From the Principal

Beauty and the Beast

Two wonderful multi-day events concluded over the weekend. The five performances of the musical, Beauty and the Beast were excellent. The setting of the Odeon Theatre at Norwood was a fitting venue. The cast and crew performed marvelously and before many appreciative audiences. I especially thank the staff, the orchestra, the stage crew and front of house crew. There is so much that goes into a live performance of this magnitude and the involvement of such a large number of people, all working collaboratively for a common end takes us all beyond the simple entertainment that is presented so well.

The Pulteney Challenge

The Pulteney Challenge also was a magnificent two day event of bushcraft and navigation. The Challenge, commenced in 2007, is an integral part of the School’s outdoor education of students and sits snugly within the Duke of Edinburgh program. The eighty students, many parents (particularly those on cooking duties) and the superbly committed staff ensured that the weekend, by all accounts, was incredibly (yet again) successful. A special mention also to the 14 Old Scholars who were also present over the weekend. Thank you.

The setting of the Kuitpo Forest, a far cry from the inner city Monday to Friday life of the students demonstrates the importance of the Challenge, the Venture Club and the year level camps. I applaud the vision of the staff involved, especially David Andrewartha and Richard Drogemuller.

Given the success of the Challenge, Rick Woolford will be entering teams in the South Australian Schools Orienteering Championships. The event to be held on Friday, 20th September should be a gem. I thank Rick for his initiative and, as one of the creators of the Challenge, his influence remains a significant one in the outdoor education of Pulteney students.

Honouring the Queen’s Scholarship

The School’s special relationship with Queen’s College Old Boys continues to develop. Queen’s College was one of 3 Anglican school for boys in Adelaide until it closed in 1948, whereupon a number of the students enrolled in Pulteney. A special relationship was formed several years ago when Mark Bourchier offered to host the Queen’s Old Boys at Wheaton House for their meetings. The relationship was strengthened by the opening of the Queen’s Room in Wheaton House, a repository for Queen’s memorabilia and records, in April this year. The Old Boys have endowed two War Memorial Scholarships for students attending Pulteney. With pleasure and to honour Queen’s, our two Pulteney students now proudly carry the Queen’s Crown embroidered on their blazer pockets.
Dr Eddie Groughan

Should any matter draw attention from this article or any other matter arise relating to the School please do no hesitate to contact me at either principal@pulteney.sa.edu.au or 8216 5502.

From the Head of Middle School

With the advent of Spring comes the realisation that this third term is drawing to a close. Where have the weeks gone? After a miserable Winter it feels like we have all just arisen from hibernation to discover the sun and the budding new life that Spring brings. However, in the Middle School no one has been dormant, The teaching staff and students have been particularly active and enormous amounts have been achieved, which is why we feel the term has flown by.

Beauty and the Beast

I was privileged last week to attend the Opening Night of the School’s production of Beauty and the Beast, the cast of which included a multitude of Middle School students. The lead character Belle was played by Zoe Tweddell (9BD) and I was amazed at the talent she displayed. I was particularly surprised, as I was previously unaware of Zoe’s singing and acting capacity. I heard that she only auditioned as some of her friends were intending to and was naturally surprised when given the lead role! Congratulations to Zoe and all the cast and crew and a special thank you to Jamie Hibbert and all the teachers who spent an enormous number of hours of their own time working with the students to ensure the production’s success.

Farewell Bianca Dujmovic

Unfortunately, an aspect of our busyness has been the selection of a replacement for the much-loved Bianca Dujmovic, who leaves us at the end of this term to join her husband in Darwin. Bianca’s passion and energy, as well as the genuine care and interest she shows in her students makes her a very special teacher. If you were unaware, it is Bianca who initiated the Middle School’s connection with Blue Sky School and as a result of her efforts we are about to embark on our second visit to Kathmandu. The Middle School sponsors 12 students at Blue Sky School and in total the Pulteney Community sponsors around 30 students. As a result of our first trip and the connection we made with Mother Rathjen’s orphanage, we now have Ishwor Ghimire with us at Pulteney for the year on a special scholarship. All of these achievements Bianca can take credit for. She will be missed!

