From the Head of oneninety

Year 12 Students

Year 12 students are into their final week at school, with Swot vac starting immediately after their Valedictory Service on October 25. A letter outlining the end of year arrangements for students was posted home during the holidays, and by now everyone should have returned the reply slips to the Valedictory Service to their tutors.

To briefly recap, the final day for Year 12s begins with a breakfast at school followed by a farewell assembly for all senior school students. Morning tea for Year 12 students, their parents and grandparents, the guard of honour and the Valedictory Service follow this. Year 12 students are then asked to leave the campus with their parents and begin their period of study. Later, students and staff will gather at the Pavilion on the Park for the Valedictory Dinner.

Students have been reminded of the need to finish the year on the same positive note with which they began. They have also been reminded of the enormous benefits to their examination results of working hard between now and each of their examinations. Year 12 teachers over the last two weeks have outlined revision activities and I hope that their advice is heeded.

Lastly, I would like to take this opportunity to wish all Year 12 students a memorable ending to their schooling and encourage them to work hard to obtain the results they deserve.

Student Leadership

Student leadership is a very serious business given that our young people will be tomorrow’s leaders. Leadership is about inspiring others and one-self. It is not a set program, but rather an inner desire to help others. It should not be viewed as a routine, but rather a part of everyday life. While the School supports the belief that every student has leadership potential, the Forum of Prefects and House Captains selected to represent Pulteney in 2014 will shoulder a large part of this responsibility.

Pulteney has been blessed with student leaders who have wanted to shape the future of school life. In fact, our School leaders have left an enduring legacy of initiatives that students continue to benefit from today.

There is always disappointment for some in the process of selecting leaders, but this is also...
the nature of any leadership appointment. Many who are worthy miss-out and they must deal with this disappointment in as positive a way as they can, and in doing so, they must avoid criticism of those who have been appointed.

The students listed below deserve the opportunity to be student leaders. They will be aware that their appointment is not a prize, but rather the beginning of leadership responsibilities. It is how they see to their responsibilities and how they conduct themselves in their leadership role that is now important. They will, in effect be on probation until the formal induction ceremony early next year.

On Monday of last week it was my pleasure to announce the Forum of Prefects and House Captains for 2014. I have included below a list of students who were elected as Leaders for 2014.

Forum of Prefect Representatives:
Daniel Barnett
Mitchell Brunker
Angelica Costi
Nicholas Cross
Dimity Dutch
Maddy Kurpita
Imogen Loftes
Izzy Madsen
Isabelle Nikoloff
Sophie Perkins
Tim Porter
Julia Sibly
Matthew Van Der Sommen
Nicholas Winter

House Captains

Bleby – Howard House Captains
• Soni Lawson, Benjamin Martin and Jackson Tierney

Cawthorne – Nicholls House Captains
• Louis Morris, Lucy Pittman and Nathan Reade

Kennion Miller House Captains
• Maxim Amey, Photi Karagiannis, and Lexie Van Gemert

Moore-Sunter House Captains
• Brad Sipek, Zoe Taylor and Luis Wiltshire

I trust each will do his or her best to further enhance the excellent name of the school. It will certainly be a busy time for each of them with the many duties to be carried out prior to Speech Night.

BYOD (Bring Your Own Device)
On Wednesday 16th October, Pulteney held our second BYOD parent information night in Wyatt Hall. The night provided an opportunity to outline to our community the educational
reasoning behind the decision to head down a BYOD program as well as to provide information regarding the developments that have occurred in relation to device ordering. Later this week, a portal will be available to parents to view the PowerPoint presentation shown on Wednesday night, and also to purchase devices for use in 2014. Some of the issues raised on Wednesday night by parents in relation to cost have been added to the PowerPoint presentation for further clarification.

If parents have any questions or concerns regarding the BYOD program for 2014, please do not hesitate to contact me at school on either michael.holmes@pulteney.sa.edu.au or 8216 555.

Michael Holmes
Head of one ninety

From the Chaplain
Transition in Life

This week I have had the privilege of working with four Yr 12 students, drafting prayers for this Friday’s Valedictory Service. All four students shared a deep sense of just how much they value and appreciate what the Pulteney community has given them over the years of their schooling. The sincere desire to find the language to authentically transmit this gratitude is but a single testimony to just how special Pulteney is. This I clearly have witnessed. I have been here only four months and I know that Pulteney is a very special school.

