From the Principal

“Prepare the child for the path…”

Wellbeing in schools can come in all shapes and sizes; it can, and should, affect every aspect of school life. Local, national and international research has confirmed that teachers and schools are among the most significant protective factors for children. Positive school experiences, particularly encouraging and supportive relationships with teachers and adult mentors, make a significant difference.

This does not mean that we protect our children from any and all harms. This is simply impossible. I’ve had a favourite saying for some time now: “Prepare the child for the path, not the path for the child”. I don’t know when or where I came across it but it summarises everything I believe about my purpose as an educator and parent.

The idea that we can map our children’s daily life course and make their path as smooth and trouble free as possible is simply unrealistic and counter-productive to their development. Learning about life’s challenges (large or small) through uncomfortable or difficult experiences encourages children to develop problem solving skills, courage and perseverance – attributes I am sure we want all of our children to have.

For parents, mentors and teachers with the responsibility for supporting the growth and development of children and adolescents, it is reassuring to know that we can and do have a highly significant and positive impact on the social and emotional development of the young people in our care; but we cannot, and should not, protect them fully from adversity. Instead, we can work together to equip our children with the necessary skills to not only survive but thrive in a world full of change.

Winter Intercol

I was very proud of all of our Pulteney Grammar students competing in the Winter Intercol against Scotch College on Saturday 23 August. The Girls Netball and Boys Soccer wins were outstanding, with great skills shown in both games. Whilst our collective teams did not win overall, the students’ perseverance, team spirit and grace in losing and in victory were wonderful to witness.

Anne Dunstan,
Principal

The ‘Navy Blue’ spirit

Pulteney is renowned for its’ sense of community and this is never more evident than when we host our major events.

This Sunday’s Long Lunch will see more than 450 people sit down to a veritable feast, the culmination of months of work by current and past parents, Old Scholars, staff and students alike.

The generosity and enthusiasm of our galloping gastronomes Rosalie Hassan, Chris and Linda Jammer; and Anthony Romeo, is a marvel to behold.

To ensure our thirsts are slaked on the day, current parents Luke and Bec Trotter, Colin Dudley, Michael and Alisa Hart, and Lucy Croser and Xavier Bizot have donated fine wines and other beverages, as have Old Scholars, Nick Whiteway, Randall Tomich and Tim Colling.

Many of you have generously provided items for the Major and Silent Auctions.
Past parent Viv Turner; has sewn 900 velcro tabs onto our chair covers, Teresa Bolto and Amanda Sparks have painstakingly prepared 20 elaborate gift baskets.
Sandy Sexton, Barbara Dudley, Liz Van Den Munckhoff, Marissa Veronese and Jo Bourchier have wrapped 200 odd auction lots, from dawn til dusk.

Jenny March has facilitated the loan of 100 trestle tables, whilst a team of past and current parents spent last Sunday painting sets for the big day. Yet another group will have late nights tomorrow and Friday setting the room and the Community relations team have been marvelous in coordinating this huge event and its’ many helpers and supporters.

To all of these helpers, and indeed to all who have assisted, this endeavor, a very very BIG thank you. Funds raised this Sunday will be directed to the new building program through the auspices of The Pulteney Foundation.

As I’ve observed our helpers rally to the cause over the last six months, it has been very gratifying to watch the ‘Navy Blue’ spirit enhanced, ensuring that the School’s gain is not just financial.

Mark Bourchier,
Director of Community Relations,
Director of The Pulteney Foundation

Winter Intercol 2014

The winter sport season for the majority of PGS teams concluded on the weekend with the annual Winter Intercol against Scotch College.

I would like to congratulate all the students who took part for their endeavour and sportsmanship. In particular, the 1st XI Boy’s Soccer and the Senior A Netball team for exceptional performances that resulted in wins.

The final Intercol results were as follows:

Netball (Senior A) defeated Scotch 52 -39
Soccer (Boys 1st XI) defeated Scotch 5-0
Soccer (Girls 1st XI) lost to Scotch 1-0
Hockey (1st XI Mixed) lost to Scotch 5-0

Go to: www.facebook.com/pulteney and click the like button.
**Basketball (Boys 1st V)** lost to Scotch 75-19

**Football (1st XVIII)** lost to Scotch 25.15 to 3.4

Overall, the Winter Intercol shield finished 4-2 in Scotch’s favour.

