From the Principal

A State of Firsts...

Over the last two weeks I have been fortunate to be in the presence of the Governor of South Australia, His Excellency the Honourable Hieu Van Le AO. Some of you may not be aware of his story.

Born in Vietnam in 1954, His Excellency and Mrs Le arrived in Darwin as refugees in 1977 and later settled in South Australia. As his tertiary study in Vietnam was not recognised in Australia, the future Governor earned a degree in Economics and Accounting at the University of Adelaide, followed by a Master of Business Administration in 2001. In 1996 Mr Le received an Australia Day Medal for outstanding service to Australian Securities and Investments Commission and was awarded the Centenary of Federation Medal for service to the advancement of multiculturalism. His Excellency is a committed advocate of cultural and linguistic diversity and he is a wonderful contributor to a rich and varied range of organisations and community initiatives and committees. He is also a past Pulteney parent and a wonderful supporter our School.

In his address at a recent luncheon, His Excellency commented that South Australia is an amazing place – “a State of firsts” - and he encouraged those listening to never lose sight of that optimism and positivity. In politics, South Australian women were the first to have the dual rights to vote and to stand for election; South Australia was the first place in the world to allow women to stand for parliament and Catherine Helen Spence was the first woman to stand as a political candidate in Australia. Roma Mitchell became the first female judge in Australia. His Excellency is also a significant “first” - it is understood that he is the first Vietnamese-born person who has ever been appointed to a Vice-Regal position in the world.

In another first, it gives me great pleasure to announce that His Excellency, the Honourable Hieu Van Le AO will be Pulteney’s very special guest at the official opening of the Centre for Senior Learning early in Term Two. We look forward to his visit.

Anne Dunstan,
Principal

From the Head of Sport

Summer Intercol

The 2015 Summer Intercollegiate competition against Scotch College has already commenced with swimming on Tuesday 3 March and will conclude with a range of sports on Saturday 28 March. A range of teams across all year levels will be representing the school throughout the event. All senior 1st teams will play for Intercol shields. The ‘Sports This Week’ section of The Schools website will have all updated Intercol game information by Monday Week 9.

Senior School Sports Day

Another successful Sports Day was held on Thursday March 5 in the South Parklands, with many students from Years 7 to 12 competing for their House.

After holding a small lead from the pre day events Moore Sunter just kept drawing away from the other Houses to win by a significant.

The final placings and points were:

1st Moore Sunter - 1672.5 points
2nd Kennion Miller – 1517 points
3rd Bleby Howard – 1440 points
4th Cawthorne-Nicholls – 1204.5 points

Many students achieved fantastic results and an outstanding 19 records were broken this year. These included:

- Year 7 Boys Long Jump: Jack Pamminger 5.06m
- Year 8 Girls 4 x 100m: Cawthorne Nicholls 1.01.94
- Year 9 Girls Discuss: Telopia Kailis Philips 20.47m
- Year 9 Girls High Jump: Telopia Kailis Philips 1.42m
- Year 9 Girls 200m: Telopia Kailis Philips 28.17
- Year 9 Girls 100m: Telopia Kailis Philips 13.95
- Year 9 Girls Shot Put: Katia Stamatelopoulos 8.9m
- Year 9 Girls Triple Jump: Katia Stamatelopoulos 9.88m
- Year 9 Boys 800m: Nick Laity 2.13.10
- MS Boys 300m: Nick Laity 10.05.16
- MS 6 x 400m: Moore Sunter 6.56
- Year 10 Girls Shot Put: Samantha Simons 8.85m
- Year 10 Girls High Jump: Sophie Radford 1.48m
- Year 10 Girls 1500m: Sophie Zuill 5.42
- Year 11 Boys Shot Put: Matthew Nielsen 13.8m
- Year 11 Girls Triple Jump: Victoria Cirocco 9.79
- Year 11 Girls 200m: Victoria Cirocco 29.1
- Year 11 Girls Shot Put: Victoria Cirocco 8.75m
- Year 12 Boys 1500m: Matt Gluyas 4.20.57

This year the Adelaide Harriers shield was awarded to Year 12 student, Matthew Gluyas. Matthew had an outstanding carnival breaking a 55 year old record and competing at a very high standard.

A huge thank you goes out to the Heads of House (BH – Ann Kennedy, CN – Bronte Pickett, KM – Amelia Mislov and MS – John Taylor) who spent many hours preparing their teams for competition. All Pulteney staff who spent the day officiating and recording events. Mr Barnett and the PE staff for their help with organisation both on the day and in the pre events. Mr Cartwright and the grounds staff for setting up the track. The Friends of Pulteney too, deserve a significant vote of thanks for their renowned support of events at Pulteney.

