Developing a Professional Learning Community

Teaching is a dynamic profession and teachers must continually refine their conceptual and pedagogical skills. In-depth knowledge of subject content is of little use if teachers are not expert practitioners in creating learning experiences and environments that engage students and optimise learning.

At Pulteney, our staff are engaged in professional learning on an ongoing basis. In most cases, this learning is school and team based; sometimes, staff attend sessions offsite, if the course or focus can be directly linked back to our school’s Vision for Learning. Research shows that one-off events usually do not appreciably enhance the learning of teachers or their students. In contrast, engaging in professional discourse, drawing on external ideas and research to inform thinking and actions and facilitating opportunities for staff to learn from each other on a daily basis are far more impactful.

In the Professional Learning Days at the start of each term and also in the range of sub-school and faculty meetings throughout the year to date, all of our staff have been working to collaboratively develop and refine our Vision for Learning: a statement of the attributes we value in all learners in our school – our students, ourselves and our community members.

Our Vision for Learning

To inspire, challenge and empower each other to foster:

Learning Excellence

Creative, critical and independent thinkers who are reflective, intellectually curious and passionate about learning and teaching.

Wellbeing

Empathetic, confident and resilient individuals, who balance the intellectual, physical, emotional and spiritual aspects of their lives.

Relationships

Authentic, articulate communicators who engage with issues and ideas that have local and global significance.

Service

Ethical and compassionate contributors who act with integrity and dignity and have respect for diversity.
**Team Work**

Courageous, collaborative team members who are responsive, community-minded leaders.

This explicit vision statement identifies our key goals and informs our teaching and learning practice. Over the next two years and beyond, all of our professional learning will revolve around the ways in which we bring this vision to life.

**Staff News**

Mr Jonathan Harding has been appointed to the position of Acting Head of Middle School commencing 7 August 2014 for a period of approximately six weeks while Paul Ryan is absent on sick leave. I thank Jon in advance for the work he will undertake in this acting capacity.

Anne Dunstan,
Principal

**From the Head of Prep School**

**Welcome**

A warm welcome is extended to Tom and Abbie Lewis and their family as they join the Pulteney community this term. These children are a welcome addition to the Prep School and we wish them well on their learning journey through Pulteney Grammar.

**Values and Ethics - Theme Term 3**

The Prep School has chosen ‘Responsibility, Honesty and Trust’ as the theme for Term 3. In planning for the introduction of this theme staff have considered the Ethical understanding capability from the Australian curriculum and aspects of the National Framework for Values Education in Australian Schools DEEWR 2005.

Integrated into all key-learning areas, classroom teachers will explore the following concepts with their students:

- Always take responsibility for your actions
- Be honest and sincere in all that you say and do
- The importance of telling the truth
- Resolving differences in constructive, non violent, peaceful ways
- Contributing to society
- Taking care of the environment

‘Responsibility, Honesty and Trust’ are important concepts that the children need to fully understand as they grow and mature during the Primary years. Thus, all students in the Prep will be encouraged to either take on, or further develop, a role of responsibility within the home environment this term. They will also be involved in activities and games in class that highlight the importance of being both trustworthy and honest in all interactions with others.

This theme will also be incorporated into the ‘Habits of Mind’ concepts that are being introduced at all year levels in the Prep School this term.