I would like to thank all the sports coordinators, coaches and officials whose support and organisation on the day was outstanding and went a long way towards the success of the day.

### Senior Winter Sports Dinner 2013

This year the Senior Winter Sports Dinner was held on 23 August at the Glenelg Surf Life Saving Club. It was a fantastic evening, which celebrated the participation and achievements of our students. I would like to thank current Port Adelaide footballer Jackson Trengove for attending the night as our guest speaker. He gave a valuable insight into the life of a professional sportsman.

I would also like to congratulate the following students who received awards on the evening.

#### Senior A Netball
- Best and Fairest - Sophie Perkins
- Runner-up Best and Fairest - Samantha Simons
- Coach’s Award - Zoe Taylor

#### Senior B Netball
- Best and Fairest - Natasha Holmes
- Runner-up Best and Fairest - Jessica Fielke
- Most Consistent - Phoebe Tubb

#### Senior C Netball
- Best and Fairest - Cartia Borrelli
- Coach’s Award - Alannah Gigney
- Best Team Player - Ellie Hill

#### Senior D Netball
- Best and Fairest - Eliza Marsland
- Coach’s Award - Kate Shepherdson
- Best Team Player - Jess Carver

#### 10A Netball
- Best and Fairest - Victoria Cirocco
- Runner-up Best and Fairest - Kate Pettman
- Coach’s Award - Charlotte Brader

#### 10B Netball
- Best and Fairest - Georgia Natsias
- Runner-up Best and Fairest - Jasmin Scuteri-Young
- Coach’s Award - Alexandra Jocic

**1st XI Hockey**
Best and Fairest - Charlie Fewster
Most Improved - Ben Colley
Best Team Person - Michael Adler

1st V – Basketball
MVP – James Sibly
Runner Up – Will Bourchier
Most Consistent – Matt Nielson
Referee’s Award – Jessica Rule

2nd V - Basketball
MVP – Angus Lumsden
Runner Up – Mia Valk
Most Consistent - Matt Van Der Sommen

3rd V Basketball
MVP – Alex Tynan
Runner Up – Jackson Li
Coach’s Award - Hamish Thomson

4th V Basketball
MVP – Nick Cross
Runner Up – Edward Mader
Most Improved - Lukas Price

1st XVIII Football
Best & Fairest (J Francou medal) – Connor Dudley
Runner Up Best & Fairest – Ben Adams
Best Team Man - Brad Sipek
Most Improved - Sam McGarry
Best First Year Player - Ben Adams
Best First Year Player - Connor Dudley
Coach’s Award - Sam Thornton
Brown Trophy – Harry Lumsden

2nd XVIII Football
Best & Fairest - Henry Saxon
Runner-Up B&F - Matthew Nielsen
Best Team Man - Daniel Barnett
Most Improved - Joel Case
Coach’s Award - Jacob Otto

Soccer Boys First XI
MVP: James Cartwright
Most Improved: Calvin Heath
Coaches Award: Photi Karagiannis

Soccer Boys Second XI
MVP: Jake Nayler
Most Improved: Max Amey
Coaches Award: Athan Zagotsis
Soccer Boys Third XI
MVP: Sam Chapman or William Foster-Hall
Most Improved: Cael Keenan
Coaches Award: George Patrikis

Soccer Girls First XI
MVP: Imogen Loftes
Most Improved: Sophie Rawson
Coaches Award: Ruby Trynovsky

Soccer Girls Second XI
MVP: Emma Henshall
Most Improved: Claire Churchill
Coaches Award: Sarah Giles

Term 4 Summer Sport
Now that the winter sport season has concluded for most teams, we turn our attention to the Term 4 summer sport season. Training for all teams will commence in the last few weeks of Term 3. Students are reminded to listen carefully to the notices in the daily bulletin, as all information regarding training will be published via the bulletin.

Nik Sacoutis,
Head of Sport
To view the Blues News for Season 2014, connect to the Pulteney Web Site and click on the “Our School” menu heading; then follow the menu items “Our School” to “News & Publications”, and then click on the sub-menu item “Publications” and you will be able to view the current and past editions of the Blues News there.

So spread the word - get all your family and friends onto the 2014 Blues News!