We look forward to next year’s event with great anticipation of more records broken and even more student participation.

State and National Sports selections and competitions

If one of our students has been selected in a state or national sporting team or has/will be competing in a state or national competition could you please make me aware of this via my email below

Where and how does Chaplaincy and Rev.d Michael fit Pulteney?

Pulteney is a Christian school in the Anglican tradition. Caring community is the nucleus of the school’s identity. As Chaplain I am part of a team dedicated to ensuring everyone is cared for. I am an ordained Anglican priest charged with being a caring presence for every member of our school community. I am committed to an invitational, inclusive and respectful expression of God’s love for everybody.

We live in a very busy, sometimes frenetic world and chaplaincy offers a diverse number of ways of being able to support people in their life’s journey. The role description is very broad. The school chaplain has the time to walk with people, sharing the journey wherever it may lead. The chaplain offers a safe, informal, non-judgmental space where people can simply talk and share, reflect and take time out in order to explore and discern the support they need. As chaplain I can refer people to our School Psychologist, Counsellor or any appropriate service, while continuing as a companion on the journey for as long as a chaplain’s presence is desired. The chaplain provides unconditional support.

Another significant part of the chaplain’s role is to support student wellbeing through spiritual development. Spiritual Wellbeing encompasses both ‘sacred’ and ‘secular’ domains: ‘Sacred Spirituality’ – the agency of human beings in our world contextualised by the exploration of an inner life. This exploration will reference something other than the individual human and may include faith, belief, religion, God or other ‘higher being’, ‘Secular Spirituality’ – the agency of human beings in our world, living in community.

We support spiritual wellbeing at Pulteney Grammar School by exploring values such as love, compassion, justice, patience, tolerance, forgiveness, contentment, harmony, responsibility, and concern for others in a range of contexts.

The chaplain in collaboration with teachers and students, presents weekly chapel services and a number of special services throughout the year: The Eucharist is celebrated each term aligned with major events on the Church calendar. The chaplain helps prepare students who wish to be baptised, admitted to communion or confirmed. Importantly students are encouraged to think, to be challenged, to explore and respectfully express what they believe.

The Chapel of St Augustine at Pulteney has great significance as a spiritual home for Old Scholars. As an ordained minister the chaplain can marry those who wish to be married in the Christian tradition using Anglican marriage rites. Many members of the Pulteney Community have their infant children baptised in the chapel. The chapel is also used for funeral and memorial services. All of this happens within the community that richly nurtures scholar’s school and post school lives.

As Chaplain I bring a diverse range of experiences to my role. Ordained Deacon and Priest in 2013 I have studied theology at post graduate level. I have also been a chaplain for AnglicareSA. Prior to this I worked as a teacher in both classroom and executive leadership roles. My areas of expertise included Special Education and Middle Schooling, In the Senior School I taught Food and Hospitality, History, Classical Studies, English, Research Project, PLP (Personal Learning Plan), Community Studies and Religious Education.

Prior to a career in education I worked in the hospitality industry, initially training as a chef and working in iconic Adelaide restaurants, including the Pheasant Farm in the Barossa Valley. I also enjoyed front of house work and have extensive experience in customer care AND food and drink service.

In broad terms I think the ‘bio’ above and a life time’s membership of the Anglican Church
paints a picture of me being someone who is fine tuning the desire to nurture and serve and be of service to others. It is a privilege to be part of the Wellbeing Team at Pulteney.

**Magdalene Centre**

Providing gifts of food and op shop items for the Magdalene Centre continues to be a regular opportunity for us to do something kind. Donations can be brought to the Chapel Foyer. Basket and boxes have been labelled so that we can sort and care for your donations. Thank you for your ongoing generosity.

**Chaplaincy Contact**

The above is a draft of what will be included in website documentation. Any feedback or further questions of clarification would be greatly appreciated. I can be contacted at any time for any pastoral needs. Please email michael.lane@pulteney.sa.edu.au, phone 8216 5512 or 0434297879 or contact The School Office.

*Deep Peace,*

*Michael*

---

**Wellbeing**

**Middle School Wellbeing Program**

Wellbeing lessons in the Middle School are well underway for 2015. So far all Middle School students have undertaken some teamwork activities with their peers, which is an essential life skill. Students have also written term goals, which focus on learning, performance and wellbeing.

This term Year 7 students are exploring study skills essential for Middle School students. Topics include: note taking, stress management, organisation, finding reliable resources, revising for tests and understanding the way we learn. At the completion of this unit, students will have the opportunity to explore a variety of stress management options to find the best one to suit themselves. [http://www.how-to-study.com/](http://www.how-to-study.com/) is a link to some of the learning assessments students will have the opportunity to undertake.

