Welcome to the new school year. I especially wish the new students and their families, in ELC and throughout the School, the very best for their time ahead. I have had the pleasure to write to each student encouraging them to enjoy their new school confident in the community and friendship, so evident among our students. We remain a very fortunate place. To the returning students and their families I also wish you every fulfillment, happiness and success this year.

New staff
One of the genuine pleasures of working in a school is the arrival of new faces. This year Pulteney gains five new people of quality. In Kylie Ryan and Michelle Hall, the School’s English faculty is the beneficiary. Christopher (Chris) Clements joins the Middle School as a Home Group teacher as well as counselling students, joining Charlotte Weigold, the School Psychologist. Chris is also well advanced in adding a practicing psychologist recognition to his teaching qualifications.

In Kate White’s maternity leave the School welcomes Kathryn Clark to Kurrajong and, last but not least, Sue Porter joins us in a new role overseeing human resources. Best wishes to Kylie, Michelle, Chris, Kathryn and Sue.

Reminder of School Organisation
In the absence, this year, of Mandy Hore, as our amazing Deputy Principal, I offer a reminder that the four Heads of School, Virginia Evans, Denise O’Loughlin, Paul Ryan and Michael Holmes continue to provide excellent leadership of the four sub-schools of Pulteney. Additionally, Jamie Hibbert, as the Daily Operations Co-ordinator, will work with the Heads of School and myself in the overall organisation of the School. The Heads of House in one ninety, Ann Kennedy, Nicole Maxwell, Gina Kadis and John Taylor; Jodi Petherick and Nathan Dodd, as Assistant Head of School, Pastoral Care, in the Middle School and Prep respectively, without neglecting the day-to-day importance of class-room and Home Group teachers, are a ready source of assistance.

At any time throughout the year you may contact any of ‘us’ to help or clarify any matter concerning your child.

Staff Commencement of Year
Each School year, for staff, commences with professional development days. The last few years have concentrated on IT. This year was the same with an external keynote speaker supplementing three other recognised presenters and five internal staff in the delivery of a whole day PD. Some of the relevant observations of the ICT review of last year informed the orientation of the presenters and the anticipation is that the continuing up-skill of staff will further assist our students while providing a meaningful and practical application of the PD day.

Leadership
One of benefits of Malcolm Dolman’s presence at the School is his role as Director of Leadership, aside from his role as Registrar. Importantly, Malcolm’s role applies to students and staff. In relation to staff, Malcolm is unfolding a leadership model that brings many sub-groups
of staff together. One outcome is the development of ‘trademarks’ of performance and behaviour linked to three ‘benchmarks’ of assessment for each trademark. One of the PD sessions of last week involved the middle school staff. Their agreed mission included a student-centred approach; be progressive in their teaching; collaborative and collegial. Certainly, this would seem to be a reasoned criteria for the education of middle school-aged children and I thank Malcolm, Paul Ryan and the Middle School teachers for their contribution to the leadership model as it assists student development.

Progress on the new building on South Terrace
The announcement at Speech Night of the School’s intention to build on South Terrace continues to be progressed. Presently, the School Board has undertaken a formal process for the appointment of an architect and developed a preliminary design brief. Involvement of the wider community will follow in coming months as the preliminaries are completed. There remains considerable excitement on the potential the new building will realise and as concept plans and further information arise the School community will be kept informed.

Board
The Board also welcomes two new representatives. In anticipation, and on behalf of the School, I thank Deb Fyfe and Colin Dudley for their time and endeavour to contribute to the life of the School through the Board.

SACE results
Prior to Christmas I wrote on the outstanding results of the Year 12 students. 45 of the 97 students who sat the SACE gained an ATAR of over 90 accompanied by two students, Vinay Athreya and Lachlann McArthur, gaining perfect scores (ironically a perfect score is 99.95). All deserve acknowledgement. However, so too, do all the Year 12s across the year level whose results were a credit to themselves, their families and the School.

It is an insight to the students that Vinay, as an example, also found time to volunteer at the Red Cross telephone service in recent times while he awaits, we all hope, for his entry offer to Medicine.

New Zealand expedition
Prior to Christmas eight students, five Old Scholars and Richard Drogemuller and Daniel Polkinghorne, as staff, ventured to New Zealand. The five Old Scholars were all seasoned Duke Of Edinburgh students in ‘their’ day and blended easily with the current students. In what must have been an amazing time the group enjoyed two overnighters, one camping under the lee of a glacier; and another more demanding five-nighter from Lake Mavaro to Greenstone. From all accounts the students were exceptionally well-organised, self-reliant and demonstrated “expeditionary skills at the pinnacle of expectation”. Rare praise!