SA Schools Orienteering Championships

Pulteney entered students into the event held at Belair National Park on 4 August. Most of the students who represented the school are completing an outdoor education course at year 10 or 11 level.

The results of certificate winners are:
1st W Open B – Sophie Rawson
2nd W 16 B – Jackie van Renen
2nd W 15 B – Lucy Sara
3rd M 16 B – Angus Sexton
3rd M 15 B – Tobias Genborg

Gold medal winner!
1st W 16 A – Charlotte Brader in a time of 38.51 mins, way ahead of her nearest opponent!
Charlotte has represented SA at the National Schools orienteering events, hopefully she will continue that tradition this year.

Well done to all who took part and had a go; Simon Huynh, Adam van den Munckhof, Josh Wills, and Maritsa Coumi must be congratulated.

Richard Woolford,
Teacher (PE, OEd, Maths)

Pulteney @ the GOV

An amazing night was had by all, both patrons and performers, at our annual Pulteney @ the Gov Night, held at the Governor Hindmarsh Hotel.

The room was packed to capacity, with parents, friends and students enjoying the relaxed atmosphere. After a brief introduction from hosts Imogen Loftes and Nick Winter, the evening of music kicked off with our dynamic Drum Corps.

Ensembles from the Year 10 and 11 music classes performed songs from Crowded House to the Four Preps, with a brilliant, professional sounding backing. Highlights included the rap by Willand Huynh from the song, “New York State of Mind”, the Year 10 “Blues Brothers” mega mix, as well as an incredible performance of Christina Aguilera’s “Ain’t no other man.”
The major ensembles performed with an exciting sound and great musicianship. Jazz on the Terrace, with their tight vocal harmonies, sang such classics as “Smoke Gets in Your Eyes” to the Cole Porter classic, “Let’s Face the Music and Dance”. The Stage Band once again entertained with dazzling technical playing, with Charlie Parker’s “Ornithology” and songs to really tap your feet to, including the perennial favourite, “Love is in the Air” and Stevie Wonder classic, “I Wish” with the always very entertaining, Nick Winter, on vocals. The Grammarphones choir was not to be outclassed with three wonderful upbeat songs including the rock anthem, “Ain’t No Mountain High Enough”, and the popular “Happy” song by Pharrell Williams, as well as a very clever and funny “Syncopated Clock”. The night also featured our Concert Band with vocalist, Imogen Loftes, singing some of the repertoire we presented in Sydney, including an Adele medley with towering vocals, and the sensitive, “I Dreamed a Dream” from Les Miserables. The band also presented a tribute piece to our service men and women in the “Dambusters March” evoking great pride and reverence.

The Friends of Music continued their outstanding work in hosting the event, conducting a brilliant and highly entertaining raffle, hosted by Emily Johnson and Nick Winter. The night was a wonderful success.

I would like to thank our wonderful teachers who performed and helped on the day: Mark Bourchier, Bob Gigney, Kym Wilson, Ruth Howley, Sue Mears, Paul Jankovic, Frank Fragomeni and Laura vom Berg. I would also like to thank the management from the Gov Hotel for their beautiful hospitality, sponsorship and help and the amazing parents who also helped with the pack down.

Make sure you book early next year for the return concert!
Band and Orchestra festival Success

What a wonderful week of music-making we have had in the past week at the SA School Band and Orchestra Festival! With performances from all the top music programs in South Australian schools, the festival was a total immersion in musicianship and culture.

We had five ensembles participate this year with wonderful results across all areas. With very young ensembles compared to other larger programs, Pulteney once again impressed the adjudicators. One comment from the chief adjudicator was that “there is really something great happening at Pulteney in music right now!” With comments like this, one can see how the String Ensemble won their section as well as the Training Band. This was a brilliant effort and a compliment to the students in both ensembles and their directors, Mrs Howley and Ms Beaston. Last year, the Concert Band won the section and moved up to the advanced category, coming 4th out of eight advanced schools and gaining a silver award. The Stage Band played an amazing program of bebop and swing jazz against a very strong field of players gaining a bronze. To top off a terrific week, our percussion ensembles both just missed placing top, with two silvers awarded in the drum corps and tuned percussion section. Pulteney once again is making a high mark in the musical fraternity of Adelaide colleges and schools.