---

**Diary Dates**

8 Aug Friends of Pulteney meeting
22 Aug Venture Club Meeting (Theatrette)
23 Aug Winter Intercol
23 Aug Winter Sports Dinner
25 Aug Paul Dillon (Year 1 - 12) Drug education
25 Aug Life Education Middle School
27 Aug Senior School Principal’s Tour
28 Aug Junior School Principal’s Tour
28 Aug Parent Night (11/12 in 2015
31 Aug The Long Lunch
1 Sep ELC Parent Teacher sharing sessions
1 Sep Prep School - Parent Teacher interviews
2 Sep Senior School Parent Teacher interviews
3 Sep “The Terrible Infants”, Yr 12 Drama Production
8 Sep Prep School Parent Teacher Interviews (2nd week)
8 Sep Sports Photos
9 Sep Mentors Breakfast
9 Sep Senior School Parent Teacher interviews
11 Sep Australian Intermediate Maths Olympiad
12 Sep Close of Marks Period (Senior School)
13 Sep Pulteney Orienteering Challenge (Mt Crawford Forest)
14 Sep Australian Army Band
15 Sep to Friday 19 Sep City Week
20 Sep Proposed Nepal Trip
21 Sep Trip to JAPAN
22 Sep School Production Pirates of Penzance
23 Sep City Week Expo (Middle School)
29 Sep Term ends
The four ‘Habits of Mind’ that the children will be encouraged to explore in class in Term 3 are:

- Persisting
- Applying Past Knowledge to New Situations
- Thinking and Communicating with Clarity and Precision
- Learning Continuously

I encourage all parents to take the opportunity to discuss the theme of ‘Responsibility, Honesty and Trust’ and the ‘Habits of Mind’ with your children to help further their understanding and appreciation of these concepts.

Leadership

I wish to congratulate the Semester 1 Student Representative Council members and the Year 5 Assistant House Leaders for the roles they played in the Prep School during the first semester of the year. They approached their leadership roles very responsibly and are to be commended for this. The following leaders for Semester 2 will be presented with their badges on Wednesday 6 August and I look forward to working closely with them this semester.

House Leaders: Semester 2 - Year 5

| Moore Sunter          | Maeve Edwards | Angus Winter |
| Bleby Howard         | Rory O’Callaghan | Lili Keene |
| Kennion Miller       | Katherine Baigent | Piero Jaksa |
| Cawthorne Nicholls   | Declan Bell   | Ellie Georgaris |

Student Representative Councillors: Semester 2

- 3O Ariel Boyce
- 3O Charlie Brennen
- 3K Nikolas Mavrogiannis
- 3K Molly Martin
- 3S Olivia Cardillo
- 3S Reilly Magazin
- 4L Olivia Baker
- 4L Philip Chjou
- 4M Laura Fitzpatrick
- 4M Christos Michaels
- 5A Ereni Vithoulkas
- 5A Liam Munir
- 5M Rose Herriot
- 5M Jeremy Ninio
- 5D Stephanie Mifsud
- 5D Yorke Bodecott
- 6C Aidan Rowett
- 6C Marc Ducaj
- 6M Donna Albertini
- 6M Hamish Pattison
- 6V Julia Pouentitis

Tournament of Minds

We congratulate the following students who have been chosen to represent the Prep School in the Tournament of Minds Competition for 2014.

Buzz Books

Log on to the Community Portal for buzz books here: https://commportal.pulteneyesa.edu.au/

Quad Café

All are welcome to join The Friends of Pulteney at The Quad Café. Don’t forget to pop in for an organic coffee, homemade cookies and chat. Part proceeds from sales will go to the Friends of Pulteney.

Coffee Cards - don’t forget your coffee card! Come and get your 5th coffee free available
These children will be very busy in the coming weeks as they work with Mrs Mavropoulos to write their own plays, create their costumes and props, and prepare to perform their challenge solutions on Tournament Day at Flinders University on September 14. We wish them the best of luck and thank Mrs Mavropoulos for her guidance and support in the lead up to the competition.

**Life Education Program**

During the first three weeks of Term 3 the children in Years 3 to 6 have been participating in the Life Education program run by Life Education SA. The teaching staff from Life Education SA are always popular with the children. They use a range of visual teaching mediums to guide classes through aspects of the Health curriculum. The children particularly enjoy learning from the entertaining puppet ‘Healthy Harold’. Each session provides classroom teachers with further stimulus for engaging the children in the Health program for the term.