Welcome to Jayme Wearn

We have managed to find a person who we believe will be an excellent Term 4 replacement for Bianca. Her name is Jayme Wearn and she has most recently taught at Rostrevor and Concordia Colleges, but prior to this year was working for several years at Unity College in Murray Bridge where she taught English, History and Geography and had the responsibility of being a Year level Coordinator and Literacy Coordinator.

9BD and Bianca Dujmovic’s other classes will be introduced to Jayme this week, and she will formally begin her new role at the beginning of Term 4. We welcome Jayme to the Pulteney community.

Conservation Corps

In week 1 of this term David Andrewartha ran the Conservation Corp Monarto Zoo camp. I managed a quick visit to the Zoo to visit the students and have a look at what they get up to
and was pleased to see many excited Middle School students engaged in re-vegetation of certain areas of the Zoo, as well as helping out by removing rocks from certain enclosures and shovelling Rhinoceros dung. For their hard work they were given the opportunity to have close interactions with many of the animals at the Zoo.

On behalf of the Middle School students who attended I would like to thank David and Janet Kiossis for giving them the opportunity to have such a wonderful rewarding and exciting experience.

**Wellbeing Programs**

Recently Bob Morcom from Life Education presented valuable issues and information related to smoking, drug and alcohol awareness to all classes in the Middle School. The Home Group teachers who accompanied their students to these presentations will provide follow up activities as part of the Wellbeing program.

Earlier this term we had Wendy Hill from Kidz Biz present to all Year 8 classes a Growth and Development session on ‘body image’

A highlight for our Year 9’s occurred on Monday of Week 4 where all Year 9’s and 10 girls experienced Danielle Miller and the Butterfly Effect for the day. This was a most successful, useful and inspiring experience for the girls. All the feedback received was extremely positive, as the one below suggests:

I learnt today how to be assertive, don’t listen to people when they’re nasty, love yourself, don’t be afraid of things and how to defend yourself. IT WAS AWESOME!

While the girls were participating in the Butterfly Effect the boys were doing the Rock and Water with Tim Brenton. They also thoroughly enjoyed this experience and are keen to do more Rock and Water.

**Daffodil Day**

Liberty Papas (9BD) who is a Cancer Foundation Youth Ambassador organised our casual Clothes Day to fit in with daffodil day. The theme, not surprisingly, was yellow. Liberty also sold Daffodil Day badges and raised over $1000 for the Cancer Foundation. A magnificent effort!

**Tournament of Minds**

The Middle School entered a Tournament of Minds team (TOM) for the first time in recent history and they competed on Sunday 8 September at Flinders University. The team consisted of Claire Noack (7HG), Erin Pegler (7MB), Erin Morello (7MB), Jennifer Finlay (7MB), Samuel Lee (8MM) and Joshua Nicholls (8MM). The team performed particularly well, but unfortunately did not win its category.

**Debating**

Two Middle School teams the Year 7/8 team and the Yr 9 Team successfully made the Quarter finals this year. The Year 9 team consisting of Joshua Boscaini (9CC), Henry Saxon (9RB), Chloe Bridgewater (9BD), Daisy Buckland (9RB), Ned Feary (9BD) and Jack Evans (9MD) were competing in the Year 10 competition, but unfortunately lost their debating final. However, the Year 7/8 team consisting of Alexia Damino (8SL), Millie Hanlon (8MM), Claire Noak (7HG), Kate Barnett (8SL), Sath Sukamaran (7DP), Cerys Evans (7MB) and Neha Athreya (8JP) managed to win their Quarter final and advance to the Semi-finals. Both teams and their coaches, Joanna Doumanis and Justin Putland, need to be congratulated for their excellent efforts.

**SAPSASA Girls Basketball**

The Year 7 Girls Basketball team consisting of Laura Argy (7MB), Lara Candy (7DP), Kate Chapman (7DP), Saskia Crichton (7MB), Cerys Evans (7MB), Telopia Kailis-Phillips (7DP),
Tayler Price (7DP), Katia Stamatelopoulos (7MB) won all 6 of their games to reach the State Knockout finals to be played in September. We congratulate them on their excellent efforts so far and wish them all success for the finals.

Individual Achievements

Tate Crush (9RB) recently represented our state at the Secondary School’s National Volleyball Championships. South Australia did very well and came second overall, which is an amazing result. Tate was obviously a standout player and has since been accepted into the SASI Tier 3 Volleyball Talent development squad and has been offered an opportunity to try out for a scholarship position in the Elite Development squad. An outstanding achievement!