This week in 190 Chapel we have explored the idea of transitioning in life. This is in the context of the Yr 12’s about to complete their final week of formal schooling. There are many constants in our lives. The love of God, family and friends is one. Change is another. Change can be an exciting thing, and it can also be a bit nerve-wracking at times. As we approach the time of year for our Year 12’s to prepare to leave school and for others to go through orientation for new year levels, we think about important transitions in life. We offer to God our fears and hopes for the changes ahead of us.

We can use change to make the most of the opportunities that are presented to us. We are often encouraged to think that we can be and do whatever we want to be. While this is not always crystal clear, most of us are fortunate to have a broad range of opportunities open to us. Some pathways will be obvious and lead us to certainty; other paths require faith and self-belief. This is where planning and open mindedness is a good thing.

Christians believe that God wants us experience abundance in life. Often this will be relaxed and joyous and at other times it is simply the fruit of dedicated hard work. God’s hope for us is that we do our best and experience the deepest sense of fulfilment and purpose. This will bring deep peace into our lives.

This is well worth remembering in our important decision-making and transition times. As our Year 12s prepare to leave school and younger students prepare to go through orientation for new year levels, we think about God’s plans for us in the important transitions in life. We offer to God our fears and our hopes for the changes ahead of us.

Lord Jesus Christ,
The same yesterday, today and forever;
Walk with us through the transition times of our lives.
In the times we feel scared or lost,
fill our hearts with wisdom,
In the times we are inspired by the new opportunities,
Help us to be all we can be,
Set our potential free to fly. Amen.

Deep Peace

Michael

New Website

This week Pulteney is launching its dynamic new website. You will be greeted by our current advertising campaign image as it opens and then choose from the following five sections:

- Our School
- Enrolments
- Students
- Community
- Foundation

Under each of these sections is a home page with a rolling image and four promotional boxes that are links to important information. A drop down list will also provide you with relevant detail.

Each page targets different user groups of the website, giving them the most relevant information. For example:

- Our School – broad overview for external visitors.
- Enrolments – prospective parents and new students.
- Students – new and current students and staff.
- Community – current parents, staff and old scholars.
- Foundation – the future plans for the school.

Key new features are:

- History timeline – an overview and images of Pulteney as the oldest school in Adelaide.
• Principal’s blog – a blog with comments posted from the community.
• Board photo gallery – professional and personal information about our Board.
• Online application form – apply online for the school.
• 3D flip book of our Prospectus - see our prospectus online.
• Enrolment calculator – calculate the expected year of enrolment for your child.
• Students page - featuring adventure learning and camps.
• School captain’s blog – A blog from our student leaders with an ability to post comments.
• Well-being page – outlining who the team are and what they offer.
• Sports Ground Locator – List of all sports grounds in Adelaide with a link to Google maps for directions.
• Uniform shop gallery – photos of all our current school uniforms.
• Community events galleries – photo galleries of all events.
• Foundation page – pages outlining the future plans for Pulteney.

Parents can find all the old features under the Community section such as:
• Sports this week – under Community and Sports & Activities with a new sports ground locator feature.
• Events & Trybooking – under Community & Events.
• News & Publication – under Our School.
• Synergetic Portal – under Community and Parents Portal.
• Tuck Shop – under Community and Shop.
• Calendar – under Community.

We hope you enjoy using the new website and please contact us with any feedback on 8216 5555.

Catherine Hunter,
Director of Enrolments & Marketing

Bob Gigney,
Publications Officer

2013 SA Schools Relay Orienteering Championships

On Friday the 20th of September 6 teams of 3 students competed at The Athelstone Recreation Reserve in the 2013 School Relay Competition. This event was organised by the many volunteers of Orienteering SA.

All students ran well and completed the course successfully, which is a great accomplishment. Of course some teams were faster than others, however we can be proud of the effort and attitude of our students.

