Diversity and Engagement in Learning

In my walk around classes earlier this week, I saw a wonderful array of learning opportunities in action across all of the schools. In Year 5, teams of students were immersed in the development of their displays and presentations for Space Expo Day - a culmination of their learning explorations using literacy and numeracy skills, various research and recording techniques, including film making, multimedia, craft and drama. Some of the students were so excited and proud of their work that they have undertaken to drop in to my office to give me regular updates on their latest learning. I encourage all Year 5 parents to attend the expo coming up soon.

In Year 8 Science, students were investigating the digestive system in a laboratory practical, using detergent that shows how bile breaks down fats. Students were working in teams to hypothesise, test and record their findings. Kurrajong students were busy moving through a series of fun physical challenges that promoted their balancing, throwing and aiming skills (whilst enthusiastically waving at me and saying hello!). Year 10 students in Art had developed their drawings of the human head and were preparing to create three-dimensional sculptures of their designs using clay.

All of these learning pursuits exhibit the diverse ways in which learning can occur in classrooms, studios and outdoor spaces. They also showed the way in which experiential learning, undertaken individually and collectively, builds a range of essential academic and life skills including problem solving, persistence and creative and critical thinking.

School Security

The safety and security of our students, staff and community members are a high priority. As was communicated in PRW late last term, we have implemented measures that were planned and authorised by the School Executive and Board of Governors in 2013, following an extensive review by SAPOL and other security experts. These measures further enhance the physical security of our site. Should you have any queries about this matter, please feel free to contact Chris Cartwright, Property and Facilities Manager on 8216 5523.

From the Head of Kurrajong

The first four weeks of Term 2 in Kurrajong has certainly been fast paced and full of excitement! Students busily prepared stunning Mother’s Day gifts for the 11 May and the ELC students shared a special breakfast with their mothers on Friday 9 May in the ELC classrooms. It has been lovely to see mums wearing their lovingly created necklaces around Kurrajong!

Red Shield Appeal

Last Wednesday, 14 May, all Kurrajong students came dressed in casual clothes with a splash of red to raise money for The Salvation Army’s ‘Red Shield Appeal’. Students brought in a gold coin donation and at the Kurrajong Assembly that morning listened to Duan Kereru (father of Diesel and Tyler), who is the Community Engagement/Social Media Representative at The Salvation Army, talk about what the Salvation Army does and how their donations would assist people in Adelaide less fortunate than them. Students received a special wristband for participating in the challenge and raised a total of $416! Thank you to all the Kurrajong families who donated to this very worthy cause.

Kurrajong Disco

Students are preparing their outfits for the annual disco organised by the Friends of Pulteney, which will occur this Friday 23 May in Wyatt Hall for R-2 students from 5:30pm – 7pm. The theme this year is ‘Popstars’ and we cannot wait to see what the students come dressed as, to see the students moving and grooving to the popular songs by the DJ, getting their faces and nails painted and even trying out the air brush tattoos! A special thank you to Suzanne Brion, Sam Ruff, Pauline Creaser, Lynne Loh, Mark Bourchier and all the parent helpers who help make the night such a success.

Grandparents and Special Friends Morning

We are hoping the weather will be kind to us next Tuesday 27 May when Kurrajong will host nearly 400 Grandparents and Special friends in the Antill courtyard for the annual Kurrajong Grandparents and Special Friends morning. The morning commences at 10am where the Kurrajong Choir will sing for our guests and a student from each Reception – Year Two class will speak about about what their Grandparent means to them. Time will then be spent in classrooms and in the Resource Centre before an enjoyable morning tea in the courtyard. If any parents are able to assist me on the morning, please let me know.

Brea Stacey – Year One teacher

This Friday, our Year One teacher, Mrs Brea Stacey, will commence her maternity leave. Brea and her husband, Pete, are expecting their second baby on the 9 June. We wish them all the best and look forward to hearing the exciting news!

Ms Kate Grbin commenced team teaching with Brea this week and will teach the students of 1T for the remainder of 2014. Kate is an experienced early years teacher who has taught various year levels overseas in London as well as short-term contracts at St Thomas’ School, Goodwood and St Joseph’s School, Hectorville. She has also been a regular relief teacher here at Pulteney during the last four years. We look forward to Kate joining the Year One teaching team.
Community Table

This term the ELC classes have introduced a ‘Community Table’ that is situated outside the eating area of the ELC T classroom (it has a red/white tablecloth). The aim of the ‘Community Table’ is to encourage sustainability through reducing waste, reusing well-loved items and recycling. Families can bring something from their homes to leave on the table, for example school clothes your child has grown out of, a special book, or produce that you grow from your garden that you would love for other families to enjoy. We hope you enjoy and use our community table.

