From the Principal

Nepal Disaster Relief Project

The plight of our extended school family in Nepal has touched all members of the Pulteney Community, and the resultant support has been humbling.

During 2010 Pulteney Grammar School developed a relationship with Mother Rajan, founder and coordinator of the Deprived Women’s Upliftment Centre Orphanage in Golafatur, Nepal. The Orphanage provides a safe and loving home for up to 100 abandoned and orphaned Dalit (untouchable) girls and boys, aged between 3 and 17 years. Our introduction to Mother Rajan was made by the late David Rusk who was, at the time, President of the Rotary Club of Blackwood and a great supporter of projects in Nepal.

Since 2010 a wonderful partnership of support for the Orphanage has emerged between the Pulteney Community and the Rotary Club of Brownhill Creek. Rotarians and Pulteney Grammar School students, parents, staff and Old Scholars have travelled to Nepal on a number of occasions to assist Mother Rajan’s work; it has been a privilege to have been able to live and work with the Nepali staff and children in a remarkably different setting, leading to a great enhancement of understanding between two vastly different cultures. The life changing experiences, as described by a number of participants, have given the opportunity to interact with, and assist, people with relatively no material wealth, but with a richness of culture and happiness and joy of life that have impassioned our community.

Mother Rajan’s dream was to build a school on the Orphanage grounds to sensitively meet the needs of these very special children, who require high levels of educational, social and personal support.

The Pulteney community joined with the Rotary Clubs of Brownhill Creek and Dillibazar (Nepal) to undertake a Rotary Australia World Community Service Project. The shared goal was to realise Rajan’s dream to build and equip a school attached to the Orphanage. During a Pulteney visit to the Orphanage in September 2013 we were privileged to lay the Foundation Stone for the School and in February this year many supporters, including Adelaide Rotarians and members of David Rusk’s family, travelled to Kathmandu for the opening ceremony.

Unfortunately the devastating earthquakes of 25 April and subsequently on 12 May have caused significant damage to both the Orphanage and school buildings. Our current appeal for funds will assist Rotary with the reconstruction work as the buildings are currently unsafe for habitation. A large retaining wall is being constructed beneath the School as it is feared it may collapse with any further significant seismic activity. Should the buildings need to be demolished, it may be impossible to retrieve their contents and this may bring another level of needed support.

On Tuesday 5 May Pulteney parents, Jo Bourchier and Lynne Rawson travelled to the Orphanage from Adelaide, carrying some 200kgs of much needed medical supplies, tents and personal hygiene products. The 55 children had, for 10 days since the original earthquake, been sheltering under a tarpaulin in the vegetable patch. Jo and Lynne’s arrival saw a tent city spring up, providing a great lift to Mother Rajan’s and the children’s spirits. They have been able to purchase much needed food, lighting, a generator, large water pump and other necessities to help make life more normal. As the monsoons are rapidly approaching, The Friends of Pulteney
, through generous community donations, are funding the building of a temporary, but substantial interim building, which will act as classrooms during the day and dormitories at night.

The general deprivation is terrible and the need for support great, and we are most grateful for the generous benefaction shown already, however appeal for your ongoing assistance. Old Scholars, and current students who have travelled to Nepal, along with those who were to travel on this year’s postponed trip are busy preparing for The Orphanage Fund Raising Dinner to be held on Friday 5 June. Please join us to support this amazing fund raising opportunity made possible by the incredible generosity of fellow Pulteney parents Roger and Jane Law and the brilliant team at the Grand Chifley. Students are also engaged in sorting and packing the many items donated since Jo and Lynne left, as we continue to investigate a cost effective method of delivering these items to Kathmandu.

Anne Dunstan,

From the Head Of Kurrajong

Grandparents and Special Friends Morning

Grandparents bestow upon their grandchildren the strength and wisdom that time and experience have given them.

Grandchildren bless their Grandparents with a youthful vitality and innocence that help them stay young at heart forever.

Together they create a chain of love linking the past with the future. The chain may lengthen, but it will never part…

Author Unknown.

This poem encapsulates the beautiful relationships seen yesterday at our Kurrajong Grandparents and Special Friends morning. The weather held out for our visitors, who listened to the magical Kurrajong Choir perform as well as hear from specific students their special thoughts about their Grandparents, who spoke in English, French, Italian and Greek! The visitors then had the opportunity to explore the vibrant classrooms and share morning tea with their grandchild. A very big thank you to the many parent helpers who assisted me on the morning as well as the prefects.

‘Understanding anxiety’ – parent workshop

Last Wednesday 13 May over 50 parents from Pulteney listened to our guest presenter, Madhavi Nawana Parker, present on the topic of ‘Understanding anxiety’. Below are a few key points from this workshop:

- Stress is normal and prepares us to rise to challenges.
- We need to be empowered by stress and not to fear it.
- Stress keeps us focused and organised.
- Courage is a character strength that we are all born with and need to develop and practice.
- We need to practice things 200-300 times before we get good at it.
- We need to let children feel emotions and then empathise with them eg ‘You are

Go to: www.facebook.com/pulteney and click the like button.

The Pulteney Boat Club is holding an Annual General Meeting on Wednesday 10 June, 2015. The meeting is at 6:30-6:45pm Schrader Library/ Resource Centre.
• Try not to “fix” things for your child. If we do we give them the message that they cannot cope without us, that they cannot do it alone.

