be respectful, care for others, to be inclusive and tolerant and socially responsible. Social skills are integrated into the daily operations of classes. Students say “hello” and “thank you”; name emotions to support their feelings and the feelings of others; listen to each other, take turns and learn how to resolve conflict appropriately.

For more information on supporting healthy friendships please click on the link below for further websites:

Head of Kurrajong
National Chemistry Champions

A team of three Pulteney Year 11 Chemistry students have recently been declared the winner in the National Grand Final of The Royal Australian Chemical Institute Australian National Titration Competition. Congratulations to Neha Athreya, Daisy Bai and Sophie Radford on their victory.

This competition is held annually by The Royal Australian Chemical Institute, the professional body for chemistry in Australia. This year it involved approximately 4000 students (1300 teams of 3 students each) from over 600 schools from every Australian state and territory. It was conducted over 3 knockout rounds during terms 2 and 3 where students performed a series of quantitative chemical analyses based around the technique of chemical titration. Teams were required to reach a benchmark accuracy standard in order to progress to the next round where they would attempt a technically more demanding analysis. Teams progressing to the National Grand Final were allowed considerable freedom in designing their own analysis method. 167 teams in total (19 from SA) competed in the Grand Final concurrently in every state capital city on Saturday September 16. SA’s section was conducted at the Adelaide City campus of the University Of South Australia.

Considerable thought, experimentation and practice went into Pulteney’s preparation for the National Grand Final. Many hours of these student’s ‘free’ time at school was used developing and practicing their techniques. The analysis method was carefully chosen for its simplicity and efficiency, with very little compromise for accuracy. On the day, Pulteney’s chosen method worked a treat!

Pulteney’s outstanding success this year adds to its proud and successful tradition in this competition. Pulteney has provided the National Champion Team in 1997, 1999, 2008, 2011 and now 2016.

Pulteney had one other team competing in the National Grand Final. The team of Elias Patrikis, Douglas Perrot and Alexander Young also performed with great distinction finishing 6th outright. Had it not been for the stellar performance of the girls, the boys outstanding result on its own would have been reason enough for considerable recognition and celebration.

David Schultz

Friends of Pulteney

Quad Cafe is back in the Quad this week!

Friends will hold the Quad Cafe in the Quad by Wyatt Hall. Pop in and grab your Friday morning coffee from 8.00am.

AGM 17 November
A big thank you to the Pulteney Community for your keen support of this student wine making group by purchasing all available bottles of this limited release wine. We hope that you enjoy drinking it as much as we enjoyed making it and learning about the science of how it is made.

Orders will be available for collection on Friday 11 November from the Administration Office (8.15am – 4.15pm) on the Ground Floor of Wheaton House. Wine must be collected by a person 18 years +, and will not under any circumstances be supplied to a school student.

David Schultz
Pulteney Wine Makers Coordinator

Middle School Informal

The Middle School is once again holding its Informal on **Friday, November 18, from 7pm-9.30pm in Wyatt Hall**. Letters have been sent to parents regarding this event.

To purchase a ticket students need to pass on their consent form and $10 to the Middle School Leaders who will be visiting Tutor Groups each morning.

We are expecting around 300 Middle School aged students from Pulteney and other Independent schools to attend.

Students are to arrive in smart casual clothes and we ask that parents use their discretion about appropriate clothing for both boys and girls.

There will also be a fundraising element to this year’s Informal with the profits going to a worthy cause, which the Middle School leaders will decide upon.

The Middle School Leaders have planned the event and the recently appointed one ninety leaders have volunteered to be helpers on the evening.

**Parent support of this event is always greatly appreciated.** We are hopeful that many parents will ignore their child’s pleading (for their parents not to attend) and volunteer their time to help us out with supervision. **Help is required** for some or all of the 7-9.30pm time frame and includes outside supervision, distribution of drinks and snacks, hall monitoring and supervision of the cloakroom.

Any Middle School parents willing to offer supervision assistance at the Middle School Informal please contact Mr John McCall by email john.mccall@pulteney.sa.edu.au

Paul Ryan
Head of Middle School
We are fortunate, at short notice, to have the opportunity of having an evening presentation by Dr Tessa Opie from In Your Skin.

On Tuesday 8 November parents of students in Years 6, 7, 8 and 9 will have the opportunity to “up-skill” their knowledge about the current state of play around sexualisation and the media, pornography and other particular issues children may be facing.

At present, young children are often turning to the internet or their peers for answers to questions that are often not answered by their parents or teachers. The information provided can be confusing, confronting and misleading. At the same time, our children are growing up in a hyper-sexualised culture, saturated by explicit and implicit messages about sex and its relationship with self-worth. Through attending this presentation, parents will learn more about the social, emotional, and sexual development of our digital generation.

The evening will begin with drinks and nibbles at 5.30pm in Wyatt Hall and at 6pm Tessa will begin her presentation. Following her presentation Tessa will be happy to answer any questions in regards to this topic.

We look forward to seeing many parents attend this evening.