Perth Cricketers
The 1st XI cricketers experienced a warmish Perth on their tour, returning last week from six days and three matches. The team played Newman College, Aquinas College and Christ Church Grammar School, with one win, one sound loss and one evenly contested, but losing match. The team stayed on the grounds of the University of Western Australia at St Georges’ residential college and ventured, bumpily, on their lay day out to Rottnest Island. The hope is that the season ahead will be the better for the experience inter-state.

From the Head of Middle School
Welcome to the New Year!
The beginning of a new school year is always filled with excitement, coupled with a few nerves, about the making of new friends, starting new subjects, meeting new teachers and the creation of new opportunities. We in the Middle School endeavour to make sure all works well and the start of the new year is a very positive experience.

Below are some announcements about Middle School events and some of the new initiatives for 2013.
Up-Coming Middle School Events

Week 1 – Thursday evening beginning at 7pm we have the Middle School Parent Welcome Evening. This is a social event for parents. It will be an opportunity for parents to meet and chat to their child’s Home Group teacher, to meet other parents and to learn more about the Pulteney Community. The event is to be held in the Sam Leaker courtyard at the rear of Allan Wheaton House. In the event of rain, the Prep School covered basketball court will be used.

Week 1 – Friday is School Photos day. Students will be issued with order envelopes for the class photos that are to be taken on Friday. Students are asked to ensure they are well presented on this day.

Week 2 – Year 7 Camp

Week 3 – Year 8 Camp

Week 3 – Year 9 ‘The Rite Journey’ Information Evening for parents. Time and venue will be communicated to Year 9 parents soon.

Week 6 – Year 9 High Ropes Days (Tuesday March 5 and Wednesday March 6)

New Staff

The Middle School has once again experienced some staffing changes. There are four new Home Group teachers this year and a change in the leadership structure.

I use the word ‘new’ loosely, as one of these is Mark McGarry who has been at Pulteney for a number of years and has previously been a Middle School Home Group teacher. Mark has, for some time now, taught mathematics in the Middle School and we are very pleased to have Mark with us as a Year 8 Home Group teacher. His experience and wisdom will be valued.

Mharianne Strong also joins us as a Year 8 Home Group teacher. Mharianne completed her teacher training at Pulteney and for part of last year was on contract. Mharianne’s enthusiasm and genuine student-centred approach are what we look for in the Middle School. Mharianne teaches History and Geography, as well as English.

In Year 9 we have two new Home Group teachers. We have managed to snap up Rachel Brown, who began at Pulteney just last year. She teaches maths and has been so impressive we were keen to have her join the Middle School.

We also have Chris Clements join us. Chris is the new student counselor and Year 9 History and Geography teacher. Chris is an impressive young man and his presence in the Middle School as a school counselor will be of great value.

MS Goals for 2013 and new Leadership Structure

The major goals for the Middle School for 2013 are to:

• Further progress the implementation of the Australian Curriculum.
• Further develop the use of ICT and Differentiation
• Review assessment and reporting in line with the expectations of the Australian Curriculum
• Further implement ‘The Rite Journey’ Wellbeing program
• Review the Year 7 and 8 Wellbeing programs
• Review the behaviour management structures within the Middle School.

To enact these goals a new leadership structure has been created. Instead of Year Level Coordinators we now have two Assistant Heads of Middle School, Jon Harding is the Assistant Head of Middle School (Teaching and Learning) and Jodi Petherick is the Assistant Head of Middle School (Pastoral Care). Jon and Jodi in their new roles will be working hard to ensure we achieve the 2013 Middle School goals.

Paul Ryan,
Head of Middle School

From the Chaplain

Happy New Year! Yesterday hundreds of Pulteney students walked through the school gates with smiles on their faces, eager to engage in another year of friendship, learning and discovery. While most of us start the year with un-alloyed joy, we know even now that it’s not going to be a perfect year. There will be tears and frustration amidst the fun. This is why the word resilience is a big part of our goals for these children. We want them to deal with the trials and disappointment alongside the triumphs and joy.

Psalm 13 begins with the words, “How long, O Lord? Will you forget me forever?” The Bible has no expectation that our lives on earth will be free from trouble. We know that tough times can be emotionally draining. We need to prepare ourselves for everything that this year will throw in our paths. We want to equip our children with the strength of character to persevere – perhaps to overcome difficulties or perhaps to learn how to cope better. Psalm 13 ends with the words, “But I will trust in your unfailing love... I will sing to the Lord, for the Lord has been good to me.”