The following concepts will be covered at each year level:

**Year 3 - Harold’s Diary**

- Bullying
- Expressing emotion
- Developing coping strategies and support networks
- Healthy food choices
- Active lifestyles
- Defining a drug
- Safety with medicines

**Year 4: bCyberwise**

- Building positive relationships with online and offline friends
- Safe and respectful behaviour online
- Responsible behaviours when using communication technology
- Strategies for keeping personal information safe online
- Strategies to deal with face to face and cyber bullying
- Exploring the role of a ‘bystander’

**Year 5: It’s Your Call**

- The definition of a drug
- Legal drugs (e.g. alcohol, caffeine, nicotine and medicines) have varying degrees of risk
- The level of risk is defined by the relationship between the person, the drug and the environment
- Description of behaviours that can risk the safety of self and others
- Exploration of S.E.A.R.C.H. as a problem solving model

**Year 6: Think Twice**
• Recognising alcohol is a legal drug but there are laws controlling its purchase
• Recognising that alcohol passes through and affects body systems, sometimes changing behaviour
• Examining both the short and long term health consequences associated with alcohol misuse
• Recognising the level of risk is defined by the relationship between the environment, the drug and the person

National Science Week

‘Food for our future: Science feed the world’ is the National Science Week theme to be celebrated in the Prep School in week 6 of this term. Classes will explore this topic through a range of activities planned and directed by our Coordinator of Science, Ms Robyn Cox.

Children’s Book Week

This year’s Book Week theme is ‘Connect to reading: Reading to connect’. All students in the Prep School are currently looking at the books short-listed by the Children’s Book Council in categories such as Picture books, Information books, and books for Younger Readers and Early Childhood. Our Book Week celebrations this year include a number of special activities including a visit from two well known authors, Phil Cummings and Dr Rosanne Hawke, the Book Week Parade and a performance from the Splash Theatre.

On Thursday 21 August the Prep School will stage their Book Week Parade in Wyatt Hall. It will commence at 8.45am and run for approximately 20 minutes. Students are encouraged to dress up as a favourite book character or as something relating to the Book Week theme. This Parade is always a lot of fun and so parents, carers and friends are most welcome to attend.

Family Life program

Students in Years 4 to 6 will participate in a ‘Growth and Development’ program in weeks 7, 8 and 9 of this term. The curriculum, to be taught by classroom teachers from each year level, is based on the recommended framework from the Family Life SA organisation. A letter outlining the content of the ‘Growth and Development’ program will be sent to parents in the near future. A consent form, to be signed by parents, will accompany this letter.

Please note that a Family Life Evening Session will be run by Mrs Sharon Bowering on 28 August beginning at 6.30pm in the Theatrette. A letter outlining details for the evening will be sent home this week.

Cyber Safety

Classroom teachers at all year levels in the Prep School will continue to focus on the theme of ‘Cyber Safety’ with students in Term 3. Our aim is to educate the children to be successful, safe and secure in their online interactions.

I would like to draw your attention to the following excellent resource for parents.

This site outlines the cyber safety features of social networking sites, search engines and online games.

Please note. It is recommended that children under the age of 13 do not participate in social media sites of any kind. If children under the age of 13 are allowed to participate in social media it is recommended that the account is managed by a parent or guardian. This includes all popular social media sites such as Instagram and Facebook.

Prep School Musical Evening: 15 September
Mrs Cullity and the Prep School students are busy rehearsing for the Prep School Musical Evening to be held in the Adelaide Town Hall on 15 September. Invitations and further information will follow but please put this date in your diary as it is sure to be an entertaining evening.

Dates for the diary

- Book Week Parade: 21 August
- Family Life Evening Session: 28 August
- Prep School Musical Evening: 15 September, Adelaide Town Hall
- Parent Teacher Interviews: Term 3, weeks 7 & 8

I hope you have a relaxing and enjoyable weekend.