Year 8 students are exploring the difference between learning and performance and the importance of both, a topic which arose in a staff professional development session with Erica McWilliams at the start of the year. They have discovered the difference between and impact of fixed and growth mindsets. Following this students will explore another one of Erica’s ideas; ‘What do you do when you don’t know what to do?’ This exploration will focus on core skills such as analysing situations, showing persistence, experiencing discomfort, problem-solving, self-management, resilience and accessing prior knowledge. [https://www.youtube.com/watch?v=pN34FNbOKKc](https://www.youtube.com/watch?v=pN34FNbOKKc) is an interesting Tedx link about fixed and growth mindsets, which might be of interest.

Year 9 students have begun the Rite Journey program in their wellbeing lessons. Parents were invited to a Parent Information evening, where their adolescents presented them with a special surprise. This was followed by a wonderful ‘calling’ at Montefiore Hill where students watched the sunrise over our magnificent city, followed by some self-reflection and a breakfast at the Pulteney Boat Shed. Students are continuing to explore ‘my story’ and begin the first of many challenges this year. If you wish to learn more about the Rite Journey, you can visit their website at [http://theritejourney.com/](http://theritejourney.com/)

I am looking forward to a great year, filled with many positive wellbeing experiences. If you have any questions about the Middle School Wellbeing Programs, please do not hesitate to contact your child’s Home Group teacher or myself.

Emily Petersen

Assistant Head of Middle School (Pastoral Care)
New Look Pulteney Website

After much feedback from staff, parents and students we have launched a new look for the school website.

Please visit the existing address to see the updated site:  www.pulteney.sa.edu.au

You will notice a new front page with a scroll down feature that provides an overview of the whole site.

On the top right hand corner of the site is a box with new quick links as seen below.

- The running man is the quick link to Sports this Week.
- The magnifying glass is the search function.
- The padlock is a quick link to the staff portal and email.
- The heart is a quick link to our wellbeing page for students.

We hope this site is more user friendly and easy to navigate and would greatly appreciate your feedback or any questions you may have.

Please contact me at  Catherine.hunter@pulteney.sa.edu.au

Term 2 is full Winter Uniform ELC – Year 9. *one ninety* students have a mix and match theme. Formal Uniform is required for Chapel and Full School Assembly and any other times when required.

New Students who commenced their education in Term 1 will need to come into the Pulteney Shop to be fitted for their Winter Uniform.

Year 7 Students will need the Middle School Uniform. Female Students can take the bib from the Pinafore as this reverts to the Skirt.

There are only 2 and a half weeks remaining for this Term. Can you please check your winter uniform for sizing and if possible come into the Uniform Shop before the end of Term.

Have a great weekend,

Jenny Hewitson,
Shop Manager.

Senior Sport Notices

First XI Cricket Report

Pulteney 7 for 266 (dec)
Adams 102, Bourchier 68, McGarry 46

Drew with

Trinity 112 and 9 for 2 for 238

McGarry 2 for 10, Bourchier 2 for 42

Resuming our innings at an overnight score of 5 for 218, The Navy Blues batted solidly with Bourchier posting a fine half century before declaring at the fall of his wicket, leaving Trinity 154 in arrears. It was with great optimism that the opening bowlers charged in and inspite of a rapid start from our opponent, we were soon among the wickets as Coumi induced a lofted shot to mid off and 1 for 7. Bourchier chimed in a few overs later and the score standing at 2 for 17 saw great cause for optimism. Unfortunately the next two partnerships realised 146 runs, as we tried in vain to put the result away. Unfortunately, our bowling lacked penetration as we strayed on our lines and lengths, Dudley swung the bowling changes, but the wicket was as placid as ever and the boys from Gawler had dug in for a rearguard defense. Sexton eventually induced a cross bat swipe that was well taken by van den Munckhof on the run at wide mid off and Adams was able to entice a long stride down the wicket which was neatly gathered and the stumping completed by Wilson. At this stage, the deficit had been erased, and Trinity looked to consolidate their recovery, which they were able to do as the attack flagged, lines varied too greatly and fielding was not as tight as it needed to be. As the overs drew to a close, a more festive attitude became evident as van den Munckhof and McGarry were thrown the ball for the last few overs, with both snaring wickets, but by then the game was saved and the match was drawn after 64 overs with Trinity 9 down and having established an 84 run lead. We head toward the Intercol in two weeks and look forward with optimism as we prepare now in earnest for the challenge that lay ahead.