I would like to take this opportunity to say how proud I was of all the music students’ efforts in the championship. I would also like to thank the directors of all the ensembles: Dr Parnell, Mr Fragomeni, Mrs Howley and Ms Beaston, for their professionalism and time in getting the ensembles to fantastic standards of performance, and Ali O’Connell for coordinating all the logistics of the week.

Glen Mears,
Head of Music

Rowing

Parents of students who have nominated to row in Term 4 are invited to an Information Evening on Thursday 4 September in Wyatt Hall at 6:30pm. This will be an opportunity to meet the coaches and to hear of their plans for the season ahead. If you have any queries or would like further information, please contact Richard Sexton richard.sexton@pulteney.sa.edu.au.
Wellbeing

“THE REAL GAME”

This semester, during Wellbeing lessons, all Year 7 students have been participating in “The Real Game”, an innovative, interactive and experiential careers program that enables students to explore many aspects of life in the 21st Century.

During the “The Real Game”, students explore many different aspects of life as an adult, including careers, budgets, time management, goal setting and work-life balance.

Participating in The Real Game allows students to:

• Assume an adult work role and explore aspects of adult life in a safe, supportive environment
• Realise the importance of mastering essential workplace skills, knowledge and attitudes
• Understand the value of all work and the importance of ongoing education, teamwork, and positive attitudes
• Learn how school courses are relevant to future life and work roles

Through the ‘game’, students are encouraged to develop positive attitudes toward the future that can help them to shape the lives they want to live. The Real Game program is designed to introduce a wide range of available occupations and give students career exploration skills, not to direct them to particular occupations.

Later in the year, it is hoped that the students will be involved in a ‘Careers Exhibition’, where they will be able to present the information and knowledge they have gained throughout the program to each other, their parents and the wider community. It is also hoped that we might organise some guest speakers to come and share their ‘career stories’ with the students. If you would like to be involved in this, please let us know.

The following is a reflection on “The Real Game” so far by Olivia Cameron (8MS):

This term, during Year 7 Wellbeing lessons, we have been doing “The Real Game.” The Real Game gives us an insight into real adult life and teaches us that we can’t have the best car or biggest house, and we have to spend inside our income.

Throughout the real game we have to choose which house, car, leisure items and hobbies we can have and afford, find out what job we’ve been assigned and complete a day in our working life, complete an interview about the working world, and make a resumé.

In The Real Game I’m a restaurant manager who earns $3,300 per month, with a part-time job as waiter and 4 weeks of vacation per year. We each have a wish list, which contains what house, car, luxury items and hobbies we have. The first time I did my wish list I put down the nicest car and the biggest house along with many other luxury items. Then we had to do the reality check where we had to see if we could afford our wish list with our budgets. My wish list was way too expensive
for my budget so I had to make some major cut backs to my expenses. I'm quite enjoying The Real Game, and I'm learning a lot about the real world and how you can't have the best of everything. I think I'm going to be thankful for The Real Game later in life when I go to University and get a job.

Jodi Petherick,
Assistant Head of Middle School

Careers Corner

Congratulations to Joshua Kurpita – 2013 Australian Vocational Student Prize

Recently we were informed that Joshua has been awarded one of the 2013 Australian Vocational Student Prizes, a prestigious award, celebrating the achievements of young people who choose to study Vocational Educational and Training (VET) in schools. While completing his education at Pulteney, Joshua studied a Certificate II in Electro-technology as part of his Year 11 and 12 SACE studies, to allow him to begin his career journey as an Electrician. It was Joshua's exceptional attitude, work ethic and skill that were displayed during his VET studies that inspired the school to nominate him for such an award. While studying his VET course, Joshua also managed to achieve a 'Most Improved' certificate for his school studies, took part in co-curricular activities for the school, held down a part-time job, completed his Bronze Duke of Edinburgh award and carried out his role of Cawthorne-Nicholls House Captain. Joshua was an outstanding young man, who was able to benefit from the inclusion of vocational learning as part of his senior school studies.