Denise O’Loughlin,
Head of Prep
denise.oloughlin@pultenysa.edu.au

From the Chaplain

Servant Leadership

This Wednesday (Week 3) is the Prep Chapel Service for welcoming the new Student Representative Leaders into their important positions of leadership. Here’s an excerpt of the talk I gave:

A good question for all of us to ask ourselves today is, ‘What makes a good leader?’ and, ‘Are you one of those?’ For some answers I bring you to the bible in Mark 10:35-45.

One day two of Jesus’ disciples or special friends, James and John, asked Jesus if they could sit next to him at the places of privilege in heaven – one on his right, the other on his left. They thought they, above all the other disciples, deserved special places of honour in God’s kingdom. The hide of them! But perhaps, as Jesus pointed out to them, they didn’t really realise how big their request was.

Well, a few tongues started wagging among the other disciples when they heard about James’ and John’s request. They were understandably angry (although, if truth be known, they were probably angry because James and John thought of asking first!).

I can imagine Jesus sighing and thinking to himself; when will they ever learn! And so the Bible says he gathered them all together to teach them once again about true leadership.

Jesus says that there are two types of leaders. The first type is the leader who is like a lord. That is they ‘lord it over others’, commanding others to obey them and respect them, by bullying and heavy handed tactics.

‘But no so with you’ Jesus said to his disciples.

Instead, (he says), whoever wants to become great among you must be your servant, and whoever wants to be first must be slave of all.

Is that what comes to mind when you think about leadership; becoming a ‘servant’ of those who elect you to lead?

In this world, we may be honoured for many things. For academic achievements, for sporting achievements, for all sorts of talents and gifts we may have. And achievement is good. But honour in God’s eyes comes hand in hand with service. The servant leader gains respect by caring for the needs of others.

Servant leadership isn’t easy. It doesn’t come naturally. It’s much easier to be a lord than a
servant. But Jesus doesn’t ask you to go anywhere and do anything that he hasn’t done first. You’re called to be a servant, but Jesus has already gone that way before you;

For even the Son of Man did not come to be served, but to serve, and to give his life as a sacrifice for many.

That’s servant leadership.

Cosmic Chemistry

If you or your child in 190 are interested in joining myself and a number of students and teachers to the free Wednesday August 13 lunch time event ‘Cosmic Chemistry’ at Bonython Hall (See flyer below or email me for more information), please email me on karen.petterson@pulteney.sa.edu.au.

Mathematics Challenge for Young Australians
- Challenge Stage

This is one of a number of competitions run by the Australian Mathematics Trust which is based at the Canberra University.

This year Pulteney had 26 students participate in the Upper Primary stage of the competition. Students were given 4 weeks to complete a series of questions.

Year 12 Drama production: The Terrible Infants

On Monday last week, tickets for this year’s Stage 2 Drama production, The Terrible Infants, went on sale. We were overwhelmed by the response we received, with hundreds of tickets to our entire September season selling out in 14 hours! Due to popular demand, the class are staging a fourth and final performance at the Bakehouse Theatre (255 Angas St) on Saturday 6 September at 7:00pm. The production follows a travelling group of storytellers - led by the mysterious MC, who collectively share a gritty, tormented past. Each has a story to offer - there’s manky Mingus; Tumb, the boy who eats his Mum; little Linena, the material girl; the invisible Thingummyboy (with a face even his mother forgets), and the tale of Tilly and her tail. A joyous jumble of puppetry, live music and performance, this is a highly sensory theatrical feast weaving a range of dramatic styles, and inspired by gothic, steampunk, and vaudeville genres.

To give students without access to credit cards a fair opportunity to access tickets, these tickets will be available at school via cash sale only, rather than on Trybooking. Tickets are $16 each and can be purchased at lunchtimes in the Drama room until sold out, or by contacting Miss Hibbert directly: jamie.hibbert@pulteney.sa.edu.au.