Head of Kurrajong

A rock band, monk’s chants and a drum corp

What do a rock band, a Taize chant and a drum corp have in common? They’re all musical items in the Combined Anglican School’s Worship Service to be held at Adelaide’s St Peter’s Cathedral tomorrow (Wednesday May 21). It should be a wonderful time to celebrate the identity our schools share - we are Anglican.

The word “Anglican” derives from the word “Anglo” as in “Anglo-Saxon” meaning “English.” We draw our identity and historical roots from the ancient Celtic Church out of which came the Church of England, one of the main churches formed during the Protestant Reformation of the 16th Century. While the formation of the church is commonly attributed to the ‘political needs’ of Henry VIII, there is so much more to the Reformation story. The Anglican church is Catholic but reformed and reforming still. Today we’re the third largest Christian body in the world, connected with brothers and sisters in the faith across the globe.

But what makes Anglicans different from other Christians?

‘Not much really!’ according to our own Adelaide Diocesan website. Alongside most other Christian denominations in the world, Anglicans affirm all basic Christian truths. We do not see ourselves as the only Christian tradition, but seek to hand on faithfully the Apostolic (genuine) and Catholic (inclusive) faith, being always open to reform, and longing to be one with others who, through the Spirit, confess Jesus Christ as Lord.

However, the church does have Anglican distinctives such as a way of ‘doing church’ which is pervaded by a strong sense of history and tradition. Most Anglican services of worship use words and customs that blend together the old and the new. All of which is perhaps best experienced rather than taught here in a few hundred words. And it is this experience that I am looking forward to on Wednesday in our service titled, ‘Spirited!, Spiritual!, Inspired!’ It should be a great expression of the diversity that makes up the Anglican churches and schools in 21st century Adelaide. I’m looking forward to it.

For more on what it means to be Anglican see the Adelaide Diocesan Website,

Karen Petterson,
Chaplain

Pulteney In Elder Hall

Winter Concert

Elder Hall beckons our wonderful music students in a concert that you just cannot miss.

With Pulteney's wonderful choirs and ensembles playing exquisite music in the beautiful surrounds of one of Adelaide's premier venues all members of our Pulteney community and beyond are invited to a concert of musical excellence. With music from the pen of Frankie Valley and the Four Seasons to Charlie Parker and Brahms. This concert will appeal to a wide audience of different tastes and ages.

In a venue that reflects the rich musical heritage of Adelaide we invite you all to attend a must see night of entertainment.

The concert commences at 7pm on Saturday 21st June

Tickets are free for students and $10 for adults available on Trybooking.

Behaviour In Co-Curricular Activities

The school policy on behaviour in co-curricular activities is reproduced below:

Policy On Behaviour In Co-Curricular Activities

The following guidelines aim to assist teachers, coaches, students and parents. Co-curricular Activities at Pulteney are an important part of a full and balanced education. We are concerned to preserve sound educational and social practices in the many inter-school and intra-school fixtures in which Pulteney is involved. We ask for the co-operation of the school community to ensure that these aims are realised.

Practices which place the pursuit of victory above those aspects of co-curricular activities concerned with enjoyment, balanced development and good sportsmanship are to be avoided.

Policy On Behaviour In Co-Curricular Activities

1. Play by the rules
2. Treat all participants as you like to be treated.
3. Do not bully or take unfair advantage of other competitors
4. Deliberate violence should never be used towards opponents.
5. Verbal provocation of any sort is unacceptable.
6. Use of bad language, whether directed at an umpire/referee, another player, oneself or anyone else, is unacceptable.
7. Never argue with an umpire/referee or contest their decisions. Any negative response towards an umpire’s ruling is unacceptable.
8. Immodest behaviour in victory or success, and manifestation of self-disgust at an error or failure are considered to be poor sportsmanship and are therefore unacceptable.
9. Respect the rights, dignity and worth of all participants, regardless of their ability, race, ethnic background, gender or religion.
Spectators/Parents Code of Behaviour

1. Children appreciate the presence and positive support of parents and spectators.
2. If Pulteney is host, assume some responsibility for making visiting parents and spectators feel welcome.
3. If you are visiting another school, respect the host’s premises and rules in matters of parking, tidiness and social etiquette.
4. Never seek, during a match, to give advice to coaches, umpires/referees or to players.
5. Set an example of good sportsmanship to your children by applauding good play from both sides and by refraining from verbal abuse or remarks which belittle players or umpires/referees.
6. Support all efforts to remove verbal and physical abuse from sporting activities.
7. Respect the rights, dignity and worth of all participants, regardless of their ability, race, ethnic background, gender or religion.