Below is an extract from Joshua's 'Australian Student Vocational Prize' application:

“Enrolling in a VET in Schools program was suggested to me by my career counselor when selecting Year 11 subjects, as I've wanted to be an electrician for as long as I can remember; playing around with projects at home with my Dad for many years. The VET course was a great introduction to the world of Electronics. Combining this with school studies worked really well, reinforcing my choice to pursue a career as an Electrician. At the end of my first year, I received the Outstanding Student Award and I was really excited about continuing the course to complete my Certificate II the following year. It has given me great practical and theoretical experience, exposure to the work force and a chance to excel in front of my peers, which has been great for my confidence. Whilst completing work experience, I worked with Marc. He was so impressed with my work ethic, the initiative I showed and my interaction with clients, that he offered me an apprenticeship, which I will begin next year. Missing a day of school each week to study meant I needed to be really organised: rescheduling missed lessons, meeting with teachers to catch up on work and prioritising my workload. Whilst challenging at times, it has made me more independent and has taught me some great ‘life lessons’. This year I have been a Year 12 leader; which has meant engaging and interacting with younger students, whilst being a role model. I have captained the A grade volleyball team, been in the First XVIII football team, and outside of school, I work part time. I'm really excited about next year and building on this foundation.”

Congratulations Joshua on your outstanding achievements! This award is a fabulous outcome for you, and is deserved recognition of your terrific work in your area of interest.

Since leaving school, Joshua has taken up an apprenticeship as an Electrician.
VET (Vocational Education and Training) Courses

Students studying in one ninety at Pulteney are able to access VET courses to study as part of their SACE. Students can choose a VET course to begin a vocational pathway, for example as a plumber, electrician or hairdresser, or as a ‘taster’ course, to explore possible career opportunities, like architectural drafting or fashion design. VET courses can run during school hours, or after school, and offer students a great opportunity to develop practical skills and learn in a different environment. In addition to SACE credits, students studying a VET course will also receive a nationally recognised qualification. There is a huge range of VET courses available for students to choose from. If your child is interested in exploring VET as an option, more information is available at http://training.vetnetwork.org.au or contact me at the school.

Year 12 SATAC applications

The Year 12 SATAC application process is now open for 2015 University study. Year 12 students have until Tuesday 30 September to register their intention to put in an application, without incurring a late fee of $105.00. My advice to students who are unsure of their career preferences, is to log on to www.satac.edu.au and add a generalist degree by Tuesday 30 September. They then have until January 5 2015 to add any other preferences they might be interested in studying or change the order of their preferences. This way they avoid the late fee and also give themselves time to ‘nut out’ their preferred pathway. I am certainly available to assist students (and parents) with this process, although the students will need to do the ‘soul searching’ and ‘decision making’ in relation to their future careers!

Changes to University Bonus Points Scheme - 2016 entry

The three SA universities are replacing all current equity and subject bonus point schemes with two new bonus schemes. The new schemes will come into operation for students studying Year 12 in 2015, who apply for entry to studies commencing in the 2016 university academic year. For specific information about the changes, go to http://www.satac.edu.au/documents/factsheet_sacentcet_saunisbonuspoints.pdf

Automotive Career Expo – Friday August 29

Students interested in a career in the Automotive Industry are invited to attend the Motor Trade Association (MTA) career expo on Friday 29 August, at 3 Frederick Road, Royal Park,
where they will learn about possible career areas including light and heavy vehicle automotive technicians, body repair technicians, refinishing technicians and much more. For further information, go to [www.mta-sa.asn.au/apprenticeships](http://www.mta-sa.asn.au/apprenticeships) or to book to attend, contact MTA on 8241 0522.

**Electrical and Electronic Engineering Careers Night – Wednesday September 3**

The University of Adelaide’s School of Electrical and Electronic Engineering is hosting a special information evening to inform Year 10 – 12 high school students, and their parents about studying Electrical and Electronic Engineering at the University of Adelaide and the range of specialisations available. This evening will be held on Wednesday 3 September, at 5:30pm (6pm start) – 7:30pm in the Napier Building at The University of Adelaide - North Terrace Campus. There is no cost to attend 6th event but online registration is required at [https://www.eventbrite.com.au/e/electrical-and-electronic-engineering-careers-night-tickets-12426928277?utm_campaign=order-confirm&ref=eeemailordconf&utm_medium=email&utm_source=eb_email&utm_term=eventname](https://www.eventbrite.com.au/e/electrical-and-electronic-engineering-careers-night-tickets-12426928277?utm_campaign=order-confirm&ref=eeemailordconf&utm_medium=email&utm_source=eb_email&utm_term=eventname). Current tertiary students, recent graduates and industry representatives will share their experiences and discuss career opportunities for electrical and electronic engineers. University of Adelaide staff will also be on hand to answer questions about degree entry requirements and study options.