The results were:

*Senior Boys (4.2 km)*
4th Cam Smith, Tristram Fyfe, and Scott Noack in a combined time of 110.28 minutes
5th Matthew Hume, Alex Redshaw and Sophie Rawson (119.55 minutes)
7th Charlie Fewster, James Gillett, and Calvin Heath (125 minutes)

**Senior Girls (3.5 km)**
1st Dimity Dutch, Julia Sibly and Maddie Kurpita (123 minutes)
2nd Charlotte Brader, Sophie Vardaro and Jackie van Renen (126.42)

**Junior Boys (2.7 km)**
4th Lachlan Rawson, Nick Golfis and Natasha Holmes (123.01 minutes)

A tremendous effort from the Senior Girls team who won the trophy. Special mention to the girls who competed within the boys competition, Sophie Rawson and Natasha Holmes.

Rick Woolford
Melbourne Cup Lunch 2013

This year we're offering two great venues with different packages:

The Naval, Military and Air Force Club

Pulteney will have their own room as part of a larger function. The Naval, Military and Air Force Club (111 Hutt St) is a unique and ideal place to gather with partners and friends to enjoy the Melbourne Cup atmosphere.

Canapés and a complimentary glass of Mumm champagne will be served in the gardens from 12.00pm. Dedicated food and beverage attendants serving a superb three course lunch from 1 pm including a seafood platter entree and choice of main. Price includes beer and quality wines.

Multiple LCD screens, sweepstakes, raffle, best hat and wildest tie competitions.

Time From 12 – 3pm (but can stay on in the bar)

Dress Jacket and Tie

Cost $105 including beer and wines

Parisis's

Parisis's on King William Rd - $60 per head

3 course luncheon (sit down main) and free glass of bubbles on arrival.

Luncheon includes: two course meal starter, four choice of main, two choice dessert and glass of champagne on arrival.

Raffles

Sweepstakes

TVs set up to watch the race

Pamper Room - for hair and make-up touch ups

Great prizes for 'best dressed' and 'best hat'

Fashion show-case

Jewellery & accessories stalls

Full bar facilities, open till late

Book here

2013 Strathalbyn Junior Age tournament

The 2013 Strathalbyn Junior Age tournament was held at the end of September

Patrick Luke competed in and won the boys 16 yrs and under section.

Patrick has been playing tennis for 7 years and this is his maiden tournament victory.

His tennis is characterised by a fierce commitment to practice and strong desire to win.

He is the number one tennis player in the school and given that he is in year 10 we look forward to him representing the school for a few years yet.
Duke Of Edinburgh’s Award

Congratulations to the following students who have completed one section of the Duke of Edinburgh's Award.

Daisy Buckland, William Baigent and Kate Westland have completed the Bronze section, Sophie Perkins, Izzy Nikoloff, Tristram Fyfe have completed the Silver level and Lewis Brideson has completed the Gold level recently.

Could parents encourage students to get their record book signed off when they complete an activity and return the completed record book to Mr Andrewartha who is happy to answer any questions about the award scheme.

Friends of Pulteney

Notice Of Annual General Meeting

The Friends of Pulteney Annual General Meeting will be held on Thursday 14th November at 7.30pm at The Seven Stars Hotel.

If you would like to attend any meetings please contact the Community Relations Office on 8216 5520 or ashton.denberger@pulteney.sa.edu.au.

Students in ELC going into Reception in 2014 are asked to come into the Pulteney Shop as soon as possible to be fitted for their new Uniform.

Female Students in Year 9 going into 190 in 2014 are also asked to come into the Pulteney Shop to be fitted for their Uniform.

Good luck to our Year 12 Students who will be shortly sitting for their exams.

Have a great weekend.

Jenny Hewitson,
Shop Manager
Careers Corner

Thank You, Sharon!

Firstly, I would very much like to thank Sharon Pearce for taking up the Career/VET role, in such a professional and efficient manner, throughout my absence in Term 3. I know the students appreciated her advice and support, particularly in relation to subject choices, and University and TAFE applications for the Year 12’s. It was a pleasure to come back to the Career Office and know the Term 3 work had been so competently handled.

Year 12’s

I would like to wish all Year 12 students the very best of luck as they head towards the ‘finish line’ of their schooling. I will be sending out a letter to all Year 12 families in the next few weeks, outlining important dates and information that may assist them over the coming weeks and months, as they make decisions regarding their future study options. If Year 12 students or families have any ‘last minute’ questions, please do not hesitate to contact me.

