From the Principal

Sensory integration is important to learning

In a PRW article last term I wrote of the value of experiential, hands-on learning for students of all ages. Just recently, I have been re-reading John Medina’s bestselling book, Brain Rules. It is a text to which I often find myself returning as it provides accessible and relatable information about the way in which the human brain learns and its capacity for adaptation. Medina has devised a set of rules by which all brains function but, as he is quick to point out, every brain is different!

Rule Number 9 is based around the importance of sensory integration to learning and memory. Human senses have evolved to work together (vision influencing hearing, for example) which means that we learn best if we stimulate several senses at once, as displayed in the two graphs below.

This translates directly to the learning environments we create at Pulteney. We know that when students work in multisensory environments and are active participants in those environments, their capacity for developing connections and consolidating memory and understanding is far more effective than when they are passively present in unisensory environments. This is why when visiting our classrooms you will see students (individually and collaboratively) speaking, listening, manipulating materials and objects to demonstrate their understanding, presenting, performing, writing and interacting with different tools and technologies.

“When I hear, I forget. When I see, I remember. When I do, I understand.”

Pulteney Wins  Anglican Cup 2014

Tradition continued on Wednesday 7 May as Pulteney again hosted the annual Anglican Cup Winter Sports Carnival against Woodcroft College, St Johns Grammar School and Pedare Christian College.

Pulteney was victorious once again resulting in back to back Cup wins. This year’s win was much more convincing with Pulteney finishing a massive 13 points ahead of second place.

Final points and placings were:
1st – Pulteney – 34 Points
2nd – Woodcroft – 21 Points
3rd – Pedare – 18 Points
4th – St John’s – 11 Points

The day saw Pulteney achieve some fantastic results.
- Boys Soccer - 2 wins, 1 draw
- Girls Soccer – 2 wins, 1 draw
- Football – 3 wins
- Girls Basketball -3 wins
- Boys Basketball – 1 win, 1 draw, 1 loss
- Hockey – 3 wins
- Netball – 1 win, 1 draw, 1 loss

It was fantastic to see so many students involved in sporting activities on the day as well as peers supporting their classmates during the day. All students participated at a high standard and in the true Pulteney spirit.

A big thank you to all staff coordinators, coaches and officials for the outstanding organisation of our teams as well as our grounds staff for preparing our ovals and facilities to such a magnificent standard. Thank you also to the Friends of Pulteney for their support running the BBQ and other facilities on the day.

I look forward to again hosting and winning the Anglican Cup in 2015.

General Notices and Reminders

Updated week to week sport information can be found on the Pulteney website by clicking on the 'Sport this week' link on the landing page. Students and parents are encouraged to check regularly as match details are subject to change at late notice.

Furthermore clicking on the ‘Winter Sport’ link will provide individual sports coordinators and coaches contact details as well the program for the term.

Students need to ensure that they are wearing the correct sporting uniform for individual sports. All uniforms can be purchased through the Pulteney uniform shop

Commitment

All students are required to undertake a physical activity and are encouraged to choose additional cultural activities to extend the breadth of their extra-curricular experience.

In the Middle School each and every student is required to participate in at least three activities per year, two of which must be sports (one in terms 1 and 4, and one in terms 2 and 3). These can be selected from a wide range of activities. In addition, all Middle School students are involved in community service activities.

It is compulsory for Year 10 and Year 11 students to participate in two co-curricular activities and Year 12 students to do 3 terms of activities. Even so, the expectation is for a greater level of involvement unless particular circumstances prevent this. In addition all one ninety students are also involved in community service activities.

School Sport vs Other Sporting Commitments

Pulteney enforces the ‘School First’ rule, which states that if a student plays for a club then the student must nominate for that particular sport at the School if it is on offer.

It is not acceptable for a student to exempt themselves from a school sport on the basis that they play this sport, or another sport offered by the school, for an outside club at the same time. Where such a clash occurs it is expected that the student will play for the school.