**‘Work and Study in Canada’ Information night – Wednesday September 24**

For students and parents who want to find out about the many opportunities available to study and work in Canada, an information evening is being held on Wednesday 24 September in the Piper Pavilion at Prince Alfred College. The Canadian Consulate will present throughout the evening. For further information, please contact Monica Magann on 8334 1243 or email on mmagann@pac.edu.au. Bookings are required and can be made at [http://www.trybooking.com/99551](http://www.trybooking.com/99551).

**University of SA career events**

The University of SA hosts a number of valuable career and course related events to help students plan for their future. Suitable for students from years 10 to 12 (and parents/guardians), these sessions provide a valuable insight into what students have to study and potential employment opportunities. While these sessions are being conducted by the University of South Australia, a lot of the information gained can also be applicable to any other similar course at another institution. For details (and registration) on the range information sessions, go to [www.unisa.edu.au/infosessions](http://www.unisa.edu.au/infosessions)

**University of Melbourne**

The University has a range of courses for high achieving Year 12 students called the Chancellor’s Scholars’ Programs. Students selected into one of these degrees will receive a Melbourne National Scholarship, providing, HECS exempt Commonwealth Supported Place (CSP), an annual allowance of $5000 or for interstate students an annual allowance of $10,000 and one return flight home. In addition, students will be guaranteed access to an internship and academic enhancement opportunities. To be considered, students are required to achieve an ATAR of 99.90 or above and must have satisfied the undergraduate course prerequisites. Students with an ATAR below 99.90 may be considered depending on demand. For further information, contact the University on 1800 801 662, [www.futurestudents.unimelb.edu.au/contact](http://www.futurestudents.unimelb.edu.au/contact) or [http://futurestudents.unimelb.edu.au/admissions/entry-requirements/chancellors-scholars-programs](http://futurestudents.unimelb.edu.au/admissions/entry-requirements/chancellors-scholars-programs)

**Defence University Sponsorship**
The Defence University Sponsorship program is for students who are studying a health or engineering course at an Australian university. The Defence University Sponsorship provides a range of benefits such as a salary while studying, remaining HELP and student fees paid, and many other benefits. For more details of the program, go to [http://www.defencejobs.gov.au/education/universitysponsorship/](http://www.defencejobs.gov.au/education/universitysponsorship/)

**Gap Medics Australia**

If students are thinking of applying to study medicine in the near future and want to get some real world experience in the industry, then they may like to explore ‘Gap Medics’ as a possibility. From 7 December 2014 until 7 February 2015, students are invited to attend 2 week placements, where they will have weekdays immersed in a working hospital environment learning from mentoring Doctors and Specialists as they go about their usual work in hospitals in Tanzania or Thailand. Evenings and weekends are free for students to get to know their fellow students and enjoy the facilities at the Gap Medics student house. There is also time on weekends to explore the local culture and see the sites. For further information, go to [http://www.gapmedics.com.au/blog/2014/07/08/australian-summer-special-2015](http://www.gapmedics.com.au/blog/2014/07/08/australian-summer-special-2015) to learn more about the programs. In order to get further insights into the program, click on [https://www.youtube.com/watch?v=aRP10vAOwU&index=1&list=PLTe1jACj8V0s2zSiZycvDla2z0XHEY2Dn](https://www.youtube.com/watch?v=aRP10vAOwU&index=1&list=PLTe1jACj8V0s2zSiZycvDla2z0XHEY2Dn) to see a video made by an Australian student.

**Results**

**Hockey**

*Middle School* lost to Scotch 2-6  
*1st XI* lost to Scotch 0-5

**Netball**

*7A* lost to Scotch 7A 20 - 36  
Best Players: Maddy Ashby, Elyce Borrelli, Camryn Dudley, Maddi Woolley

*7B* lost to Scotch 7B 15 - 34  
Best Players: Olivia Cameron, Lucy Johnson, Maddy Castro

*7C* lost to Scotch 7C 3 – 13
All played really well. Special mention to Elise Poynter, Shelby Gilsmore.