Year 11 University Excursion – Wednesday 6th November

Year 11 students will have an opportunity to visit one of the campuses of the 3 major universities in Adelaide on Wednesday 6th November. This excursion allows students to ‘get a feel’ for a university, view the facilities, ask questions and seek information about possible study options. Parents will receive a letter later this week, outlining further details.
**MAPS Film School Information Night – Wednesday 23rd October**

Students interested in pursuing a career in screen and media are advised of an information night being held at the MAPS Film School, 815 Marion Rd, Mitchell Park, on Wednesday 23rd October, 7:00pm. For further information about the courses offered, go to http://www.maps.sa.edu.au/.

**UniSA: Education, Arts and Social Sciences Undergraduate Expo – Wednesday 27th November**

Students interested in finding out more about the education, art, architecture, design, social science, social work, psychology, history, Indigenous cultures, international relations, languages, communication and media programs at UniSA are invited to attend the expo on Wednesday 27th November, 6:00pm - 8:00pm, in the A Building, Magill Campus, University of South Australia. For further information, or to register, go to http://www.unisa.edu.au/Calendar/Education-Arts-and-Social-Sciences-Undergraduate-Info-Sessions/

**TAFE SA Information Session**

Students interested in exploring TAFESA courses are encouraged to attend an information session in their area of interest. All upcoming information sessions, which include courses in art and design, fashion, building and furnishing, information technology, community health and engineering, are listed on the TAFESA website at http://www.tafesa.edu.au/courses/info-sessions.

**Defence Force Information Sessions**

Students wishing to explore the Defence Force as a career are invited to attend the following upcoming seminars:

- **Careers in the ADF Information Sessions** - Wednesday 13th November or Tuesday 26th November at Level 4, 191 Pulteney St, ADELAIDE at 6pm
- **Women in the Air Force Webinar** - Thursday 28th November, 6:30pm – 7:30pm (AEDT)

This webinar will provide an open forum for women interested in joining the Air Force to ask questions and hear first-hand what it is like to be a Woman in the Air Force. Join in at http://www.defencejobsbroadcasts.gov.au/

- **One Year to Adventure (Army)** - Tuesday 10th December at Level 4, 191 Pulteney St, ADELAIDE at 6pm

**MyUniversity website**

At this time of year, when Year 12 students are trying to make final decisions about their course options for 2014, the myuniversity website offers a range of information that might assist. MyUniversity is an Australian Government website that provides comparable information on Australian universities and their courses, cut-off scores, graduate employment rates, attendance type, costs, student satisfaction rates and retention rates, to name a few. Go to http://myuniversity.gov.au/ to access the site.

**Torrens University**

Torrens University Australia is the first new private university to be established in over 20 years and in 2014, is offering a Bachelor of Commerce Program. It is a 2-year fast-tracked program that allows students to get a head start on their career by being in the workforce a year earlier than students studying a similar program in other universities. The program also offers opportunities for students to gain 120 hours of industry placement experience and a trimester of study abroad with the entire class (about 25 students). For students commencing in the inaugural class in January 2014, 60 scholarships are available. To apply for a scholarship, students are required to indicate their interest by ticking the box on the application form,
which is available from the Careers Office or from the website (http://tua.edu.au). Torrens University Australia will also be having an Open House for students and parents, which will provide you with an opportunity to visit the campus and enquire about programs on offer. This would be a great opportunity for students to get more information on the programs and ask any questions that they might have. The Open House will be held on Saturday 14th December 2013, at the campus, 220 Victoria Square (corner of King William Street and Wakefield Street), Adelaide.

Scaling and Tertiary Selection

Year 12 students and parents may be interested in the You Tube clip, released last year by SATAC, which helps to explain the scaling and tertiary admission processes that they use to determine a students ATAR. It provides a clear and useful insight into the issues associated with scaling and tertiary selection. To view, go to www.youtube.com/watch?v=TtQOrznAOc &feature=youtube_gdata_player

Health Pathways Initiative – Flinders University

Last year, Flinders University introduced a Health pathways scheme that involves reserving places in the Flinders University Medicine and other health professional post-graduate courses (Optometry, Occupational Therapy, Physiotherapy, Paramedic Science, Speech Pathology and others) for students who are enrolled in the Flinders University Bachelor of Health Sciences or Bachelor of Medical Science degrees. The aim of this initiative is to provide students graduating from these courses with a greater opportunity to subsequently gain a place in the health professional courses. For further information go to www.flinders.edu.au/healthpathways.