Where a student has a demonstrable commitment to a sport that is not offered by the school and this prevents involvement in a school sporting activity, then an exemption may be negotiated with the Head of Sport. In such cases this sporting commitment will be acknowledged by the school and credited as a bona fide co-curricular activity.

Amazing Grace

If one word could capture the main message of the Bible it would be grace. Grace is one of the most beautiful, important and life affirming concepts and, I believe, one that sets Christianity apart from other worldviews or religions. Ephesians 2:9 says, “For it is by God’s grace that you have been saved through faith. It is not the result of your own efforts, but God’s gift.” This gift, a gift of free forgiveness, is perhaps best captured in the words of one of the most recognisable songs in the English speaking world: ‘Amazing Grace’ - a hymn written in the 1700’s by a man who sold people into slavery in England.

John Newton, an Englishman who was involved in the slave trade for a large part of his professional adult life, grew up without any particular religious conviction. His conversion to
Christianity, well into his thirties, came after a variety of twists and turns (his life path makes for interesting reading – see here for a quick synopsis). It took some time for Newton to realise the error of his ways with his involvement in the slave trade, but his dawning of understanding led to him penning the words of Amazing Grace in 1779. He was ‘amazed’ that God could offer forgiveness so freely to a ‘wretch’ like himself. It was also this conviction that led John Newton to join the ranks of William Wilberforce in the fight to end the slave trade in England.

‘Amazing Grace,
how sweet the sound,
that saved a wretch like me.
I once was lost, but now am found,
was blind and now I see’.

’Twas Grace that taught my heart to fear:
And grace my fears relieved.
How precious did that grace appear;
the hour I first believed.’

Karen Petterson,
Chaplain

Auction Idol Competition 2014

Congratulations to Grace Nankivell (KM11), who this week competed in the heats of the 2014 Auction Idol competition and has been selected as one of six students to compete in the state grand final next week. Grace represented Pulteney in an outstanding manner, with confidence and poise, and is to be commended on her commitment and dedication to her preparation for the competition. Grace competed in 2013 and her aim this year was to make the grand final, so a big congratulations to Grace on achieving her goal and best of luck for next week! A big thank you to leading Adelaide auctioneers and real estate consultants, Sharon Gray and David Cocks (Pulteney Old Scholar), of Cocks Auld Real Estate, who have coached Grace in the skills of auctioneering over the past 10 weeks.
Pride of Workmanship Award

Congratulations go to Mark Wilkins who has recently been presented the Pride of Workmanship Award by the Rotary Club of Hallets Cove. This award is given in recognition of those who show great pride in their work and of their efforts toward improving their workplace. This is Mark's second major award, having been named the Maxima Employee of the Year. Mark is a great asset and is a true success story for Pulteney. Well done Wilko keep up the good work!

Bond University Information Evening – May 26, 6.30pm

Students interested in applying to Bond University are advised that applications are now open. Each year, Bond University offers a 50% Collegiate Scholarship and a 50% Leadership Scholarship to two Pulteney Year 12 students. Year 12 students have been emailed detailed information about the process of application for these two scholarships, which involves an online application to Bond University and also an internal school application. Bond University also offer a number of full-fee and part-fee scholarships to Australia’s best and brightest students. To learn more about Bond University, FEE-HELP, financing a degree and the scholarships on offer, parents and students are invited to attend an Information Evening on Monday 26 May, 6.30 – 8.30pm at the Adelaide Hilton. To register, go to www.bond.edu.au/experience or email events@bond.edu.au.

In addition to attending the information night, students wanting to apply for the many Bond University scholarships online are encouraged to go to http://www.bond.edu.au/scholarships to explore their options. If applying to Bond University, students will need to attach the following information to their application:

• a recent photograph
• their full resume
• all supporting documentation outlined in the selection guide for each scholarship
• certified copies of school reports and academic transcripts

Students will also be required to provide a letter of reference from a nominated person from Pulteney. Applications for all Bond University scholarships close on 31 July. The Admissions Manager for SA is Mr Matt Stubbert and he can be contacted by email at mstubber@bond.edu.au.