8A defeated Scotch 8A 42 - 23
A great team effort.

8B defeated Scotch 8B 29 - 12
All played very well.

8C defeated St Peters C 15 - 4
Best Players: Issy Pitt, Nora Markov, India Western

9A defeated Scotch 9A 42 - 20
Best Players: Emily Conroy, Kate Barnett, Neha Athreya

9B defeated Scotch 9B 25 - 12
Best Players: Millie Hanlon, Aliyah Balacano, Zoe Denton

10A defeated Walford 10A 62 - 13
Best Players: Maritsa Coumi, Ella Whiltshire

10B lost to Walford 10B 21 - 30
Best Players: Georgia Natsias, Annie Kirchner

Senior A defeated Scotch A 52 - 39
Outstanding team effort! Special mention to Izzy Madsen.

Senior B lost to Scotch B 33 - 40
Best Players: Jess Fielke, Natasha Holmes, Phoebe Tubb

Senior C defeated Scotch C 20 - 17
Best Players: Cartia Borrelli, Alannah Gigney

Senior D lost to Scotch D 29 - 33
Best Players: Ruby Flowers, Katherine Blunt

Debating
The Debating season has finished for the Senior School. I congratulate all the teams that have reached the finals and wish them all the best.

Below are the results for the last rounds of the season. The school name that is first was the affirmative team for the debate. The team's name that is in bold won the debate.

Justin Putland,
Debating Coordinator

Year 7/8 Team
Round 3
Pulteney Grammar School Blue 8 v Rostrevor College White 8
Topic: That vaccination of children should be compulsory.

Round 4
Seaton High School Blue 8 v Pulteney Grammar School Blue 8
Topic: That special needs students should have their own class.

Round 5
Pulteney Grammar School Blue 8 v Glenunga International High School Yellow 8
Topic: That young job seekers should be restricted in how they use their dole payments.

Year 9
Pulteney Grammar School Yellow 9
Round 3
Pulteney Grammar School Yellow 9 v St Mary's College Blue 9
Topic: That Hogwarts is an ideal school.
Round 4
Marryatville High School Blue 9 v Pulteney Grammar School Yellow 9

Topic: That ANZAC Day is best forgotten.
Round 5
St John's Grammar School Blue 9 v Pulteney Grammar School Yellow 9

Topic: That Australian mothers should be more like “tiger mums”.

Pulteney Grammar School Blue 9
Round 3
Pulteney Grammar School Blue 9 v Christian Brothers College Purple 9

Topic: That Hogwarts is an ideal school.
Round 4
Pembroke School Red 9 v Pulteney Grammar School Blue 9

Topic: That ANZAC Day is best forgotten.
Round 5
Pembroke School Blue 9 v Pulteney Grammar School Blue 9

Topic: That Australian mothers should be more like “tiger mums”.

Year 10
Pulteney Grammar School Blue 10
Round 3
Pulteney Grammar School Blue 10 v Unley High School Blue 10

Topic: That transracial adoption should be embraced.
Round 4
Glenunga International High School Red 10 v Pulteney Grammar School Blue 10

Topic: That Scotland should be an independent country.
Round 5
Unley High School Blue 10 v Pulteney Grammar School Blue 10

Topic: Short Prep Debate

Senior Teams
Pulteney Grammar School White S
Round 3
Pulteney Grammar School White S v Glenunga International High School Green S

3rd V lost to Scotch College 55-30
4th V defeated Scotch College via defeat

Middles

A’s defeated Scotch College 70-24
B’s defeated Scotch College 58-29
C’s defeated Scotch College 51-11

Soccer

First XI defeated Scotch College 5 – 1
Goal Scorer: Apo Stamatelopoulos 2, Nathan Reade 2. Dom Talladira 1
Best Players: Dion Vithoulkas, Luis Wiltshire, Nathan Reade

The Intercol against Scotch College was by far our best game of the season, not because of the score line but in the manner of how the players conducted themselves and how they stuck to our structure and game plan. The entire squad was switched on from the very beginning and it was a pleasure to sit back and watch. Some of our movement with the ball and without the ball was outstanding.

I wish the year 12’s all the very best for their upcoming exams and for future prospects. To the rest of the players; have a great end of year and we will see all players ready to go for season 2015.