Daniel Bourke and Nick Laity, (both from 7MB), represented South Australia recently as members of the Athletics SA team competing at the 2013 Australian Cross Country Championships near Launceston, Tasmania. Both performed well in very tough muddy conditions.

Congratulations also to Charlotte Brader (9RB and Connor Dudley (9MD). Charlotte recently came first in the SA Schools Orienteering competition. She competed in the 15A’s women’s event and will now be competing in the Nationals to be held in the holidays. Connor was selected in the National Under 15 Cricket side. He was selected after his fine performance representing SA in the Australian Junior Indoor Cricket Championships last month.

City Week

Our Year 9’s are busily preparing for City week in Week 9. They, in groups, have to decide on a research topic with an issue or aspect of interest about our city. Each team will have a teacher mentor to guide their investigation. Their research must examine the past, the present, as well as develop a plan for the future. Their research must utilise a mix of primary and secondary sources including interviews and surveys.

After City Week on the Thursday evening of Week 10 (30th September) we hold the City Week Expo. Parents and friends are invited to attend the evening and to help judge the displays. It is a fun, informative, social evening and a celebration of the efforts of our Year 9’s, so it is not to be missed!

Nepal Trip – Laptop Drive

As you may have seen in previous PRW articles, we are hoping to take over a number of laptops donated by our generous community to support Blue Sky School in Kathmandu. I have received a half dozen laptops to this date, but we are able to carry another six. If anyone has an obsolete, but functioning laptop that they are prepared to donate, then please drop it into the Middle School Office before the end of Week 9.

Many thanks to all those who have donated computers so far and a special thanks to Andrew Phillips who has donated nine near-new desktops that we plan to ship to Kathmandu in the near future.

Cybersafety

On Friday the 30th August we had Sonya Ryan here to speak to all of the Middle School. Sonya Ryan is the mother of Carly Ryan and she has set up the Carly Ryan Foundation to help make young people aware of online safety. Cyber safety is an issue that both parents and schools are confronted with and as much as we have provided students with information and advice through guest speakers and our wellbeing programs we still have students using the social media inappropriately. We will support parents in addressing these issues, but it is important that parents monitor their child’s use of these.

The difficulty for all of us is the number of new ways that students find to connect. ‘Apps’ are

Buzz Books

Buzz books are available from the sub-school PAs.

Please call and they will email a current copy to you.

Kurrajong – Kiri Marshall 8216 5570
Prep – Michelle Reynolds 8216 5544
Middle – Kelly Martin 8216 5599
one ninety – Sammi Van Kruyssen 8216 5548
readily downloaded onto student devices (iphones, ipods and ipads) and it is difficult to monitor what they have downloaded.

Apps are rated (11+ or 17+ etc) and I have just recently discovered that devices can be set to prevent non-age appropriate apps being downloaded. Refer to this website below to find out more:

Paul Ryan,
Head of Middle School

From the Chaplain

Healthy Community- Living Well Together

How do we even begin to think through how we best live well together? Sometimes we simply have to be satisfied that we strive to make our next decision and actions ones that we can be proud of. At other times we deliberately give ourselves the opportunity to think more deeply. Ironically the demands of my previous leadership role in an Anglican/Catholic school and theological study made it challenging to make enough time to deeply reflect. Despite my church attendance at times being stretched, I always appreciated the time to rest- be still, listen, enjoy the rhythm of the liturgy and at times think deeply about what was being shared from the bible.

I know that Pulteney chapel only gives student minutes in a busy school day to take time to think deeply but what they are asked to do is rich and worthwhile. In Kurrajong Chapel we continue to focus on a deeper exploration of the Commonwealth Values for Australian Schooling and we are currently exploring ‘Honesty’, ‘Care and Compassion’ will be next. Each value is explored over two weeks by two classes. 190 Chapel has recently engaged with the question- What is it that makes a community a healthy and life-giving place in which to live and learn? A huge question, and the chapel setting at least allows us to reasonably focus on what might the bible and example of Jesus tell us about the past and how might this point us in the direction of possible futures.