Guest speaker: Dr Tessa Opie

Tessa takes great pride in providing real and effective relationship-based services, and views the meaningful participation of adults as paramount to the personal, social, and sexual development of young people. She has extensive experience in education delivery and training facilitation. Tessa has worked as an educator across the government, not-for-profit, and private sectors, and has ongoing experience as a guest lecturer at various universities. Tessa has expertise in discussing and exploring sensitive topics with young people in a range of settings, including mainstream schools, alternative education settings, tertiary institutions, juvenile justice facilities, and amateur and professional sporting associations, including the Australian Football League (AFL).

Paul Ryan

Head of Middle School
Pulteney Poets Awarded at the SAETA

Spring Poetry Festival Launch

Congratulations to our seven young poets published in the 2016 SAETA Spring Poetry Festival Anthology!

Pulteney Grammar School again had the honour of holding the Spring Poetry Festival Launch at our school on Saturday October 29, at which seven of our students were presented with a copy of the anthology featuring their own poems.

Run by the South Australian English Teachers Association (SAETA), the highly esteemed competition is held annually and is open to entrants across the state.

This year’s young published poets include:
Nikita Dahm (Year 12) – ‘My Little Time Monster’
Guinevere Martin (Year 11) – ‘The Songs of Silence’
Daniel Calderisi (Year 11) – ‘Humanity and Religion’
Amber Washington (Year 9) – ‘Blood’
Jack Adamson (Year 8) – ‘The Streets Beats’
Mia Paolo (Year 8) – ‘Homeless’
Elizabeth Watts (Year 8) – ‘Paper Lover’

The American poet Walt Whitman once said,
‘To have great poets there must be great audiences’.

It was heartening to see Whitman’s epigrammatic assertion reaffirmed on Saturday, as Wyatt Hall filled to capacity with close to 300 attendees representing schools across South Australia, all there to celebrate the young, published writers.

The launch was hosted by Spring Poetry Co-Editor Paul Bradley, and opened by guest poet Rob Walker. Prizes are sponsored by The English-Speaking Union (SA Branch), Friendly Street poets, the South Australian Writers’ Centre, and local poet Jude Aquilina. Also in attendance to award the prizes were Friendly Street poets Murray Alfredson and Margaret Clark, Susan Errington (SA Writers’ Centre) and Chris Perriam (President of the ESU SA Branch).

A garden lunch followed the occasion, during which attendees had the opportunity to meet and mingle with emerging and established writers.

T.S. Eliot described poetry thus:
‘Genuine poetry can communicate before it is understood’.

Perhaps it is this intangible and nebulous nature of the art form that has perennially perplexed pupils and given it the poor reputation it arguably ill deserves. Or perhaps it is the fear that one must be au fait with phonaesthetics to truly appreciate poetry. As Eliot implies, it speaks to the soul in an elusive language which may be lost in translation if time is not taken to allow the intellect to interpret it.

How encouraging it was then, to see that the judges had quite a challenge selecting the 102 poems featured in the anthology from an overwhelming total of 714 entries this year. As such, a huge congratulations to our published poets and all the students who took the time to embrace a timeless form of expression and submit their poetry for the judging panel’s consideration.

Road Safety – everyone has a part to play

One of the benefits of life at Pulteney Grammar is the city location, however, it also provides its challenges. The School is bounded by two very busy roads, which can become very challenging at certain times of the day.

Roads and vehicles are an everyday part of life for all of us. Either as a driver, a passenger, a cyclist, or as a pedestrian, we all must negotiate the road traffic environment on a daily basis. Children are especially vulnerable around vehicles and roads due to their size and capabilities.

Earlier this year, we have received communication from Adelaide City Council in relation to Road Safety, with the following key messages:

Parking Zones around the school are put in place to ensure pedestrian safety. Children are in particular danger near schools because:

- Their small size makes it hard for drivers to see them between traffic, parked cars, stobie poles and other obstacles.
- They are easily distracted and may not be aware of traffic.
- They may suddenly run onto the road - eg to meet a parent.

Some road rules you particularly need to be aware of are:

- **Do not stop in a NO STOPPING Zone**, even for a few seconds to pick up your child.
- You may stop in a **NO PARKING ZONE** for a few seconds to pick up a child who is waiting nearby. You must not park or leave the vehicle.
- **You must not double park**, or **stop in the line of traffic**, to pick up or drop off a child.
- You **must not stop in a bicycle lane**.
- You must not stop within **20 metres before a crossing or 10 metres after a crossing**.
- **You must not stop within 10 metres of an intersection or junction without traffic lights**.

If you have any enquiries regarding this information please contact Adelaide City Council on 8203 7203.

Adelaide City Council Parking and Information Officers and the Eastern Adelaide Police are aware of these issues and will monitor the situation and deal with breaches accordingly to ensure children's safety, and expiations will be issued to any vehicles contravening these rules. Please be mindful of your own behaviour around schools, whether in relation to where you park or the respect shown to Officers trying to ensure pedestrian safety – you are our children’s greatest role model.