Whether you believe in God or not, we can all appreciate the good things that we have received. We can recognize those ways in which our circumstances are fortunate. Let us not be surprised when everything doesn’t go perfectly this year. Let us gather all the resources at our disposal to persevere through difficult times. Let us look to our families and friends. We hope that the School can be a strong support and we encourage students and parents to use the resources of the School when help is needed -- teachers, counselors, chaplains...

Pulteney Grammar School exists not just to teach the government prescribed curriculum, although that is important. Our goals for our students do not only relate to learning and academic achievement, as critical as they are. We look forward to a year where our students can learn resilience and gratitude. And when things don’t go as planned, we hope that they can understand the words of the apostle Paul, “I have learned to be content in all circumstances... I can do all things through the One who gives me strength.”

The Breakfast Club at the Adelaide Fringe

After three sold out performances in 2012, rave reviews and receiving exceptional results for their final performance last year, the Pulteney Stage 2 Drama class is extending their season of The Breakfast Club at the Adelaide Fringe this year. We’ve been fortunate to be recently featured in The Advertiser and next month’s edition of SA Life, as well as upcoming radio interviews on Peter Goers and Radio Adelaide.

The story is a stage adaptation of the iconic, cult-classic 80s film, following five students stuck in detention for the day, overseen by their strict principal. As the day goes on, the Athlete, Princess, Criminal, Basket Case and Brain try to shake their respective stereotypes and find a common bond. The production deals with themes of identity, growing up, love and friendship, and is recommended for students aged 13+.

Tickets are selling extremely quickly, with our opening night 15/2 already sold out, and our Saturday 16/2 at 50% capacity. With ticket prices at only $15 (+ Fringe booking fee), it is recommended to book now before you miss out.

For more information, please don’t hesitate to contact me. Alternatively, you can buy tickets at: www.adelaidefringe.com.au/fringetix, or check out our Facebook page at: www.facebook.com/LittleRedProductions.

We hope to see you there!

Rowing

While many of us were lounging about enjoying our holidays, Pulteney rowers were out in force. A junior ‘mini camp’ at West Lakes was well attended over the three days with rowers spending a lot of time in single sculls and also the usual quads. Training also included land training on the beach at Tennyson and various other fun activities. Behavior was exemplary as would be expected and everyone improved as a result of their attendance. Thank you to coaches and rowers for your magnificent effort.

Senior and Intermediate rowers have just returned, tired and weary, from a mid season camp at Walker Flat which was highly beneficial. Senior boys and girls were able to make significant gains as a result of near full attendance, Intermediate boys continue to show steady improvement while the Intermediate girls are looking fast and fit! Huge thanks as always to the cohort of parents who make the camp work smoothly both on and off the water and of course the coaches for their dedication to the Boat Club.

Richard Sexton,
Rowing Co-ordinator
School Photos
One ninety and Middle School photos will be held this Friday 1st February from 8:50am in Wyatt Hall, a class photo schedule has been distributed to teachers. Students are to wear neat summer uniform.

If you are interested in having sibling photos taken, the photographer has provided sibling photo envelopes to the middle school and one ninety offices, simply collect an envelope today or tomorrow (prior to Friday). The sibling photos will be taken Friday 1st February from 7:30am, so if you wish please come along to the school for sibling photos at 7:30am.

1st X1 Cricket Trip to Perth

Sunday Jan 20th - Friday Jan 25th

During the last week of the student’s holidays, Pulteney undertook its first cricket tour in 6 years. After a long standing annual exchange with Caulfield grammar in Melbourne, a series of exchanges with schools in New Zealand lasted only a few years. With the aim of resuming regular tours contact was made with several schools in Perth and we took 13 boys away to play two 50 over games and a T20 match.

We stayed at St Georges College, a boarding house for University students, ideally situated near the centre of Perth on the Swan River. The boys were excellent ambassadors for the school and the trip moulded them well as a team.

After settling in to our accommodation on Sunday morning we headed to Aquinas College for a practice session in hot conditions.

Monday morning saw us play Newman College in a T20 match. Several good performances saw us win comfortably before heading to Adventure World in the afternoon where the boys enjoyed, amongst other things, water slides.

Newman 130  Glonek 3/15 English 2/30
Pulteney 3/131  Laity 42 no Jessen 26 Dudley 25

Tuesday was another hot day as we headed to Aquinas College where we played on a pitch that the boys would not be used to. A very dry wicket that had large cracks even before play began. We were outclassed but again the boys gained much from the experience. Aquinas batted first and looked set to build a very large score in excess of 300. We fought back well in the last hour and restricted their scoring in the final overs. Unfortunately our batting struggled to make inroads into their score.