• Courage is the strength to draw upon during anxiety.

• Encourage your child to live, learn and play to their strengths.

• To work out the strengths of your family members visit the website www.authentichappiness.org and challenge your family to focus on developing each person’s signature strengths.

• If your child says they cannot do something, reply with “Yes, you cannot do that YET”.

• **Tips for separation anxiety:**
  
  o Empathise with your child “I know you do not want me to leave, you want me to stay”.
  
  o Develop a goodbye ritual – the child can then predict the routine.
  
  o Organise a transitional object – this may be a photo, small crystal that “has all your love inside it” or something special from home that connects the child and family.
  
  o Draw attention to the next connection – “I so look forward to hearing about your day when I pick you up” or “I will be thinking of you” rather than saying “I am going to miss you”, otherwise your child will worry that you miss them.
  
  o Be the point of calm (even if you do not feel it on the inside!).

• **Tips to respond to anxiety:**
  
  o Acknowledgement – “You are feeling really worried”.
  
  o Acceptance – give your child a hug.
  
  o Normalise the situation eg “All children feel like this on their first day of school”.
  
  o Depersonalise – let your child know it is not them but their body that is making them feel this way.
  
  o Allow the emotions to have a presence – dismissing emotions only makes the situation worse.
  
  o Show them you are confident in them.
  
  o Play with your child – 5 minutes playing outside reduces the cortisol levels (stress hormones) in your body. Find where less stress occurs and spend more time in that environment.

• **Diaphragmatic breathing:**
  
  o You can calm your brain by breathing in this manner. It is often called the ‘4.7.8 Breath’.
  
  o Breathe through your nose with mouth closed.
  
  o Breathing needs to be slowed and from your diaphragm, not from your chest.
  
  o Breathe in for 4 seconds, hold for 7 seconds and breathe out through pursed lips for 8 seconds.
  
  o This type of breathing once practiced is meant to have the same side affects as taking anxiety medication.

• **Some ideas for relaxation and stress management:**
  
  o Progressive muscle relaxation – keeps your nervous system calm.
  
  o Abdominal breathing mentioned above.
  
  o Meditation.
  
  o Pets.
  
  o Tell yourself “I am calm”.
  
  o Music.
Red Shield Appeal

Today students will have come home with a note regarding The Salvation Army’s Red Shield Appeal. On Friday 29 May students are asked to come to school dressed in their normal school uniform that they wear on a Friday, but with a splash of red, together with a gold coin donation. Suggested items could be red ribbons, zinc cream, badge, bandanna, jewellery, coloured spray in hair, socks, tie and much more! Students will attend a Whole School Assembly at 11am on this day to hear more about the Red Shield Appeal. At lunchtime the students can purchase a sausage in bread (please fill in order form on the note and return to your child’s class teacher with $2 per sausage). Students can bring lunch from home as well as order lunch from the tuckshop on this day.

At our Kurrajong Assembly on Wednesday 27 May, the students will find out exactly how our donations will support disadvantaged Australians, by listening to our very own Pulteney parent, Duan Kereru (father of Diesel and Tyler), who is the Community Engagement/Social Media Representative at The Salvation Army. The whole school looks forward to coming together as a community to raise money for this important charity.

Learning beyond the classroom

Kurrajong staff and students have certainly been extending their learning beyond the classroom to enhance their units of inquiry throughout Term 2. Year 1 students ventured to Cleland Wildlife Park, exploring the park and introducing students to Australian animals, habitats, unique animals and animal classification for their Inquiry/History and Science studies this term. As part of the Come Out Children’s Festival some of the Kurrajong students have been visiting the Lynley Dodd Exhibition throughout May during their Resource Centre lessons to coincide with their unit of study focusing on the characters, illustrations, rhyme and discussions on how a storybook is created from beginning to end. Year 2 students visited the National War Memorial to consolidate their investigation of Anzac Day and sites of significance. The students utilised their new iPads on this excursion, taking photos of their learning, used the Pic-Collage app to collate their learning and then emailed this to their parents! Reception students are eagerly awaiting their upcoming excursion tomorrow to Belair National Park, focusing on their Science inquiry of ‘Living things’. Our ELC students continue to enjoy their ‘Adventure Walks’ in the parklands, soaking up the natural world and getting back to nature as well as enhancing their wellbeing.

Wishing you a wonderful week ahead. Stay warm and dry!

Warm regards,

Virginia Evans,
Head of Kurrajong

From the Chaplain
Belonging- the imagery and metaphor of the grapevine

The Bible reading in chapel last week was from John’s gospel and referred to God as a vine grower and Jesus as the vine. References were made to pruning, bearing fruit, abiding and love. Much more besides.

In the Prep School I was helped by the Year 6 House Leaders to prepare for chapel. We explored the idea of belonging to God and belonging with each other. We unpacked a statement by Nobel Peace Prize winner Jane Addams: ‘The good we secure for ourselves is precarious and uncertain until it is secured for all of us and incorporated into our common life’.