The reading chosen from Paul’s letter to the Colossians suggests that we should strive to ‘clothe ourselves with compassion, kindness, humility, meekness and patience’. To this list is added love, peace and thankfulness, wisdom and gratitude. None of this is controversial or ‘rocket science’ but all can be a challenge to maintain by all but the most saintly in our midst. I know I fall a long way short.

I worked with a colleague who used to rail against our school leader’s unrelenting insistence that attending to the small details of school life would ensure the bigger problems were never faced. I sympathised with her. What did polished shoes, hair colour or a neat tie ultimately have to do with personal or academic success? There is no denying you need to have the fundamentals of a shared ‘big picture’ understood and acted on by every member of the community if great things are to be achieved.

The truth is we need both the ‘big picture’ and the detail. Many of us have the gift of one or the other. Those with both are very special indeed.

All families and communities strive to grow in life-giving relationships. And we do need strong leadership. However, simply put, every time any one of us chooses to let go of a grudge, bad attitude, annoying habit, that is each time we choose to love and honour one another; we grow. We renew and deepen our relationships with those around us. The bonds within a family or the wider community grow stronger every time any one of us chooses love and acts with ‘compassion, kindness, humility, meekness or patience’. Any one virtue will make a difference. Our love does not have to be perfect to be good.

For some the experience and knowledge a divine presence helps shape the way they choose
to live their life. Also a great deal of wisdom can be discerned from our observation of people around us. In healthy life giving families and communities, we will observe groups of people that have something other than any one individual or ideal at the centre. There is a shared understanding and desire that the good of everyone is equally important. Sometimes achieving this is relatively easy, at other times it is a struggle to stay focussed on the good of all, rather than focussing on our own needs.

We all struggle, some more than others. Some people are graced with an unending spirit of generosity and kindness. Often parents are good examples of the sacrificial nature this sometimes takes. Parents ensure the needs of children come before their own needs. Adults, especially parents, readily put aside their own desires for the sake of the wellbeing of children. In most cases they ensure the needs of a child comes first. For the most part this is unconditional and freely given, however there is no denying loving family life and school community works best when a child’s understands, respects and honours the generous gifts they are receiving. The challenge is not so much that we don’t receive generosity; the challenge is that we can at times take so much for granted.

It is in giving that we receive. This is the pattern of Christian living. If you take what you can get with little regard for what you give, then it is logical that the cycle of goodness comes to an abrupt halt. However, and thankfully, the reality is that the power of a family or community’s love and regard for each other can readily compensate for any one individual’s lack of awareness or understanding.

We all seek to be loved. To be regarded in the most positive and life giving way possible. If or when we seek to be in God’s presence, then we can always be assured of love. Regardless of the realness of the sense of God’s presence in our lives, when we seek to love and respect each other, as most people do in community, we will encounter people with a generosity of spirit that will sustain us.

Deep Peace

Michael

State Championship Win

At the recent South Australian Band Association State Championships our Pulteney Grammar School Concert Band excelled in winning the Junior Concert Band Category.

The competition was very hot with Scotch College expecting that they would take out the win. On the day however, our wonderful students played with all the confidence and skill of a champion Band taking out the championship by 50 points over Scotch College, scoring 186 /200. The musicianship of all members of the ensemble reflected a dedication to excellence and a belief in themselves that they could produce a very high quality performance. The band members can all be congratulated on this achievement.

The band will also carry this success through to their next concert which is a combined concert with the brilliant Australian Army Band Adelaide, on Saturday 21st September at 7.00pm in Wyatt Hall. This concert will involve all the larger Ensembles and Senior Choirs with a programme that is both entertaining and inspiring for all ages. This is the second concert the school has done with the Army Band Adelaide and judging from last year’s
concert and looking at this years programme, you just cannot miss this concert. Entrance will be by paper note donation at the door; with donations going to Legacy.

Debating

4 out of our 5 teams through to SEMI-FINALS of the DEBATING SA competition 2013.

Congratulations to Mr Putland’s 7/8 team: Well done to Alexia Daminato, Millie Hanlon, Claire Noack, Kate Barnett and Sathyajith Sukumaran.

Congratulations to Miss Guilfoyle Year 11/12 Senior - and her debaters: Jenny Pham, Julie Huynh, 1st Speaker Soni Lawson, Daniel Barnett (And Got Best Speaker Award), Edward Mader.