Aquinas 8/259  Bourchier 4/39 English 2/38 Jessen 2/40
Pulteney 92 Dudley 22 Jessen 19

Wednesday saw a rest day and we took the opportunity to catch the ferry to Rottnest Island where the boys enjoyed a day riding and snorkeling. Despite the rough ride both ways a good day was had.

Thursday we played Christchurch Grammar School at their very picturesque ground. With much cooler conditions we batted first and posted a competitive score. Christchurch had some very good players who enabled them to chase our total down in the 41st over.

Pulteney 6/176  Manuel 61 Jessen 50
Christchurch 4/178 Wills 2/58

My thanks to Dr Groughan for initiating the tour and making the initial contact with schools in Perth. Thanks to Mr Woolford for his excellent organization following up contacts and throughout the tour; including driving us everywhere in a mini bus.

Our regular umpire, Mr Tony Ey, also made the trip.

Summer Tennis Sessions

Last week we had our first series of Summer Tennis Session. The sessions were led by our Director of Boys Tennis, Will Metzer. They covered all aspects of the game, from technique to reading your opponent, nutrition and exercising. The players loved the sessions and the ones I talked to said they would be back again. This was due in no small part to Will’s extensive knowledge of the game and unbounded enthusiasm, not to mention the sound system and music he had playing during the sessions.

We are planning to have sessions in the October break and again next year in January on an ongoing basis to give our players the best chance to improve their tennis while thoroughly enjoying themselves.

ICT PD Workshop

Wednesday 23rd January, all of the Pulteney teachers took part in the ICT Workshops. This included guest speakers Amanda Neumann and Kynan Robinson from Editure, Jack Spargo from AISSA, and Greg Egan who is an Apple Educator. Thanks also to the Pulteney teachers: Janice Copeland, Jarrod Johnson, Leon Marsden, Nathan Dodd, and Michael Keough who stepped up to run workshops. Staff were exposed to a range of different pedagogical, technological and integrative techniques and everyone completed the day enthused about teaching in 2013.

Feedback was collected and some encouraging comments from the day were:

“Loved learning about the programs and how to use them!”

“Knowing how to use a slightly different technology for certain key areas of assessment, (e.g. orals, alternative assessment) was helpful.”

“Kynan’s perspective that ICT is a tool, a means to an end [was most useful]. He focussed on the connectivity that using ICT allows.”

“Everything! I enjoyed it thoroughly. Am hugely excited to try stuff out”

“by this time, my brain was sooo full! ...but in a good way!”

Congratulations to all participants and good luck for the year. ICT training for staff will continue throughout 2013 for the Learning Platform, ICT Integration in the class and developing teachers Personalised Learning Networks.

Tennis Coaching with Libby Sims

Group and private tennis lessons are available on PGS courts with pro tennis coach Libby Sims who is also the Director of Girls tennis at PGS.

Lessons are available before school, and after school, Monday - Friday.

Lessons can be taken by students from reception - year 12.

Lessons are also available on your own home tennis court.

Golf
Three Pulteney Girls excelled in State golf events during the holidays.
Rachel Taylor (MS12) has been selected as captain of the State Girls Golf Team to play in the
Australian Interstate Series and Australian Junior Amateur in Perth in April. She competed
successfully in recent state events, finishing first (Mt.Osmond/Mt.Lofy), second (The Vines/
Flagstaff Hill) and third (Glenelg/Grange) in GolfSA Open 36 hole tournaments.
Alicia Smith (MS11) represented South Australia in the Cudmore-Cheney Girls Team at
Kingston in January. She finished third in the individual competition and won both of her
matches against her Victorian opponents.
Zoe Taylor (MS11) achieved fifth placing in the GolfSA Open at The Vines/Flagstaff Hill.

5. Commitment for coaching is for one full academic term, except where otherwise arranged. Please provide minimum 4 weeks notice prior to end of term if your child is not going to participate in the following term.

6. Students are required to provide their own equipment.

7. The policy, in T1 and T4, of “no hat no play” will be enforced. Sports shoes are required to be worn on the school courts.

8. Lessons are redeemable but NOT refundable.

9. Students are expected to carry any personal medications as required.

10. Written consent and notification to the Afterschool Care provider should you require Libby Sims to collect or return your child.

11. Part of my coaching program may require occasional video recording of children practicing on court to better demonstrate stroke technique direction. In order to comply with appropriate privacy policy and child protection legislation I require your consent. All video records are to be used strictly for coaching purposes only. Please sign here if you agree to have your child video recorded during lessons.