‘By this we think Jane Addams means we need to understand that everyone needs to be living
a good and happy life if our community is to remain peaceful and happy. We know from history and the news that if people are being treated badly or are in desperate poverty while others have plenty there may come a time where there will be trouble and conflict in a community.

We all need to be treated fairly. Humans strive for justice. It is our instinct to strive for fairness and justice. However when there is cruelty and injustice there are times when conflict, fighting and disharmony will occur.

We all need to work together in community to ensure everyone is treated fairly and experiences equality of opportunity and choice in their lives. We can’t do this alone. We need to remember that we are all deeply connected like the branches roots leaves and fruit of a grapevine. When we take care of each other we can all flourish.’

Desmond Tutu is another winner of the Nobel Peace Prize. He is an amazing man who did inspiring work to bring an end to apartheid and also to heal the South African community after the fall of the apartheid regime in 1994. He has worked with people in Rwanda, Sudan, Gaza and Northern Ireland to deal with the consequences of the brutality that can sometimes happen when people are in constant conflict with each other.

One thing Desmond Tutu says is, ‘We must recognise that we are part of one group, one family, the human family. Our survival as a planet depends on it. We are part of one family, and we are fundamentally good’.

I think both our Nobel Laureates are in synch with what Jesus is talking about when he says, ‘I am the vine, you are the branches. Those who abide in me and I in them bear much fruit’.

There’s an interesting word in there that we don’t use very much these days: abide. What does it mean? Abide is an old English word, and it translates a Greek word meaning ‘remain as one’, ‘don’t become separate or different’. Jesus says, ‘Abide in me as I abide in you.’ ‘Remain as one with me, stick together with me, as I stick together with you’.

Sticking together is good for us all. We are social creatures, made for relationships. Good relationships help us to flourish. It is through staying deeply connected that we can bear much fruit.

Desmond Tutu is a good example of this. Staying deeply connected to Jesus helped him to stay deeply connected to people – not only friends, but also enemies. On one occasion he was at a funeral for four young men killed by the South African security police. Trouble broke out when an angry mob seized a man suspected of collaborating with the security police and the mob prepared to burn that man alive. Tutu charged into the middle of that mob and challenged them face to face, with no thought for the risk to his own safety. His work with others in the Truth and Reconciliation Commission facilitated a peaceful transition to democracy when there was every reason to expect civil war. He worked tirelessly for human rights in many different contexts, consistently speaking with confidence from the goodness in him to the goodness in others – always recognising God’s abiding presence with every human being.

Desmond Tutu has now retired from an abundantly fruitful public life. He has always taken seriously Jesus’ encouragement: As the Father has loved me, so I have loved you; abide in my love. It’s not just an encouragement, it’s also a commandment, and in fact it’s immediately after today’s reading that John records Jesus’ famous statement that we heard in our Anzac Remembrance service this term: ‘This is my commandment, that you love one another as I have loved you. Greater love has no one than this, that someone lay down his life for his friends’. This is how we abide as branches in the one vine – recognising that we belong to each other – all of us, together, staying connected in love.

Nepal Orphanage Appeal

Please keep Jo Bourchier and Lynne Rawson in your prayers as they travel to Nepal to help at the orphanage.

Baptism and Admission to Communion

During Term 2 the Prep School Year 3 cohort will be preparing for Admission to Communion in the Anglican tradition and for some students this will also include Baptism too. This is a
wonderful opportunity to explore and deepen their knowledge and understanding of their faith and the faith that underpins the Pulteney community and its connection with the wider Anglican Christian tradition. While this particular program has a Prep Year 3 focus Term 2 is also a wonderful opportunity for any member of the Pulteney to explore Baptism and Admission to Commission. Please contact me with any questions. Term 3 will be a time of preparing for Confirmation.

Magdalene Centre

The season has turned and it is now wet and cold. The provision of gifts of food, warm clothing and blankets, and op shop items for the Magdalene Centre is brought into sharp focus when we think about our own discomfort, when in fact we are very comfortable. The Pulteney community continues to be generous in its regular contributions. Donations can be brought to the Chapel Foyer. Basket and boxes have been labelled so that we can sort and care for your donations.

Chaplaincy Contact

I can be contacted at any time for any pastoral needs. Please email michael.lane@pulteney.sa.edu.au, phone 8216 5512 / 0434 297 879 or contact the school office.

Deep Peace,
Michael

Reconciliation Assembly

There will be a full school Reconciliation Assembly in the Sports Centre this Friday morning 22 May 2015, commencing at 8:35am and concluding at 9:20am. This assembly is to be held on the week before National Reconciliation Week and is an opportunity to celebrate and build respectful relationships shared by Aboriginal and Torres Strait Islander people and all Australians.

Please note that Jack Buckskin will conduct a smoking ceremony where several handfuls of dry grass and green gum leaves will be burnt. Students will be monitored by staff and school sister, Sharon Bowering, will be in attendance.

Mrs. Briony Franklin,
Year 1 Teacher

Ms. Cathy Lange,
Year 4 Teacher

Matthew Hume,
Year 12 Student
Year 8 Immunisations

Reminder For Parents Of Year 8 Students

Tuesday 2 June 2015 – 2nd Visit

All participating Year 8 students are reminded that their immunisations will be held on the morning of Tuesday 2 June 2015 in Wyatt Hall. It is important that your child eats breakfast that morning and please ensure that your child wears their PE Uniform.

