From the Principal

Simply Wonderful Music!

On Saturday 20 June, I was most fortunate to attend the Winter Concert at Elder Hall at the University of Adelaide to hear our students perform across a range of ensembles. The quality of the performances was excellent and a testament to the many hours of practice invested by our students. In addition, the concert confirmed the high calibre of ensemble and instrumental teaching on offer at our school. It was wonderful to see the students and teachers working so collaboratively and clearly enjoying making music together.

Staff News

We congratulate Mr Michael Keough (Middle School) and his wife Bridget on the birth of their son, Fergus James Keough, on Sunday 21 June. Arrangements are being made to appoint a replacement teacher for Mr Keough’s classes during his parenting leave in the first two weeks of Term Three.

We wish Ms Georgina Luckman (Kurrajong) and her fiancé Sam every happiness for their wedding in New York in the upcoming holidays. Georgina will be known as Mrs Martin from Term Three onwards.

We congratulate Mr Mark McGarry on his appointment to the role of TRT and Supervision Manager. To allow Mr McGarry the time necessary to fulfil the duties of his new role, Mr Simon Sharley will assume responsibility for Mr McGarry’s Year 8 Geography class.

At the end of this term Mr Ken Grady will be taking Long Service Leave for the remainder of the year. I am pleased to announce that Ms Kylie Ryan has been appointed to the role of Head of English for this time. So that Ms Ryan can undertake the Head of Faculty role, Mrs Felicity O’Brien, a highly experienced Research Project teacher, has been appointed to teach Research Project.

The following teaching staff have been appointed to Mr Grady’s classes:

- Year 10 Film and Year 11 Media Studies - Mrs Mel Watt
- Year 10 English - Ms Olivia Chapple
- Year 11 English - Mrs Nicole Maxwell
- Year 12 Kennion Miller Tutor - Mr Leon Marsden

Please be assured every effort will be made by the staff to ensure a smooth handover in this period of transition.

I wish every member of our school community a safe holiday break. I know the Year 12 students will be working diligently to maximise their learning in the upcoming mid-year examinations.
I look forward to seeing all students return in Term Three, refreshed and ready to embark on new learning opportunities!

Anne Dunstan,
Principal

**From the Chaplain**

**Refugees- how do we explain our fears?**

Today we give thanks for our sense of belonging. World Refugee Day (20 June) is a time to reflect on the challenges faced by refugees and the courage they demonstrate in overcoming them. It is also an opportunity to focus our support for millions of people who have been displaced by war, disasters, and humanitarian crises. Multiple humanitarian emergencies in Syria, Iraq, the Central African Republic and more have forced record numbers of people to flee. World refugee numbers have not been this high since World War II.

Refugees flee their homelands because they fear persecution and also because they have hope: they hope to find freedom from persecution, they hope for safety and security for themselves and their families; they hope to be given a chance to start a new life and recover from past trauma. We recognise that refugees, who have been separated from homeland and families, have lost their sense of belonging.

How do we as a community respond? We are all aware how divisive the plight of refugees is in contemporary Australian society. Even a superficial analysis Australian history will reveal this as a theme that is part of our culture however it is taking on a particularly ungenerous character at this point in time. All non-indigenous Australian’s are migrants, many refugees in both the strict and broader sense. Most of our forebears came to Australia with the hope of a better life for themselves and their children. With so much in common with today’s refugees, it is hard to fully understand how in the current political debate we/our leaders on our behalf, have come to treat genuine refugees so unfairly.

In preparing for this week’s chapel I revisited the thinking I had to do as I was being prepared for ordination. One of the documents we were expected to study was The Articles of Religion, a foundational document of the Anglican Church. Article 9 ‘Of Original or Birth Sin’ disturbed me. I still need to do a great deal of study before I could confidently state that I understood all that this document communicates. However I was confronted by this article, in particular the statement ‘man is very far gone from original righteousness, and is of his own nature inclined to evil…’. Evil is a very strong word. So is love. Both are part of being human. And as uncomfortable as it is to acknowledge, there is a presence of evil in our lives. We do need to guard against it. And we readily can if we acknowledge it in a fairly ordinary kind of ways.

In this context our collective response to refugees is an ordinary part of this evil love continuum with which most people are prepared to grapple.

    Holy God,

    There are times when we get so caught up

        in our own particular groups

            that we exclude others

    Sometimes we just do this without realising it.

    Sometimes we're just plain nasty.

    And sometimes we exclude others

    because that’s what our friends are doing.

    But none of that is OK.

    You are always reaching out to people who are standing on the outer,

        and you are not satisfied until everyone belongs.
We pray for those of us who have been hurt by the selfishness of others in our community.
Bring them your comfort, hope and encouragement.

Help us to see that
the way we treat people now has long-lasting effects.
Help us to turn away from selfishness, and to become truly kind,
in Jesus’ name. Amen.