Tickets are extremely limited, and won’t last long. Secure your seat now to avoid disappointment!
The Long Lunch

Three of the most respected South Australian names in fine food and dining will combine to present this exceptional Spanish feast.

Chris Jarmer from Scool Eatery & Bar in the Oaks Plaza Pier Hotel Glenelg and Jarmer’s Kitchen, with his father Peter Jarmer of the former Jarmer’s Restaurant on Kensington Road will present a lunch to remember. Rosalie Hassan’s ‘Bottega Rotolo’ supplies Australia’s great chefs, providores and food savvy locals with Europe’s finest food and wines. Last year’s feast was truly spectacular!

Rosalie again joins Chris and Peter to present this celebration of fine Spanish cuisine. The Long Lunch $120 early bird tickets have been extended until 15 August, so don’t miss out.

Winter Intercol 2014

The 2014 winter Intercollegiate competition against Scotch College will be held from Wednesday the 20th to Saturday the 23rd of August and will be hosted by Scotch this year. A range of teams across all year levels will be representing the school on the day. All senior 1st teams will play for Intercol shields, currently narrowly held by Scotch College. I encourage all to get along on the day to support our students.

Winter sports presentation dinner

The annual Winter Sports Presentation Dinner will take place on the 23rd of August (Intercol
evening) at the Glenelg Surf Life Saving Club. It would be great to see all students involved with our senior sporting teams, and parents, attend the evening, which will include trophy presentations and guest speakers. Information regarding the dinner can be found either in the PRW or by contacting myself on the email below.

All bookings http://www.trybooking.com/FLQW must be confirmed Tues 12th August 12.00pm.

Nik Sacoutis,
Head of Sport
nik.sacoutis@pulteney.sa.edu.au

Pulteney @ the Gov

With terrific rehearsals over the last few days the up and coming Pulteney@the Gov concert will certainly be a great night of music making in a very enjoyable setting. With music from the Gramophone choir presented in a modern pop style setting to the music of Charlie Parker with the Big band as well as Contemporary pop music by Christina Aguilera by our Senior Class ensembles Music at Pulteney is in great shape. Rounding the night off with our State champion Concert Band, accomplished singers from Jazz on the Terrace and dynamic Drum Corps the Gov night is a night not to be missed.

Patrons are able to book a table and order dinner from “the Gov” making the night a complete experience with great food and music, oh, and there is a huge raffle!

The night starts at 7.30pm with dinner from 5.30pm. Entrance is by ticket on the night for $10 per adult, available from Trybooking at this link: http://www.trybooking.com/FMWG

If you wish to book a table for dinner please contact “the Gov” on 8340 0744.

Wellbeing

The Pulteney Wellbeing Committee takes pride in ensuring our student’s social and emotional needs are addressed. As part of this process, we constantly monitor our student’s wellbeing. The Australian Council for Educational Research (ACER) has developed a nationwide Social and Emotional Wellbeing (SEW) Survey for students, ages 3-18 years old. Many of our students took part in this survey last year for which we are very grateful. This year, the Pulteney Wellbeing team is inviting all students from Years 3 to 12 to participate in the 2014 survey to be conducted in weeks three and four of Term 3.

The SEW Survey is an anonymous, strength-based survey for students. It is to be administered online during wellbeing lessons and takes approximately 20 minutes to complete. The survey will provide an ecological view of student’s wellbeing by assessing:

- Resilience, attitudes and coping skills
- Social skills and values
- Work management and engagement skills

Student’s identification details are not included in the Survey reports. The information gathered from the Survey assists in providing Pulteney Staff with valuable data regarding the wellbeing of various groups of students (e.g., year three girls, year nine boys).