If students miss the immunisations parents will need to organise these immunisations through their GP or Health and Immunisation Management Services on 81520363.

Thank you.

Paul Ryan,
Head of Middle School

Wellbeing

Prep School Inclusion Sticker Competition

This term, the Prep School has been focusing on the topic of inclusion. We have explored this topic in assemblies, Chapel services and we have undertaken a range of collaborative activities in our classes. As the Student Representative Council Chairpersons, we created an inclusion sticker design competition. We asked students to design an image that best represents inclusion. The images will then be produced into stickers that we will proudly display around the Prep School. We received over 100 entries from Years 3-6. The winning designs had to stand out as a sticker. Overall, the designs were fantastic. Some of the different images included love hearts, people holding hands, people playing together, nature, animals, key words and our school logo. Congratulations to everyone who submitted an entry. The winners are:

- Sarah Ninio
• Mikaela Hill
• Emma Neuhaus
• Isabella Shakib
• Matthew Adams

We are going to create a display of all entries in the front office and we look forward to having the winning designs turned into stickers.

Maddy Stephenson and Rory O’Callaghan.
Prep School SRC Chairpersons.

Futures

Auction Idol competition 2015

Congratulations to both Grace Nankivell (KM12) and Isaiah Fabbro (KM10), who last week competed in the heats of the 2015 Auction Idol competition and who have both been selected to compete in the state grand final this week. Grace and Isaiah represented Pulteney in an outstanding manner, with confidence and poise, and they are both to be commended on their commitment and dedication to their preparation for the competition. This is Grace’s third year of competing and she has been a fabulous support for Isaiah, who is competing for the first time. A big thank you to leading Adelaide auctioneer and real estate consultant, David Cocks (Pulteney Old Scholar), of Cocks Auld Real Estate, who has coached Grace and Isaiah in the skills of auctioneering over the past 12 weeks. We wish Grace and Isaiah the very best of luck for their grand final performance on Thursday.
National Careers and Employment Expo Adelaide – 22 and 23 May

All students (and their parents) interested in exploring their future employment options are encouraged to attend the National Careers and Employment Expo at Wayville Showgrounds on Friday May 22 (9 – 3.30pm) and Saturday May 23 (10 – 4pm). Entry is free. As part of the PLP, all Year 10 students will visit the expo on Friday during lessons 3 and 4. This year’s event will be a great showcase of employment, skills, education and training opportunities across Adelaide and South Australia. The expo welcomes visitors to come along and get careers advice, discuss study options with leading education providers, source information on industries of interest and speak directly with major employers. There will also be some information on GAP year opportunities, traineeships and apprenticeships. For a full list of exhibitors, and for further information, go to http://ncee.com.au/adelaide/.

University of Sydney – Tuesday 26 May, 6pm

The University of Sydney is the oldest Australian university. It consistently ranks in the top 5 or 6 universities in Australia and is also a Group of Eight university. The University offers an extensive range of undergraduate courses and pathway courses for medicine and dentistry. A representative from the University of Sydney will present to all Year 12 students, here at Pulteney, on Monday 25 May, at 12.45pm. Students interested in exploring this option further, and/or parents who would like to gain more information, are invited to attend a more detailed presentation, being held in the Memorial Hall at St Peter’s College at 6pm on Tuesday 26 May. To register for the 6pm session, please go to https://events.sydney.edu.au/office2/getdemo.ei?id=20522&s=_9FK0XXWQN

Dentistry, Oral Health and Medicine at the University of Adelaide – Sunday 31 May

The Faculty of Health Sciences is providing an information session on their Dentistry, Oral Health and Medicine programs at the University of Adelaide. The session will be held on Sunday 31 May 2015 in The Braggs Lecture Theatre, North Terrace Campus. The Dentistry/Oral Health session is at 11am and the Medicine program at 1pm. Tours of the Dental Simulation Clinic and Robin Warren Clinical Skills Facility are available before and after the sessions. Places are limited and registrations to attend are required. Register at http://www.eventbrite.com.au/e/discover-your-future-in-dentistry-oral-health-and-medicine-tickets-16854209394. The sessions will be recorded and uploaded to the Faculty YouTube channel post event for anyone who is unable to attend.

VET courses for Semester 2

Vocational Education and Training (VET) courses are practical in nature and allow students to develop skills and explore possible career areas, while gaining SACE credit. Courses are held off-campus and can be either during or after school hours and encompass areas including fashion design, fitness, business, music and hospitality to name a few. If your son/daughter is in Year 10 or 11, and is interested in studying a VET Course in Semester 2, please encourage them to see me as soon as possible to discuss their options. Courses are filled on a 'first come' basis and applications will open very soon.