Living and Studying in the UK – Information Evening - Tuesday 27 May, 7pm

Students interested in exploring study options in the UK are encouraged to attend an information evening being conducted by representatives from the British High Commission and UK institutions. The evening is being held in Memorial Hall, at St Peters College, on Tuesday 27 May from 7 – 8.30pm and will include information on study options in the UK, visa issues and processes, the UK application process and UCAS. There will also be an opportunity to ask questions at the end of the presentation. There is no cost to attend but attendees do need to register at http://www.eventbrite.com.au/e/study-uk-adelaide-registration-11297333629.

VET courses for Semester 2

Vocational Education and Training (VET) courses are practical in nature and allow students to develop skills and explore possible career areas, while gaining SACE credit. Courses are held off-campus and can be either during or after school hours and encompass areas including architectural drafting, fashion design, fitness and hospitality to name a few. If your son/daughter is in Year 10 or 11, and is interested in studying a VET Course in Semester 2, please encourage them to see me as soon as possible to discuss their options. Courses are filled on a ‘first come’ basis and applications are open now.

University and TAFE Open Days – 15 to 17 August

Open days at University and TAFE are a fantastic way for students and their families to explore post-schooling options. This year, Adelaide University, UniSA and Adelaide TAFE, will be open on Sunday 16 August, with Flinders University open on Friday 15 and Saturday 16 August. Please put these dates in your diary, as I would strongly encourage all Year 10, 11 and 12 students, who are considering TAFE and University options, to attend. Timetables and more information will be available closer to the date, or on the respective institutions websites. For your information, if you are interested in attending any interstate university open days, the following website provides dates for all Australian universities: http://www.hobsonscoursefinder.com.au/Open-days?gclid=CO3ZsuX-krcCF5ZNpgoDEwApg#.UZDQMqWPl20

International College of Hotel Management Career Week –
Monday 7 to Friday 11 July

Year 11 and 12 students considering a career in hospitality or business are encouraged to explore the possibility of taking part in the ICHM Career Week program. It is a live-in introduction to the College, where students will learn about international tourism and hospitality, explore different career paths, gain an introduction to management and supervision topics, visit local hospitality and tourism sites and learn more about the opportunities of studying at ICHM. Further information is available at http://www.ichm.edu.au/ or from the Careers Office.

ProjectABLE

ProjectABLE is a no cost careers workshop for students in Years 10, 11 and 12. These 3.5 hour workshops are hosted by various disability and community care organisations throughout Adelaide and are delivered by expert trainers, staff and people with a disability. The workshops are an introduction for students to the many and varied career opportunities in the disability and community care sector. The career opportunities include business management, allied health and social work. For details of the workshops, please go to http://projectable.com.au/state/sa/.

Basketball
1st V defeated St John’s 44-22
A strong first up performance as we settle a new team and some new offences and defences. We jumped St Johns in the first half due to strong work from Tobin and then Sibly as well as a long range bomb from Gouskos. Rodda was lively and Reade controlled our tempo well. We ran an inexperienced line-up in the second quarter and this lost a little momentum for us, however Genborg, Sipek and Coumi all responded well with strong second half efforts and it was good to inject Bourchier’s energy into the group for the first time this year. Nielsen kept the scoreboard ticking over and teamed well with Tobin whilst Sibly continued his Anglican Cup shooting form to put the game beyond doubt. Still work to be done with a tough match against Westminster this week.

Scorers: J Sibly 18, N Tobin 8, M Neilsen 6
Best: J Sibly, N Tobin, M Neilsen, N Reade

Soccer

**Boys First XI** defeated Unley High School 7-0

Goal scorers:
- Apo Stamateopoulos 3
- Ali Kaissi 2
- Dom Talladira 1
- Nathan Reade with 1

Best players:
- James Cartwright
- Luis Wiltshire
- Apo Stamateopoulos

After 10 weeks of training we played our first game of the season, I’m pleased as how the boys performed, not only by the score line but most importantly, the intent and commitment they showed. We carried on from a successful Anglican cup and put on a great performance against Unley. We still have a lot to improve and I’m confident that with every training session and games we can only get better.