Mark McGarry
Cricket Co-ordinator
2nd XI Cricket Report

Pulteney 4/190
Miller 132 not out Geddes-Ryan 22
Defeated
PAC 5/188

Once again we played the boarding house from PAC and again they gave us a large target to chase from 25 overs. Our fielding was disappointing with catches dropped and several misfields. Scott Noack bowled very tidily with 1/11 from his 4 overs. Unfortunately our other bowlers were unable to restrict the flow of runs. We gave away far too many runs with 45 sundries (23 wides, 10 no balls and 10 byes). Clearly this is an area we can improve on. This made our target much larger than it should have been.

Jarrod Miller was asked to open the batting again. No-one expected what followed with an outstanding innings of 132 from just 83 balls with runs scored all around the wicket. He was well supported by Liam Geddes-Ryan. They put on 103 for the second wicket. We had an outstanding win with more than 2 overs to spare.

Mark Webber
Cricket Co-ordinator

Swimming Carnivals

The school swim team has represented the school recently at both the SSSSA ‘B’ Grade Carnival and IGSSA Girls carnival.

A total of 25 students attended the SSSSA ‘B’ Grade Carnival on Tuesday 3rd of March. Each student performed well, with many achieving personal bests.

Special mention must go to the following swimmers:

Matthew Beahan 3rd, 50 m Backstroke (Div 2)
Griffin Evans 2nd, 50 m Freestyle (Div 1)
3rd, 50 m Backstroke (Div 1)
3rd, 50 m Breaststroke (Div 1)
Jake Goehr 2nd, 50 m Breaststroke (Div 2)
2nd, 50 m Freestyle (Div 2)
Caitlin Pearce 2nd, 50 m Breaststroke (Div 1)
3rd, 50 m Freestyle (Div 1)
Sophie Zuill 2nd, 50 Freestyle (Div 2)

The IGSSA Girls Carnival was held a week later with a total of 21 swimmers attending. Our girls were competitive; finishing just out of the top three on a number of occasions.

The following swimmers should be congratulated on their results:

Georgia Zuill, 2nd, 50 m Freestyle (Div 3)
Caitlin Pearce, 3rd, 200 m Individual Medley (Open)

Special thanks must go to the parents who assisted with transport and officiating.

Sharon Pearce
Swimming Co-ordinator
Rowing

Last weekend the Pulteney Boat Club hosted the penultimate regatta at West Lakes in absolutely glorious conditions. As the sun peeped over Football Park, the army of volunteers was revealed, scurrying about their assigned chores, humming contentedly as they went. Tents up, boats rigged, oars – present and correct, all was in readiness for the days racing.

As is usual, junior crews led the way, confidently pushing off from the beach, giving the coach a final wink, beginning the familiar warm up routine en route to the much anticipated early morning rendezvous with the friendly starter before turning, lining up and powering home. It was a hectic day for junior girls with both their races less than an hour apart, fatigue was apparently not a factor however, the year 8 girls returning with a bent rigger, due no doubt to the power in the boat! Year 9 girls too had a taste of what it is like to go fast – and they liked it!

The senior girls crew had a big day, winning their second grade race in grand style before their boat was again the centre of attention at an official naming/ blessing ceremony. Thank you to the always enthusiastic School Chaplain, Michael Lane for officiating and naming the senior girls boat ‘Atalanta’ and re-naming our two single sculls, Omicron and Pi. Such was the enthusiasm of the ‘smashers’ Lynne Rawson, Sue Foster and Gabie Hume, they will be finding fragments of glass around West Lakes for weeks to come!

The excitement of the regatta continued after the brief lunch hiatus however with Brynley’ and Ed’s intermediate boys bringing home the bacon for a second time, this performance trumped only by the courageous finish of Matt Hume and Matt Neilsen as they powered to victory in their third grade double scull. In all, Pulteney rowers collected bling four times, placing in fourteen of the twenty two events contested – a strong all round effort and a reflection of the effort put into training.

The hosted regatta was the major fund raising event for the season and was very successful on and off the water. Thanks to the generosity of our supporters and the willingness of our volunteers, Pulteney rowers will be assured of the best boats and equipment possible – thank you all and see you next week at Head of the River!!

GO PULTENEY!!