Projects Abroad – Overseas Volunteer Program

Projects Abroad organise overseas volunteer programs for students leaving school, either as an alternative to schoolies, as part of a GAP year or over the summer at the end of Year 12. All programs are based on the principles of constructive service, safety and personal development, which provide opportunities for young people to develop life skills such as leadership, problem solving and self-confidence. The projects are flexible and allow students to travel at any time of the year for durations of between one and six months. For further information, students and parents are invited to ‘attend’ an online interactive information session on Tuesday 2 June. For further information, or to reserve a place, go to www.projects-abroad.com.au.
UMAT – registration closes soon

Year 12 students interested in applying for Medicine, Dentistry and other related health courses are advised that they are required to sit the UMAT test on Wednesday 29 July 2015. The UMAT is a test that is used for entry into medicine and related courses in Australia and New Zealand. A number of organisations offer UMAT preparation courses, and details of these courses are available in the Futures Office. Students are required to do their own research into which course, if any, they wish to complete. Many previous Pulteney students have completed UMAT preparation courses, however, it is the opinion of ACER (the UMAT test developers) and the Universities, that preparation tests are not required. UMAT applications are now open and students MUST register if they wish to sit the UMAT.

Registrations close Friday 5 June. Details of the UMAT, and courses that require it, can be found at www.umat.acer.edu.au. Students are advised to download a copy of the 2015 UMAT Information Booklet from this site. Applicants are reminded that on the test day, they will be required to show one form of photo-bearing identification, details of which are on the website.

Australian Defence Forces (ADF) Careers Expo and Information seminars

The ADF Careers Expo offers an opportunity to see and hear from today’s military leaders and is an ideal chance to gain insights into the multitude of defence careers available. The Expo is being held on Thursday 11 to Saturday 13 June 2015 at the Adelaide showgrounds, in the Goyder Pavilion. For more information email Cptsa@dfr.com.au or phone (08) 8402 5608. In addition to the Expo, the Defence Force are holding several information session over the coming months. Please see dates and topics below. All session are held at Defence Force Recruiting, 191 Pulteney Street, Adelaide.

Thursday 18 June – ADF Careers
Thursday 25 June – Australian Defence Force Academy (ADFA)

Adelaide ‘Bond with Bond’ Information Evening – June 15, 6pm

Students interested in applying to Bond University are advised that applications are now open. Each year, Bond University offers 50% Collegiate Scholarships to two Pulteney Year 12 students. Year 12 students have been emailed detailed information about the process of application for these scholarships, which involves an online application to Bond University and also an internal school application. Bond University also offer a number of full-fee and part-fee scholarships to Australia’s best and brightest students. To learn more about Bond University, FEE-HELP, financing a degree and the scholarships on offer; parents and students are invited to attend an Information Evening on Monday 15 June, 6 – 8pm at the Adelaide Hilton, 233 Victoria Square. To register, go to http://bond.edu.au/future-students/study-bond/see-yourself/bond-bond or contact Jennifer Latorre on 0437 024 134 or jlatorre@bond.edu.au.

In addition to attending the information night, students wanting to apply for the many Bond University scholarships online are encouraged to go to http://www.bond.edu.au/scholarships to explore their options. If applying to Bond University, students will need to attach the following information to their application:

• a recent photograph

• their full resume

• all supporting documentation outlined in the selection guide for each scholarship

• certified copies of school reports and academic transcripts

Students will also be required to provide a letter of reference from a nominated person from Pulteney. Applications for all Bond University scholarships close on 31 July. The Admissions Manager for SA is Ms Jennifer Latorre and she can be contacted by email at jlatorre@bond.edu.au.
Tertiary Studies and Careers Expo – Sunday 14 June and Monday 15 June

The Tertiary Studies & Careers Expo (TSCEA) is a comprehensive event, being held at the Adelaide Convention Centre on North Terrace, on Sunday 14 June, 10.00am – 4.00pm and Monday 15 June, 9.30am – 1.30pm. Admission is free. All Year 10, 11 and 12 students (and their parents) are strongly encouraged to attend, to explore their future career options. There are many exhibitors, including representatives from all Universities in South Australia, plus some from interstate and overseas, Private Education Colleges, TAFE SA, Government Agencies, Professional Associations, Local and National Employers and the Defence Forces. For more information, go to [http://www.careersevent.com/tscea](http://www.careersevent.com/tscea). This is a valuable ‘one stop’ event and any student considering studying post Year 12 will benefit from attending the expo. Attendees will also have the opportunity to win an apple watch, which is an additional incentive!

Year 11 Work Experience – 15 to 19 June

Year 11 students will undertake work experience in the week following their examinations this term. To prepare students for their placement, they have recently been involved in a workplace health and safety program, which will continue in the coming weeks. In week 7, students will be given their work experience journal, which needs to be completed and submitted on their return to school, along with a ‘final checklist’ to complete before they begin their week of placement. If you have any questions about work experience, please feel free to contact me.

The International College of Hotel Management Career Week and Open Day

The International College of Hotel Management (ICHM) at Regency Park runs a ‘Career Week’ program during the July and September holiday periods. It is a ‘live in’ introduction to the Hotel Management/Business course offered by ICHM. Information brochures and application forms are available from the Futures Office, or email admissions@ichm.edu.au. In addition to the Career Week, ICHM will also hold an Open Day on Sunday 16 August at 2.30pm. For more information on ICHM go to [www.ichm.edu.au](http://www.ichm.edu.au) or phone 8228 3612.

University and TAFE Open Days – 14 to 16 August

Open days at University and TAFE are a fantastic way for students and their families to explore post-schooling options. This year, Adelaide University, UniSA and Adelaide TAFE, will be open on Sunday 16 August, with Flinders University open on Friday 14 and Saturday 15 August. Please put these dates in your diary, as I would strongly encourage all Year 10, 11 and 12 students, who are considering TAFE and University options, to attend. Timetables and more information will be available closer to the date, or on the respective institutions websites.