Dual Offer Pathways – Flinders University and TAFE SA

Students interested in combining the vocational benefits of a VET/TAFE qualification with the academic and professional benefits of a Bachelor degree can now do so in a more streamlined manner; with the recent introduction of the Dual Offer Pathway from Flinders University and TAFESA. Dual offer pathways exist in a range of areas, including business, commerce, digital media, engineering, drama and information technology, to name a few. This pathway maximises the credit transfer opportunities and may strengthen employment opportunities by completing two qualifications. Students can apply for a Diploma or Advanced Diploma that is linked directly to a Flinders University course, so they will receive two offers (the Flinders offer being conditional on the successful completion of the TAFESA qualification). For further information, go to www.flinders.edu.au/tafe.

University Bonus Points

Each of the three SA universities offer bonus point schemes for Year 12 leavers, when applying to certain courses. These points are added to the university aggregate for studying and passing specific subjects in Year 12, and a number of ‘equal access’ schemes are also available. Students who may qualify for these equal access schemes need to specifically apply for the bonus points, whereas subject bonus points are automatically added to a student’s aggregate. Details of these schemes can be found at www.flinders.edu.au/future-students/how-to-apply/special-entry/special-entry.cfm (for Flinders Uni), www.unisa.edu.au/aspire and www.unisa.edu.au/future/year12/bonuspoints/default.asp (for UniSA) and www.adelaide.edu.au/study/high-school/getting-in/bonus/ (for Adelaide University).

Medical Reception Course

Students interested in a career in the medical industry, or who are looking for part-time work whilst undertaking further studies at university, may like to consider completing a medical reception course. For further information, go to www.medtrain.com.au.
Cambridge Immerse

Students interested in exploring study overseas, may be interested in the Cambridge Immerse program, which is a summer course providing an educational experience set in the wonderful city of Cambridge, United Kingdom. Students participating in the Cambridge Immerse summer school reside in Cambridge for a two-week period and are taught by highly regarded tutors, offering the most optimal learning environment possible. Courses are offered in a range of disciplines, from the sciences to the arts. For further details, please go to www.cambridgeimmerse.com.

Service Industry Job Guide

‘The Job I Love’ information package allows students and jobseekers to find out about occupations and careers within the service industries. Within the booklet, there is information about the qualifications required, how to find training, and what course goes with what job.

To download the publication, go to http://www.serviceskills.com.au/the-job-i-love-careers-guide

If you have any career or VET questions, please feel free to contact me.

Have a great weekend!

Results

Basketball
Senior A defeated Concordia 52-22
Senior B defeated Concordia 33-24
Middle A lost to Concordia 31-32
Middle B lost to Concordia 22-23

Cricket
1st XI 6/104 (Dudley 33, Wills 18, Bourchier 16) lost to St Michael’s 1/142

Second XI 6/78 (Livani Gianakis 22no) were defeated by NMHS 7/112 (Dain Venning 2/4, Cameron Smith 2/12)

Year 7/8 2/93 defeated PAC 9/88

The Year 7/8 team enjoyed an exciting start to their season, with a 6 run win over PAC. Our boys put value on their wickets, with 8 boys being retired. The top scorers were Sath Sukumaran, Lloyd Pope and Liam Geddes-Ryan, each scoring 14 retired. Rory Egarr; close behind these boys, scored a well crafted 13 before also being retired.

The boys got off to a great start with their bowling, having PAC at 6/22 at one stage before they staged a fight back. Despite one of their batsmen scoring 35, Pulteney managed to reign them in and restrict PAC to only 88, this mainly due to some very tight bowling at the end of the innings from Lloyd and Sath. Charlie Rowe finished with fantastic figures of 3/3 off three overs. Elliot Ridgway chipped in with two very handy wickets, as did Jai Ruciak who took 2/9 in
his first ever cricket match - a great start to Jai's career.