Congratulations to Miss Strong’s Year 11/12 Senior team - Joseph Kneebone, Mitchell Brunker, Matt Van Der Sommen

Good luck in the Semi-Finals – TUES 10TH September for our middle school team; WED 11th September for our one-ninetly teams.

Mrs Gina Kadis,
Debating Coordinator

Debating Update

The Yr 7/8 team are into the Grand Final!
Year 12 Holiday Revision sessions

As part of the preparation of our Year 12 students for their end of year examinations, a number of subjects are offering revision sessions or trial examinations in order to prepare students. If a session has been set by a subject teacher, it is an expectation that students attend. In these sessions, information regarding study patterns and key material to revise will be presented. This information will not be repeated in the lessons occurring in Term 4. While the table below is a guide, specific details regarding start and finish times will be communicated with students in the coming days.

Duke of Edinburgh’s Award

Congratulations to William Baigent, Matthew Nielson and Mollie Hohmann for completing their Bronze Award and to Issy Nikoloff and Henry Wilsdon for completing their Silver level. There are several other students who need to get their record book signed off and handed into Mr Andrewartha to get credit towards their SACE certificate and to be added onto their school leavers statement.

Pulteney Challenge

80 students competed on courses set up in Kuitpo Forest on Saturday afternoon, Saturday evening and Sunday morning to win the trophy for the best in senior school or in middle school. The event was very successful thanks to the support of many old scholars and several parents and staff of Richard Drogemuller and David Andrewartha.

Soccer

On Wednesday September 4, players from Adelaide United Soccer Club visited the school from 3:40-4.30pm for a meet and greet session. Osama Malik, Jake Pelling, Cameron Watson and Bruce Djite were outstanding ambassadors for their club and soccer in general. They spoke about their junior days, soccer experiences and answered a number of questions from the soccer boys and girls present. They signed autographs, soccer balls, boots and shirts. It was a tremendous experience for all those present.

Many thanks to parents George and Tanya Piliouras who are sponsors of the club and arranged for the players to come to Pulteney.

Tournament of Minds 2013

Tournament Honours in Applied Technology

Tournament of Minds is about thinking creatively, solving problems in unusual ways, working as a team and having fun. The students have given up so much of their own time in preparation for this event over the past two terms – especially during Term Three when they have worked together before school, recess, lunch and after school, writing and practising their script and making props and costumes.

We were extremely proud watching the students perform on Tournament Day at Flinders University, they all performed so well. On behalf of the Pulteney community we would like to
congratulate all 3 teams for participating in this prestigious event.

We would also like to congratulate the Prep Applied Technology Team, Jordan Bender, Jack Buenfeld, Anna Champion, Amelia Nikoloff, Luka Kilgariff-Johnson, Lauren Bull and Zach Nicholls as they received Tournament Honours which means that they finished in the top fifteen per cent of their category which is a wonderful achievement.

Sue Mavropoulos, Cathy Lange, Wendy Stewart and Karen Penn,
Tournament of Minds Coordinators

---

**Melbourne Cup 2013**

**Two exciting venues to choose from:**

**The Naval, Military and Airforce Club**

Sit down luncheon with drinks included for $105 per head.

**Australian Army Band Concert**

**Saturday 21st September**

The success of our wonderful music departments keeps gaining new opportunities to present excellent and entertaining music to present to our Pulteney Community.

On Saturday 21st September at 7pm our major choirs and ensembles will join in an extraordinary concert of music.

The Australian Army Band Adelaide is the premier Reserve Band in Australia representing the Australian Army all over the state with a level of musicianship rarely seen. To have these musicians combine with our Pulteney Choirs and Bands is indeed a privilege and a concert which should not be missed.
Including the music from the Disney film The Incredibles, music by Aaron Copland, Michael Buble in a very entertaining programme which all the family will enjoy.

Entrance is by a paper note donation with all proceeds going to Legacy.

Doors open at 6.45pm with the concert starting at 7pm.

Beauty And The Beast
The end of Term 3 is fast approaching which means that Term 4 commences on Monday the 14th October 2013 and Summer Uniform is worn.

New Students who commenced in Term 2 and Term 3 will need to come into the Pulteney Shop to purchase the appropriate Uniform.

Please note that Term 4 commences on Monday 14th October, 2013.

Have a great weekend,

Jenny Hewitson,
Shop Manager