University of NSW (UNSW) Scholarships.

The University of NSW offers ‘Co-op’ scholarships. These ‘industry linked’ scholarships are worth $18,200pa and are for four years of study in the areas of Business, Built Environment, Science or Engineering at UNSW. The scholarships are awarded to high achieving applicants (ATAR > 96). In addition, communication skills, community contribution, personal motivation and leadership skills are also considered. Information about the scholarships can be found at [www.coop.unsw.edu.au](http://www.coop.unsw.edu.au). Applications are now open and must be made online, but all applications require a school reference. Applicants should submit their applications well before the 30 September deadline to allow time for the school reference to be completed. Information on numerous other UNSW scholarships, can be found at [www.scholarships.unsw.edu.au](http://www.scholarships.unsw.edu.au).
The Job Guide

This is the last year that the Australian Government is producing the Job Guide, a long standing publication that has assisted many students and parents. The Job Guide will now only be available online at www.jobguide.education.gov.au. A supplement that is available for parents to support the use of the Job Guide can be downloaded from www.education.gov.au/career-development. Called ‘Parents Talking Career Choices’, it is designed to provide strategies and ideas for parents when assisting their children explore career options and pathways.

If you have any questions regarding careers, please feel free to contact me on leeanne.bryan@pulteney.sa.edu.au, 0400 477 512 or 8216 5553.

Leeanne Johnston-Bryan
Coordinator of Futures

Pulteney Shop

Open Times for Term 2

Wednesday 12.30 pm - 4.30 pm
Friday 8.00 am - 11.30 am

Year 7 – 12 Footballers.

If your number is coming off your football top please give to Mr Richard Sexton the Football Co-ordinator on Monday the 25/4/15 at the end of Recess washed and clean so that they can be repaired before your next match.

Have a great weekend.

Jenny Hewitson,
Shop Manager.

SAAS Cross Country
Pulteney hosted Race

Primary Boys
Patrick Winter 3rd

Primary Girls
Maddy Stephenson 1st
Chanel Borrelli 2nd
Ereni Vithoulkas 3rd
Jessie Aldridge 4th
**Kelsey Brion**  5th  
**Junior Boys**  
Nick Laity  2nd  
Daniel Bourke  4th  

**Sophie Radford**  2nd  

**Senior Boys**  
Matthew Gluyas  1st  

**Senior Girls**  
Sally McLoughlin  2nd  
Tessa Manning  3rd  

**Basketball**  

**one ninety**  

**1st V** – Game postponed due to state championships  

**2nd V** lost to St Ignatius College 40-43  

After a slow start to the game we eventually got going through Genborg’s tenacity followed by Sipak with a barrage of 3 pointers. Our sharp shooting was contagious with van Duivenbode and then Golfis adding to the scoreboard pressure. Edwards and Gu did a great job restricting their opponent and we took a slender lead into the final quarter with Lumsden wreaking havoc and Huynh providing steady support. A tight last quarter saw us fall behind with seconds to go and a well executed final play to draw level just missed leaving us 3 points short. Our high standard of team play drew compliments from our opposition and we can be well pleased with the step forward that we took this week.  

**3rd V** defeated St Ignatius College 62 - 11  

Another convincing win for the 3rd V. A big first quarter lead gave us the opportunity to practice our offensive structure. A well rounded game by all the boys.  

**4th V** – Bye  

**Middle School**  

**A’s** - Game postponed due to state championships  

**B’s** – defeated St Ignatius College 37-22  

A great way to get off to our first win of the season against quality opposition in Saint Ignatius. The boys started off slowly but to their credit worked their way into the game and started to edge out to what would be a 15 point winning margin. Lets hope that we keep this rolling and that this is the start to many more wins for the season.  

**C’s** lost to St Ignatius College 16-31  

Parts of our game improved this week, and others could still use work. Our offense was at times really good, when we would drive and cut, and look to score or pass off those moves. Other times we were stagnant and needed to get the ball moving to other players and around the court. This would mean that their defense would also have to move in response and have to work harder. In all an improved game since last week.  

**Soccer**  

**First XI:**
Pulteney 2 lost to Trinity College 4
Goal Scorers: Ali Kaissi, Doug Perrott
Best players Jiung Kim 3, Calvin Heath 2, Dion Vithoulkas 1

On Saturday the team was up against a well organised and well drilled team in Trinity. The players performed at a very high level and at times worried the opposition with a lot of commitment, passion and willingness to compete for the ball.

We conceded some really soft goals that undid all of the hard work. The boys showed me today that the areas we are working on at training are slowly coming together.

Overall we lost the game but there are plenty of elements that we’re happy with and just need to work together as a group at training to get our first win.

**Second XI:**
St Michael’s forfeit.
All played well.

**Third XI:**
Lost 1-0 to Trinity College
Best players: Zennor Johnston, Joshua Nicholls.

Third XI showed a drastic improvement compared to two weeks ago. Defense held a strong structure and didn’t allow any shots on goal with one exception for which we were punished. Forward line had numerous chances with our finishing letting us down and a very lucky saves from their keeper.