**Boys 2nd XI** lost to Blackfriars 1-3

Goal Scorers: Mikiel Tesfa

Best players: James Gillet, Jiung Kim, Max Amey

We attacked well on the break but don’t have that killer instinct yet in front of goals. Defensively is where we need the most improvement with both keeping shape and tackling an issue on the day. Communication among players will need to improve. James Gillet had an amazing game making numerous saves to keep us in it. A good start to the season.

**Boys 3rd XI** lost to PAC 6-3

Goal Scorers: Cael Keenan 2
- Sam Chapman 1

Best players:
- Cael Keenan
- Sam Chapman
- Elliot Franks

The boys started the game strong and showed PAC that they were going to put up a tough match when they were up 2-1 for a large portion of the first half. Unfortunately in the second half the game slipped away when they boys lost the great energy they had in the first half.

**Middle A’s** (year 9) drew with St Johns Grammar 0-0

Best players: Jake Goehr
- Nic Wilson
- Will Baigent

Positives from the game:
- Passages of play in which more than 5 passes occurred.
- Many occasions of players controlling the ball and looking to find a team mate.
- Midfield did a lot of running.
- Wide fullbacks very much in the game in attack and defense.
Middle B’s (year 8-9) lost to Glenunga HS 1-7

Goal Scorers: Harrison Grasso
Best players: Harrison Grasson
James Mellor
Alistair Porter

The team attacked very well and created multiple chances and were unlucky not to score more goals. The team worked well as a unit but at times left the defense exposed. We lost structure but that will improve throughout the season, as it was the first game. Very positive performance and the score line did not reflect the game at all.

Year 7 lost to PAC 0-11

Best players:
Jake Reedman
Hugh Brunning
Henry Jorgensen

Tried to pass to feet in the midfield, didn’t just kick forward which is what we worked on at training. Need to work on accuracy and strength of passes though. Dove in to tackles in the defence, which allowed them to get around our players and score. Defence did hold their line reasonably well though and pushed up when we were in possession.

Look forward to next week.

Girls First XI lost to Wilderness 2-8

Goal Scorers:
Miah Nalpantidis 1
Katia Stamatelopoulos 1
Best Players:
Kimberly Adkins
Natasha Holmes
Ruby Trnovsky

Girls were backing up their 4th game for the day, and battled very well, with no substitutes and 1 player down for parts of the game. A well-drilled opposition exposed our defense at times, and we missed some chances in front of goal. Look to improve for next week.

Girls Second XI lost to Wilderness 1-2

Goal Scorer:
Angelica Costi
Best Players:
Emma Henshall
Lillie Bailey

First game of the season and having a few players that had already played during the day at Anglican Cup it was going to be tough. The first half we battled hard but a couple of turnovers hurt us, and Wilderness got on the score board. The half time score was 2 nil however we had not played our best football.

The second half was much more pleasing and enjoyable to watch. We were full of run and passes started finding each other. Emma Henshall and Lillie Bailey were instrumental in getting Pulteney well on top, creating many chances in front of goal. It wasn’t until Angelica Costi slotted the ball in the back of the net. Hard running from Katherine Blunt and Sarah Giles, we pushed hard until the final whistle but weren’t able to get the score on the board.
Girls Middle A’s drew with Wilderness 1-1
Goal Scorer: Pippa Adkins
Best players: Isabel Tynan, Pippa Adkins, Alexia Dominato
The girls worked well together as a team to come back and score a goal to draw the game, a good start to the season.

Girls Middle B’s drew with Seymour 1-1
Goal Scorer: Alexia Pounentis
Best players: Sophie Baker, Cate Stone, Luana Nichinonni
As their first game together the girls did an incredible job of bonding and sharing the ball around evenly. All players gave 100% effort.