Second XI drew with Scotch College 2 – 2
Goal Scorers: Alex Tynan, Jiung Kim
Best Players: Jake Nayler, Jake Cooke-Tilley, Alex Tynan

The team played very well, and were the dominant team for 60-70 minutes. Some decisions went against us, with two goals disallowed. The passing and ball control shown by the boys was pleasing to finish the season on.

**Middle A** lost to Scotch College 0 – 2

Best players: a great team effort.

Anytime a team is 1-nil down in the first minute against a substantially physically larger team there is the potential they will be completely dominated and destroyed. However, after giving up an early goal Pulteney took the game to Scotch and although both teams had numerous opportunities to score Pulteney were desperately unlucky not to equalise. Quality passing and support play meant Scotch were often chasing the ball and our players. Constant pressing forwards towards the end of the game in search for the equaliser committed players into attack and Scotch caught us on the break to score a second with a few minutes to go. Still Pulteney persisted and with a couple of attacks into the box had opportunities to level the game. Super effort.

**Middle B** lost to Scotch College 0 – 5

Best players: Alex Young, Luka Amorico, Alistair Porter

Unfortunately we had a slow start to the game and weren’t switch on. We conceded goals early and despite many attacks forward in the second half, couldn’t convert. A strong end to the season.

**Year 7** defeated Scotch College 6 – 3

Goal Scorers: Jake Reedman 3, Seth Dolphin 1, Hugh Brunning 1, Alex Misfud

Best players: Seth Dolphin, Jake Reedman, Jasper Cundell

A great win for the boys!

**Girls First XI** lost to Scotch College 0 – 1

Best Players: Ella Wiltshire, Imogen Loftes, Mia Pazios

A disappointing loss to Scotch in the biggest game of the season. Unfortunately one of the two shots they had on goal hit the back of the net, and the multiple shots we had couldn’t. The girls pressed hard forward in the second half, passing the ball around very well without reward. A good game to watch despite the result.

**Girls Second XI** lost to Scotch College 0 - 1

Best players: Emma Henshall, Lillie Bailey, Georgia Zuill

The girls didn’t play to the best of their ability in a crunch game. Without our starting keeper and against stronger opposition, the odds were stacked against us. The girls battled hard and were competitive throughout the game, we even had the chance to level at times. Everyone tried hard until the final whistle.

**Girls Middle A** defeated St Peter’s College 3 – 0

Goal scorers: Imogen Evans, Sophie Zuill and Aliyah Balacano.

Best players: Aliyah Balacano, Pippa Adkins, Sophie Zuill.

Well played girls for a win. Thanks to the girls that helped to fill in.
Girls Middle B defeated Scotch College 2 - 0

Goal Scorers: Luana Nichinonni, Shona Heath
Best players: Shona Heath, Emily Wilson, Grace Bourke

With the girls playing against a team above their standard, they did an excellent job and played one of their best games of the season. Managing to score 2 goals and dominating the field keeping the ball in the attacking half.

As road users, we are the role models for the next generation of drivers and must continue the vital process of road safety education. As parents, who take on the home role of ‘driving instructor’, it is never too early or too late to be informed about this important topic.

Road crashes are one of the main causes of death of 16–24 year olds throughout Australia.

We wish to invite you to the ‘Supervise to Survive’ session at Adelaide BMW. The session will focus on our role as responsible drivers and road users and help you to be part of a program that will create a safer generation of new drivers. It will also put you in the best possible position to help your child be safe on the road.

The session will initially focus on theory after which you will have the opportunity to join one of our driving instructors in a vehicle to learn practical driving techniques on the road such as forward planning, driving systems and teaching tips. Darren Davis, Save a Life Australia, will be bringing his experienced team to work with you on the day which comprise of some of the best instructors in the business.

“The benefits to all communities are far reaching. We believe that we really can start to make a difference to how all future and current drivers behave on our roads.”

Darren Davis, Save a Life Australia

- Date – Saturday 13th September
- Time – 11am or 1pm (goes for 2 ½ hours)

If you would like to attend, please email the following to: adelaide.crm@bigpond.com

- Subject Line of email – Name of your School / Organisation
- Names of people attending
- Would you like to participate in the practical session with a driving instructor? Yes / No