**Year 9:**
3-2 loss vs CBC
Goal scorers: Luka Amorico, Henry Jorgensen
Best players: Luka Amorico, Nick Nayler, Henry Jorgensen, Lewis Suttie

**Year 8:**
Lost 0-2 vs CBC.
Special mentions:
Dillon Hill, Marco Talladira, Jack Cavender

Unfortunately we lost our first game of the season. It was a close game and could have gone either way, with both teams having good chances. CBC were a strong side that were able to make the most of their chances.

**Year 7:**
Win 2-0 vs Sacred Heart.
Goal scorers: Lachlan Edwards 1, Will Steen
Best players: Will Steen and Ethan Nicholls

**Girls First XI:**
Lost to Pembroke School 5-0
Best players: Ella Wiltshire, Kimmie Adkins, Miah Nalpantidis

It was a disappointing loss for the girls. We started slow and allowed 3 crosses in behind the defense for easy scores. From the 15 minute mark the defense tightened and performed very well against a well-structured and hard running side. Some excellent passing through the midfield wasn’t rewarded with goals, we need to provide more of these opportunities against good opposition. Plenty to learn from the game and work on at training.

**Girls Second XI:**
Pulteney 1-0 loss to Pembroke School
Best players: Emma Henshall, Hannah Scholz, Christiana Michaels
Girls Middle A:

Pulteney 0 defeated by Pembroke 2

First game of the season for the girls saw them withstand some early attacks before conceding 2 goals. In response Lily and Sabrina successfully took on the challenge of stopping Pembroke’s 2 best players. The girls are demonstrating what we have been focusing on at training, including controlling the ball and passing to team mates.

Girls Middle B:

Lost to St Peters Girls 2-1

Goal scorer: Mia Paolo

Football

What a glorious day for football on the weekend! After a chilly start, the sun rose on the parklands to warm an enthusiastic gathering of parents who enjoyed a good quality game of football from our year 8/9 boys with solid performances across the field. Unfortunately however, the mood was not so happy in the leafy foothills where our year 6/7 footballers met a very strong and well drilled Scotch unit who controlled the game from start to finish.

The afternoon fixture saw our seniors back on home turf against Blackfriars again, hoping to continue our run of good form this season. This was not to be however as our opponents were able to create numerous scoring opportunities, their all round pressure causing skill and handling errors around the ground. Our leaders Redshaw, Adams, Bourchier and White were among our best however, man for man, we were outclassed.

Earlier in the week our 2nd XVIII met a team from Concordia who would have given many first teams a run for their money! Undaunted however, Pulteney threw themselves into the contest, giving their all for each other and walking off after the final hooter with heads held high. A great example of what sport should be about!

Richard Sexton,
Football Co-ordinator

Results

1st XVIII - PGS 6:9 (45) lost to Blackfriars 23:15 (153)
2nd XVIII - PGS 3:0 (18) lost to Concordia 18:11 (119)
Year 8/9 - PGS 22:16 (148) defeated Blackfriars 2:4 (16)
Year 6/7 - PGS 0:1 (1) lost to Scotch 16:5 (101)

Hockey

Pulteney First XI defeated Adelaide High School 4-1

The team, again, showed good movement of the ball during their solid win against Adelaide High School. With only 10 players, each member was up to the challenge. Vice-Captain, Charlie Fewster was the sole goal scorer for Pulteney bagging all four goals with 2 being assisted by Captain Mia Williams from Short Corners.

Middle School defeated Concordia College 1-0

Luka Kilgariff-Johnson padded up as goalie for the match against Concordia. The Middle School Team is finding form and it is wonderful to see the enthusiasm of the players at trainings and at matches. The team is starting to gel. Well done to Callum Menadue for scoring the match winning goal.
Prep Sport Notices

Auskick
Auskick at Pulteney will commence on Sunday May 24 at 10.00am on Morgan Oval which is directly behind Glover playground. To register go to aflauskick.com.au

Golf – SAPSASA
Any students in Yrs 5,6,7 who would like to attend a “student try out and qualifying day” at the North Adelaide Golf Course on Wednesday June 10 should see Mr Davis for an information pack or email bill.davis@pulteney.sa.edu.au Nominations are due in Monday June 1.

Netball – SAPSASA
Congratulations to Yr 7 girls Maggie Bailey and Jessie Aldridge on their selection in the East Adelaide District Netball team. They will compete in the statewide carnival in week 6 of this term. We wish them well in the carnival.

Football – SAPSASA
Congratulations to Ben Beswick (Yr 7) and Tex Wanganeen (Yr 6) on their inclusion in the East Adelaide Football Team that will compete in a statewide carnival in Week 6 of this term. We wish them well in the carnival.