Coaches and Coordinators Code of Behaviour

1. Ensure that the time participants spend with you is a positive experience. All young people are deserving of equal attention and opportunities.
2. Positive constructive feedback on student performance is appropriate and any negative feedback on student performance is to be given in a considerate manner and without demeaning the student.
3. There must be no psychological abuse of students by coaches and other volunteers.
4. Any physical contact with a young person should be appropriate to the situation, necessary for the participant’s skill development, and be with their consent. When in doubt, don’t touch.
5. Respect the rights, dignity and worth of all participants regardless of their ability, race, ethnic background, gender or religion.

Preparation for Demolition

The community will notice some real changes to the 190 Sub School redevelopment in the next few weeks. Fencing has appeared in the Music car park and to the lane way of Kurrajong defining the building site. Preparation for demolition continues where the contractors have been disconnecting existing services and removing material from within the building. Hoardings are being erected to the stairwell to the Music Building and relocation of essential ICT fibre lines is being organised.

The school asks again, for parents to be particularly careful in dropping off and picking up children in the Osmond Street area. This street will be subject to road closure when the building is pulled down and material is trucked off site, as well as for concrete pours, delivery of materials etc. Further information on road closures will be given as details come to hand.

All students (and parents) are encouraged to attend, to explore their future career options. There are many exhibitors, including representatives from all Universities in South Australia, plus some from interstate and overseas, Private Education Colleges, TAFE SA, Government Agencies, Professional Associations, Local and National Employers and the Defence Forces. For more information, go to http://www.careersevenet.com/AdelaideTSCEA/Home.php

Bond University Information Evening – May 26, 6.30pm

Students interested in applying to Bond University are advised that applications are now open. Each year, Bond University offers a 50% Collegiate Scholarship and a 50% Leadership Scholarship to two Pulteney Year 12 students. Year 12 students have been emailed detailed information about the process of application for these two scholarships, which involves an online application to Bond University and also an internal school application. Bond University also offer a number of full-fee and part-fee scholarships to Australia’s best and brightest students. To learn more about Bond University, FEE-HELP, financing a degree and the scholarships on offer, parents and students are invited to attend an Information Evening on Monday 26 May, 6.30 – 8.30pm at the Adelaide Hilton. To register, go to www.bond.edu.au/experience or email events@bond.edu.au.

In addition to attending the information night, students wanting to apply for the many Bond University scholarships online are encouraged to go to http://www.bond.edu.au/scholarships to explore their options. If applying to Bond University, students will need to attach the following information to their application:

- a recent photograph
- their full resume
- all supporting documentation outlined in the selection guide for each scholarship
- certified copies of school reports and academic transcripts

Students will also be required to provide a letter of reference from a nominated person from Pulteney. Applications for all Bond University scholarships close on 31 July. The Admissions Manager for SA is Mr Matt Stubbert and he can be contacted by email at mstubber@bond.edu.au.

Living and Studying in the UK – Information Evening - Tuesday 27 May, 7pm

Students interested in exploring study options in the UK are encouraged to attend an information evening being conducted by representatives from the British High Commission and UK institutions. The evening is being held in Memorial Hall, at St Peters College, on Tuesday 27 May from 7 – 8.30pm and will include information on study options in the UK, visa issues and processes, the UK application process and UCAS. There will also be an opportunity to ask questions at the end of the presentation. There is no cost to attend but attendees do need to register at http://www.eventbrite.com.au/e/study-uk-adelaide-registration-11297333629.

**VET courses for Semester 2**

Vocational Education and Training (VET) courses are practical in nature and allow students to develop skills and explore possible career areas, while gaining SACE credit. Courses are held off-campus and can be either during or after school hours and encompass areas including architectural drafting, fashion design, fitness and hospitality to name a few. If your son/daughter is in Year 10 or 11, and is interested in studying a VET Course in Semester 2, please encourage them to see me as soon as possible to discuss their options. Courses are filled on a ‘first come’ basis and applications are open now.

**University and TAFE Open Days – 15 to 17 August**

Open days at University and TAFE are a fantastic way for students and their families to explore post-schooling options. This year, Adelaide University, UniSA and Adelaide TAFE, will be open on Sunday 16 August, with Flinders University open on Friday 15 and Saturday 16 August. Please put these dates in your diary, as I would strongly encourage all Year 10, 11 and 12 students, who are considering TAFE and University options, to attend. Timetables and more information will be available closer to the date, or on the respective institutions websites. For your information, if you are interested in attending any interstate university open days, the following website provides dates for all Australian universities: http://www.hobsonscoursefinder.com.au/Open-days?gclid=CO3ZsuX-krcCFSZNPgodDExwApg#.UZDQMqWPI20

**International College of Hotel Management Career Week – Monday 7 to Friday 11 July**

Year 11 and 12 students considering a career in hospitality or business are encouraged to explore the possibility of taking part in the ICHM Career Week program. It is a live-in introduction to the College, where students will learn about international tourism and hospitality, explore different career paths, gain an introduction to management and supervision topics, visit local hospitality and tourism sites and learn more about the opportunities of studying at ICHM. Further information is available at http://www.ichm.edu.au/ or from the Careers Office.