Your child’s participation in this study is voluntary, but we encourage them to participate. The greater the sample size, the more accurately we are able to:

- Better identify the social and emotional needs of our students
- Inform development of student wellbeing policies
- Assess the effectiveness of wellbeing programs currently enacted by the school and to assist us in targeting resources to specific areas of need
- Report on student wellbeing in mission statements and strategic plans
• Provide both current and prospective parents, and the community, with an independent assessment of the school's ability to provide for and enhance student's wellbeing.

For further information regarding the Social and Emotional Wellbeing Survey, and a list of example questions, please visit the ACER website at: [http://www.acer.edu.au/tests/sew](http://www.acer.edu.au/tests/sew)

Your participation is extremely important to the success of this survey, and I thank both, you and your child in advance for your cooperation.

If you do not wish your child to participate in this survey, or you have questions in regards to this process, please contact your child's Teacher, Home Group Teacher or Tutor Group Teacher directly.

*Chris Clements & Michelle Roesler*

Congratulations Tessa Manning

On Saturday the 2nd of August Tessa competed in the 2014 Cyclocross National Championships. Cyclocross is a type of cycling, similar to mountain biking only slightly less intense. Her category was Under 19 women and she also raced with Under 23 women and elite women. The race consisted of 3 laps of a tough, muddy course. Tessa won her category and was been crowned the National Champion this year.
Open Times for Term 2

**Hockey**

*Middle School* drew with St Ignatius 0-0

1st XI defeated Mercedes 11-1

**Soccer**

*Middle A (Year 9)* lost to Westminster School 0 – 3

Best players: Rory Hillock, Lachlan Rawson, Kolin Pllumbi
Despite Rory’s consistent cleaning up at the back and Lachie’s solid defense, 2 goals in the final 12 minutes gave Westminster the ascendancy after a pretty even contest. The Pulteney defense, when focused, played some of it’s best football and are also becoming more involved as our first line of attack. Occasional loss of focus allows opposition attackers to find space in our 18-yard box without pressure and thereby to have scoring opportunities. Our possession football, especially across the midfield is getting better, and Kolin sought to really impose himself in this position.

**Middle B (Year 8/9)** lost to Mercedes College 0 – 8

Best players: Luka Amorico, Alex Ioanni, Alistair Porter

It wasn’t a bad performance but a few players were confused with the location of the game and rocked up late. As a result people played in positions they were unfamiliar with. We created chances like last week and if we had players playing in their normal positions we would have had a better result.

**Girls First XI** drew with Wilderness School 2 – 2

In the first half the girls played excellent football, in the manner, which we have discussed and trained for. Up by two goals at half time, unfortunately we couldn’t convert second half chances. The team lapsed for 5 minutes, allowing their club players access to goal, which was disappointing. A pleasing result against the team which will probably win the final.

**Girls Second XI** defeated Seymour College 2 – 0

**Girls Middle A** defeated Wilderness School 1 – 0

The Pulteney Long Lunch
Sunday 31 August 2014
12 noon for 12.30pm start
We Need Your Help!
Silent Auction Items Required

The Long Lunch, is the major fundraising event for The Pulteney Foundation.

We are seeking donations for the Silent Auction

Items that have sold well in the past include:

- Holiday Houses including TimeShare
- Winery experiences
- Antiques
- Days out skiing or sailing
- Days on a farm – birthday party
- Corporate Boxes@Adelaide Oval, Entertainment Centre, etc
- Electrical goods
- Services
- Paintings
- Restaurants
- Sporting

The list is endless, anything you enjoy – Others will too!

and/or:
Donations, big or small, of items relating to the following categories for which we can include in goodie baskets:

- Car Care – Car Polish, Cleaning Products, etc
- Chocolates
- Mens/Boys – Books, toiletries, tools, etc
- Ladies/Girls – Pampering, books, magazines, candles, etc
- Gardening – Gardening tools, vouchers, etc
- Sporting & Games – Balls, bats, gloves, training kits, monopoly, cards, etc

These can be placed in the receptacles in each sub-school:

Remember all of our children benefit from all we do!