**Softball**

Open A lost to Loreto 10-11
Open B lost to Westminster 5-21
Year 8/9's defeated Scotch(1) 16-2
Year 7/8A's defeated Scotch(2) 16-9
Year 7/8B's BYE

**Boys Tennis**

Drive defeated St Pauls 7 sets to 2
Senior A defeated St Pauls 9 sets to 0
Senior B forfeitrd to CBC
Senior C1 lost to Immanuel 4 sets to 5
Senior C2 lost to St Peters 7 sets to 5
Middle A defeated St Peters 6 sets to 3
Middle B1 defeated Concordia 8 sets to 4
Middle C1 defeated St Peters 7 sets to 5
Middle C2 defeated Blackfriars Priory 7 sets to 1
Prim A1/A2 lost to Sacred Heart 4 sets to 14

**Girls tennis**

Senior A 5 sets 32 games defeated Westminster 1/15
1st single Luci Brown (PGS) defeated Tineal Maynard 6-0
Senior B 4 sets 27 games defeated Westminster 2/25
Senior C 2 sets 24 games lost to Westminster 4/29
Senior D 3 sets 23 games defeated Seymour 3/18
Middle A1 set 23 games lost to Westminster 5 sets 35 games
Middle B1 set lost to Immanuel “A” team 5 sets
Middle C1 set lost to Westminster 5 sets
Middle D1 set lost to Immanuel “B” team 5 sets

A positive attitude from PGS girls contributed to some impressive wins especially by some of the new girl to tennis matches.

Kate Pettman Senior B Genevieve Scribner Senior C

Luci Brown, captain of girls tennis showed her huge commitment to girls tennis by continuing to play no 1 whilst studying for the soon approaching year 12 exams. Well done on your 6-0 singles win Luci.

Our middle teams were playing some higher grades than us but i was very proud of the determination so many girls demonstrated.

A pleasing start to the term girls.
Prep Sport Notices

Tennis Training – MLC Hot Shots

Summer is just around the corner and that means it's time for tennis!

The exciting MLC Tennis Hotshots program will be running at school in Term 4 during Lunchtime.

Specially designed for kids, Hotshots is the official Tennis Australia Development program. Kids will learn to serve, rally and score - having fun in the process.

The 8 week course (8 x 30min lessons) commences in Week 1 of term.

Call Marcus to enrol your child on 0407 833 850.

**Raising Beaut Kids;**
Recipes for parents on when to say ‘yes’ and how to say ‘no’

Well known Australian educator, counsellor and author Mark Le Messurier has just finished a NEW BOOK with his friend Bill Hansberry, and together, they want to ignite your thinking about how you choose to parent!

Each chapter offers a typical tricky scenario that parents often face at home with their children and young teens - accompanied with the ingredients that usually fire things up! Then, they offer a set of ‘Recipe rescues’ as an optimistic problem solver; a practical way to respond to kids when they serve up those awkward and tricky behaviours.

RAISING BEAUT KIDS has as much to do with our relationship with them as it has to do with shaping their behaviour - the two go hand in hand. BEAUT KIDS don’t just happen!

The first chapter from RAISING BEAUT KIDS can be read for FREE at http://www.marklemessurier.com.au/main/ Just go to the left hand side of the WELCOME PAGE and click on, ‘Download this month’s free chapter of Raising Beaut Kids’. Each month Mark will post a complimentary chapter for parents and teachers.

To order RAISING BEAUT KIDS go to Mark’s website http://www.marklemessurier.com.au/main/products/raising/ or, send him an email, mark@marklemessurier.com.au or call 8332 0698.

---

**NAVIGATING GRIEF**

Are you or someone you care about experiencing grief? Could you benefit from helpful strategies to assist with this challenging and painful time?

This adult information session will provide practical hints so you will be better equipped to navigate your own grief or assist those you care about. There will be opportunity for questions which may be registered via email prior to attendance.

Grief is a very individual experience which can arise from a wide variety of losses, not only bereavement. The focus of this seminar will be directed towards the needs of those who attend.

Presented by Robyn Blake-Mortimer, Clinical Psychologist, Teacher and School Counsellor.

**Venue:** Fullarton Park Centre