**ProjectABLE**

ProjectABLE is a no cost careers workshop for students in Years 10, 11 and 12. These 3.5 hour workshops are hosted by various disability and community care organisations throughout Adelaide and are delivered by expert trainers, staff and people with a disability. The workshops are an introduction for students to the many and varied career opportunities in the disability and community care sector. The career opportunities include business management, allied health and social work.

**Spectrum Art & Design Competition**

The University of SA is conducting the Spectrum Art & Design competition. Any entries in the competition go in the draw to win $1500 in prizes. To enter, applicants simply need to create and name their own colour and write a brief narrative of up to 100 words explaining its significance. For more information and to enter, go to www.unisa.edu.au/spectrum. Submissions due by 16 September.
University of SA Aspiring Filmmaker Competition

UniSA is conducting a short film competition for high school students interested in filmmaking. All applicants go in the draw to win $2500 in prizes. There are two categories – film and animation. All finalists will have their films presented at the Magill @ Twilight Short Film Festival. For more details, go to www.unisa.edu.au/shortfilm. Films must be submitted by 25 August.

Soccer

Boys First XI lost to St Peters College 5-1
Goal scorers:
Photi Karagiannis 1

Best players:
James Cartwright
Luis Wiltshire
Nathan Reade

A very disappointing result but the boys showed belief and fight in the last 20 mins of the game. There were some good moments as well as some average moments which we can work on during the week.

Boys 2nd XI defeated St Peters College 5-3
Goal Scorers:
Alex Tynan 2
Mikel Tesfa
Max Amey
Jake Cooke-Tiley

Best players:
Alex Tynan
Jake Nayler

Key things the team did well or need to improve on.

i. Massive improvement from last week in both defense and attack
ii. Shape was much better which showed in our transitions from defense to attack and vice versa
iii. We still need to work on fitness, towards the end of the game our concentration dropped due to fatigue

Boys 3rd XI lost to Pembroke 0-9
Best players:
Francis Huynh
Theodore Spyropoulos
Alexander Phillis

The team put in some good counter attacks but couldn't get the final shots.
The team could hold the ball well in the midfield but couldn't apply a solid tackle when the ball was lost or the other team was on the attack.
**Middle A's (year 9)** lost to Marryatville HS 1-5

Best players:
Nick Nayler  
Eddie Little  
Alexandros Chisolm

Outgunned by a larger more skillful outfit with 7 substitutes. Pulteney, with a single sub and ravaged by injury and illness, demonstrated the considerable progress made by the players individually and as a team. Jake Goehr’s superbly headed goal from a perfectly weighted Eddie Little corner capped one of several periods of dominance. Alexandros’ positioning and safe hands meant Nick Nayler, who demonstrated skill and composure at sweeper, could relax a little.

**Middle B’s (year 8-9)** lost to Trinity College 0-8

Best players:
Alistair Porter  
Chase Tucker  
Josh Hackett

They were a much better side and were all over us and there was very little we could do but defend, which the boys did very well. It was good to play against opposition of quality, it taught the boys a lot of soccer sense.

**Year 7** drew with Cabra 4-4

Best players:
Jake Reedman  
Thomas O’Dea  
Kyia Sordillo  
Lachlan Casey

The boys responded very well from last weeks lost, by getting 3 first half goals on the board. With a slightly different structure and emphasis on passing, the boys competed very well with a quality opposition.

**Girls First XI** Defeated Scotch College 3-1

Goal Scorers:  
Miah Nalpantidis 3

Best Players:  
Kimberly Adkins  
Katherine Blunt  
Miah Nalpantidis

In a preview to the Intercol game next term, the girls performed very well. To score on the counter-attack and restrict the opposition to 1 goal was fantastic. Great defensive play and our ball movement is progressing well.

**Girls Second XI** Bye

**Girls Middle A’s** Defeated Scotch College 1-0

Goal Scorer: Kate Evans

Best players:  
Kate Evans  
Anastasia Patsouris  
Aneisha Bishop

The girls kept the pressure on, even when things became tough for them. They all worked tirelessly for a well-deserved win, continuing their great start to the season.
Girls Middle B's defeated Saints Girls 3-0

Goal Scorer:
Luana Nichinonni 2
Shona Heath

Best players:
Shona Heath
Luana Nichinonni
Lara Candy

Great offense in the second half. Defense was good at stopping opponents from probing attacks.