As we are in the final Term for 2016, it is an opportune time to remind ourselves of the opportunities to teach children to become safer road-users.

- Park the car and walk around to the sports ground or school campus, on the way explaining the observations and choices you make to get there safely.
- Talk about the importance of wearing seat belts and insist that everyone in the vehicle wears appropriate restraints for their age and size.
- Point out rules of the road when driving.
- Always demonstrate responsible and safe behaviours when driving, as a passenger or while walking anywhere around vehicles and roads.
- Remember children learn good habits by modelling behaviour from adults.

As mentioned in the title, we all have an important part to play in teaching our children to be safe road users."

Garry Whitelock

*Business Director*
From the Chaplain

What might the relevance of celebrating All Saints Day be today?

We can sometimes struggle to see what it is we need to do to ensure our relationships with other people are life giving. However, as counter cultural and counter intuitive as much of the teaching of Jesus is, there is personal truth to be gleaned from the very act of taking seriously trying to understand what the gospel means for us.

Some Christians talk a lot about Jesus, often leaving out God and the Holy Spirit, and don’t do a great job of actually listening to him, often failing to pay attention to where he is actually leading them. Jesus has a tendency to turn things upside down. All strong thinkers have the power to do this to us if we are truly listening. When we truly listen and reflect, our assumptions about life, relationships and the world, or religion, God and politics should be challenged, even if only by our own thoughts and reflections.

The chapel bible reading this week is this year’s lectionary reading for ‘All Saints Day’ Luke 6:20-3 and it is a challenging text. The title Blessings and Woes, Love for Enemies flags this clearly.

The month of November begins with All Saints Day, which is celebrated all over the world. When we pray the Lord’s Prayer we say,

“For your kingdom come,
Your will be done on earth as in heaven”.

The challenge of the prayer is to allow God to work in us to make it so. Saints are people who do just that. Many of the saints we remember have helped make earth more heavenly by recognising that we can live in God’s kingdom right here and now.

Below I have shared a reflection on the Beatitudes that from the moment I first heard it challenged me to take personal responsibility to more deeply engage with the bible and Jesus’ teaching.

_Blessed are the poor…
_not the penniless but those whose heart is free._

_Blessed are those who mourn…
_Not those who whimper but those who raise their voices._

_Blessed are the meek…
_not the soft but those who are patient and tolerant._

_Blessed are those who hunger and thirst for justice…
_not those who whine but those who struggle._

_Blessed are the merciful…
_not those who forget but those who forgive,_

_Blessed are the pure in heart…
_not those who act like angels but those whose life is transparent._

_Blessed are those who are persecuted for justice…
_not because they suffer but because they love._

Padre Jacob, Compartir Santiago, Chile
Magdalene Centre

The Pulteney Community continues to be generous in its regular contributions. Each year, the Magdalene Centre provides free Christmas food and toys to hundreds of disadvantaged individuals and families. Now is the perfect time to include those items we all enjoy at Christmas.

Food ideas:
- Tinned ham and tuna
- Long life custard
- Coffee, milo and tea
- Cordial and fruit juice
- Canned vegetables
- Canned fruits
- Sweet treats and chocolates
- Breakfast cereals
- Long life milk
- Pasta and pasta sauces
- Spreads & jams
- Sweet and savoury biscuits
- Christmas cakes, fruit mince pies, puddings
- Dried pulses and beans

Gift Ideas:
- Dolls
- Art and craft sets
- Board games
- Football, basketball or soccer balls
- Tennis set
- Cricket set
- Jewellery and accessories
- Lego kits
- Toy cars, planes, trains
- Construction sets
- Tea sets
- Books, CDs, DVDs
- Stationery
- Jigsaws

Many people are including mini toiletries. These are greatly appreciated, especially toothpaste. I know these are a great help and confidence booster to young homeless people getting ready for interviews.

Donations can be brought to the Chapel Foyer. Baskets have been labelled so that we can sort and care for your donations.
Pulteney Advent Christmas Calendar dates

The Advent Term moves very quickly. Below are some diary claimers for Term 4

Community Choir
Kym Wilson will lead us. Rehearsals are in the Theatrette on both Tuesday and Thursday mornings at 7.30 am each week. will begin soon. Members need only attend 1 rehearsal per week.

The piece chosen this year is ‘Gabriel’s Message’, a piece of beautiful music writing. We will be attempting 4 parts. It can be sung acapella or have accompaniment. This is a traditional Basque carol that was transcribed in the late 1800s. It is often sing by cathedral choirs and has also been performed in recent decades by modern artists Madonna and Sting.

St Peter’s Cathedral Carols Service
Friday December 9, 7:00 pm.

Christmas Nativity Service
Saturday December 24, 6:00 pm Chapel of St Augustine, Pulteney

Chaplaincy Contact
I can be contacted at any time, email michael.lane@pulteney.sa.edu.au, phone 8216 5512 / 0434 297 879 or contact the school office