Results from Pulteney hosted Regatta 14 March, 2015

lost to Westbourne Pk 2-40
lost to Black Forest 0-36

Year 8/9 Cricket Report
Pulteney 4/116 (Will Craddock 29 retired, Sath Sukumuran 23 retired, Liam Creaser 21, Jack Strawbridge 17) defeated Nazareth 86 (Tom Rundle 6/5)

An outstanding display of fast bowling from Tom Rundle reduced Nazareth to 5/11 and then 6/22. Tom was rested after dismissing the top six batsmen in his four overs – five clean bowled and one LBW! Good support from the other bowlers, notably Jai Ruciak, and a superb run out and catch from Sath Sukumaran restricted the opposition to 86. Pulteney achieved a comfortable victory by nine wickets with seven overs to spare after impressive batting from Will Craddock, Sath Sukumaran, Liam Creaser and Jack Strawbridge.

Year 6/7 (Primary B) Cricket Report
St Ignatius        9/95             def                   PGS     7/61

Best bowling: Isaac Attanasio 3/11 (2 overs), Wayne Inglis 2/4 (2 overs)
Best batting : Satyanand “Suji” Shawgi 15, Declan Beard 10.

With the sun barely over the Adelaide Hills, we won the toss and elected to bat. A good decision so I thought at the time!

With a couple of very good opening bowlers, St Ignatius had us very quickly in trouble, at one point being 3/0, and then 4/2! (and both of those runs were byes!). Within 15 mins, I felt like Old McDonald, as my Top 5 batsmen had all scored ducks!

There was some excellent rear-guard batting provided by “Suji” Shawgi and Declan Beard (both coming in lower down the order this match), which led us to recover to a score that, with our bowling attack, I felt we could possibly defend.

After a couple of excellent early overs from Wayne Inglis (who bowled full, fast and straight), St Ignatius found themselves a good partnership for their third wicket which essentially took the game away from us. There was a nice cameo with the ball from second-gamer Louis Tonkin-Phanoulas, who captured his first wicket ever (not just for Pulteney). The highlight of the day though had to be the 2 over spell from Isaac Attanasio. Isaac will probably admit he’s not the best bowler in the team, but he always gives it a red hot go and his bowling action has improved markedly this term. He was helped a little with some generous umpiring from my St Ignatius counterpart at square leg, however Isaac certainly bowled straight and slow enough to bamboozle the lower-order St Ignatius batsmen, and he claimed 3 wickets in his second over, and only just missed out on a hat-trick as well!

We’re all very much looking forward to playing Scotch away over our next two Saturdays to end the term.

lost to Westbourne Pk 2-40
lost to Black Forest 0-36
Pulteney students and staff will enjoy a ‘splash of orange’ on Friday 20 March as the school comes together to celebrate Harmony Day.

Staff and students will attend a Whole School Assembly at 8.45am in the Robert Henshall Sport Centre where the theme of Harmony day, ‘everyone belongs’ will be presented.

Harmony Day is held every year on March 21 to coincide with the United Nations International Day for the Elimination of Racial Discrimination. Harmony Day is a time to celebrate Australia’s diversity – a time of cultural respect for everyone who calls Australia home.

Students are invited to come to school dressed in their normal school uniform that they would wear on a Friday, but with a splash of orange. Suggested items could be orange ribbons, zinc cream, badge, bandanna, jewellery, coloured spray in hair, socks, tie and much more! At lunchtime students across the sub-schools will play games in the quad together as well as enjoying a sausage sizzle for lunch.

The whole school looks forward to coming together as a community to celebrate this important day of belonging.

Greg Atterton
Deputy Principal
Erica McWilliam will be returning to Pulteney to present a Parent Forum where she will speak about the future of our children and the importance of a progressive, learning-focused education.

**Wyatt Hall, Wednesday 22 April at 7.00pm.**

Erica’s career has involved four decades as an Australian secondary teacher, teacher educator and writer, moving from two decades in the schooling sector to a professorial role as an educational leader. She is now a Fellow of the Australian Council of Educators and an Associate Fellow of the Australian Learning and Teaching Council.

This year the Venture Club’s April Venture will be to the Grampians National Park, on the other side of the Victorian border.

Brief details:

| **When:**  | Sunday 12 April – Friday 17 April 2014  (second week of the holidays) |
| **Where:** | Grampians National Park, near Halls Gap, Vic |
| **Who:**   | Years 8 – 12 (parents may also apply to attend) |
| **Cost:**  | $400 |
| **Gear required:** | BYO sleeping bag, footwear & walking clothing. You can borrow tent, cooking stove, back pack, sleeping mat, rain jacket, compass from the school. |
| **Arrangements:** | Professional and old scholar leaders accompany small groups of students on walks varying from 2 days to 4 days, depending on age and experience. |

Every student in Year 8-12 can join the Venture Club simply by coming on one of our trips. Why not also get involved with the Duke of Edinburgh Award and use the April Venture as one of your expeditions?