Athletics Academy SA
Little Athletics and Athletics SA are starting up an academy open to all 11-19 year olds. Launch day is May 17. It is designed to assist athletes to further their skills, knowledge and motivation in athletics. The program covers all facets of athletics delivered by highly skilled and experienced coaches. Contact Little Athletics on 8352 8133 or Athletics SA on 8354 3477. For further details email Bill Davis, bill.davis@pulteney.sa.edu.au

Yr 5 Boys Gold lost to Scotch 5-6
Yr 5 Boys Navy defeated Scotch 9-1
Yr 6 Boys lost to St Pauls 3-6

Football
Yr 1/2 9-9-63 defeated St Johns 2-2-14
Yr 3 lost to St Johns
Yr 4 2-4-16 lost to Mercedes 13-14 - 92
Yr 5 10-7 – 67 defeated Rose Pk 0-2-2
Yr 6/7 lost to Scotch

Netball
Yr 2 Red defeated Glen Osmond 3-0
Yr 3 Blue BYE
Yr 3 White defeated Unley 5-4
Yr 3/4 Gold lost to St Johns Baptist 0-4
Yr 4 Navy won 8-2
Yr 5/6 Blue lost to Black Forest 4-33
Yr 6 White defeated Mercedes 36-2

Hockey
Yr 5 Navy lost to Goodwood 0-5
Yr 6 Black defeated St Johns 7-3
The Friends of Pulteney in association with The Grand Chifley invites you to
The Orphanage Fundraising Dinner

Friday 5 June 7pm at The Grand Chifley 208 South Terrace. Join us at this fabulous fundraising event for Mother Rajans Orphanage in Kathmandu. Through the incredible generosity of The Grand Chifley every cent of the ticket price will go to the orphanage.

There are only 180 seats so it will be a sell out, with the 3 course meal including fine wines, beer and soft drinks. Tickets are just $100 per head for adults and $50 for students. Book on line at http://www.trybooking.com/HVTL
Applications invited from **Year 11** students for the **National Youth Science Forum**
to be held in January 2016

The 12-day NYSF Program enables participants - students about to start their final year of high school - to "test drive" and make informed decisions about courses and careers in science. Participants gain an insider's view of campus life and how university study connects with careers. Workshops and field trips provide hands-on experience in real projects with top research scientists and engineers from industry and major research institutions.

Above all, the students build friendship links and networks that will continue through their studies and far into their later professional and personal lives!

**What will I do at the National Youth Science Forum?**

You will:
- Live on campus in Canberra.
- Visit laboratories of interest to you and learn about their research.
- Visit other laboratories to learn about collaboration and other areas of science.
- Visit industry and research sites to see science, technology and engineering in the workplace.
- Meet other like-minded students.
- Talk to leading academic and industry researchers and scientists about their work and careers.
- Learn about our supporting partners and the work they conduct.
- Discuss and debate emerging science and its impact on our community.
- Form life-long friendships and begin to build professional networks.
- Report to your home communities about the program, and the importance of science in our everyday lives.

**Who can apply?**

Any year 11 student who is
- Interested in a career in science, technology and engineering.
- Planning to do a science, technology or engineering course at an Australian university.
- An Australian citizen or has permanent residency status.
- Achieving good marks in science, but also has other interests and skills.

"I really like science but I’m not the number one student in my class..."

Applicants DO NOT need to be at the top of the science classes, as long as you can demonstrate an obvious passion and commitment to science subjects. It is important that you have a broad range of interests, both extra-curricular and academic.

Information leaflets and other information, including Application Forms, are available online at the website: [http://www.nysf.edu.au](http://www.nysf.edu.au), or see Mr Drogemuller (Head of Science) for brochures and information.

Applications close on 31 May 2015.
The Siemens Science Experience, a three-day hands-on science, engineering and technology program, will be conducted again in Australian universities in 2015 for students in Years 9 & 10. Each program includes a wide variety of practical activities, together with interesting presentations by leading scientists and engineers.

The South Australian dates are:

University of Adelaide  9th – 11th December
Flinders University   1st –  3rd December
UniSA            8th – 10th December

This is a Rotary Youth Services Project and fully supported by the Australian Science Teachers Association and Young Scientists of Australia. The cost of the three-day program is $120 (includes GST). Local Rotary clubs are often willing to pay this fee.

Further information and application forms are available from
Mr. Drogemuller (Head of Science), Rotary clubs and from www.scienceexperience.com.au.
Early application is advised.

Any Year 9 & 10 student is welcome to attend.
30 SEPT—2 OCT, 2015

Youth Workshops for academically gifted students in years 8-10
held in state-of-the-art facilities at Flinders University

Schools and families are invited to nominate gifted students from Years 8 to 10 who would benefit from in-depth workshops led by experts in their field. Students passionate about the arts, humanities and/or sciences are encouraged to attend.

There will be a variety of topics to choose from including: Analytical and Forensic Chemistry, Art, Creative Writing, Dance, Design, Drama, Engineering, Genetics, Law, Mathematics, Music, Palaeontology, Philosophy, Photonics, Physics, Renewable Energy, and Wetland Ecology.

Date: 30 September—2 October, 2015
Time: 9:30-4:00pm
Cost: $195 for 3 days of workshops and course materials. Special financial consideration may be given to country students and students who would be precluded by financial constraints.

Cost for family or school members of GTCASA: $160 (GTCASA membership number will be required).

To register your interest: please send the following details to youthworkshops@live.com.au
- School/family name and postal address
- Contact name, e-mail and telephone number/s
You will be sent a nomination form plus detailed information about the range of workshops being held.
Alternatively, register online here: http://gtcasa.asn.au/workshops/youth-workshop/