Baptism and Admission to Communion
Today the following students were Baptised and Admitted to Communion. We give thanks for
the example of their faith journey and pray for them and their families.

Students Being Baptised
Sophie Grace Fonovic

Students Being Admitted to Communion
Olivier Marie Xavier Bizot
Gabriel Philip Bowering
Darcy James Bryan
Sophie Grace Fonovic
Benjamin Thomas Hancock
Darryl Kun Wei Lee
Jake Mastersson
Lauren Marie Smith
Owen Peter Bowering
Riley Louis Brion
Thomas Maxwell Buenfeld
Liam Marcus Goodes
Ellen Grace James Heard
Amelia Peta Kiritsis
Patrick James Noel
Lucy Olivia Wilson

Confirmation
In Term 3 the Year 6 cohort will be learning and reflecting about confirmation. Confirmation is
a formal celebration of a young person taking on the responsibility for their faith development
that their parents and god parents promised to undertake at their infant baptism. At baptism
all parents and god parents undertake to support the child’s faith journey and this includes
supporting them explore confirmation. Confirmation is also a time when teenagers and adults
pursue their faith independently. Every member of the Pulteney community is welcome to
join us in this faith journey. It is not essential that confirmation occurs at this time or at all. The
invitation is to explore faith in community.

Magdalene Centre
The Pulteney community continues to be generous in its regular contributions. The Senior
School is keen to launch a donations focus for the remainder of the term. Along with
non-perishable long life food, blankets, scarves and beanies are also greatly appreciated at this
time of the year to help homeless people sleeping rough at this time of year. Donations can
be brought to the Chapel Foyer. Baskets have been labelled so that we can sort and care for
your donations.

Chaplaincy Contact
I can be contacted at any time, email michael.lane@pulney.sa.edu.au, phone 8216 5512 /
0434 297 879 or contact the school office

Deep Peace,
Michael

Wellbeing

Motivation

At Pulteney, one key element of our wellbeing framework is aspirational wellbeing. Aspirations are our long term hopes or goals and these can be both realistic and idealistic. One important factor that maintains and contributes to the development of aspirations is motivation. Motivation is said to be the ‘desire to do things’ and it helps us attain our goals. However, motivational theory is far more complex than just desire.

Many of us would be familiar with the work of Abraham Maslow who in the mid 20th century published his hierarchy of needs. The theory is based on the concept that we need to fulfil the lower order needs of survival, safety and love before we can move to the higher order needs of esteem and self-actualisation (fulfilling one’s potential). It can be worth remembering that, understandably, many people find it difficult to work towards achieving self-actualisation when unwell, unsafe or disconnected – that is, when the lower order needs are not being met.

When considering workplace motivators and job satisfaction, an interesting theory is Frederick Herzberg’s two-factor which distinguishes between motivators (e.g. challenge, recognition, involvement in decision making and growth) and ‘hygiene factors’ (e.g. money, relationships and job security). Herzberg found that satisfaction and dissatisfaction are not on a continuum but are independent of each other. According to Herzberg, improving hygiene factors does not lead to satisfaction but it does reduce dissatisfaction. Increased satisfaction comes from improving the motivators.

The concepts of motivational theory are broad and complex. What we can perhaps draw from these theories is an understanding that people are less likely to reach their full potential if their lower order needs or hygiene factors have not been met, but that an increase in these will not necessarily lead to greater motivation, satisfaction or fulfilment. Recognising that as individuals we each have different motivators, and may be at different places on the satisfaction and dissatisfaction continuum, may not only help us to be more tolerant, but potentially more understanding of how we can achieve aspirational wellbeing.

Sue Porter,
Human Resources Manager

Evatt SA

Evatt SA is the state’s round of Australia’s largest schools diplomacy competition, for students in Years 9-12. Placing young Australians in the shoes of UN Security Council representatives, Evatt provides students with a deeper understanding of worldwide issues and the skills they need for global citizenship.

Ned Feary and Henry Saxon have made it to the finals of the UN Youth Competition. Last time they were Chile and on Friday in the finals, they will be Russia. The competition requires world knowledge, leadership and negotiation skills as they work with other nations and try to maximise results in the UN World Council for their nation.

Tuckshop

Please note hotdogs are unavailable until Term 3, thank you for your cooperation with this matter.

As of Term 3 the cut off time for lunch orders to be placed will be 10.30am. Thanks for your cooperation.

Kind regards,
Teresa
Win a pre-paid school fee voucher to the value of $22,100 for just $100.

One lucky winner will be drawn in November. Will it be you?

School resume on Tuesday 21/7/2015 at 8.30am.

The Pulteney Shop wishes the Pulteney Community a safe and happy holiday and we look forward to seeing you in Term 3.

Jenny Hewitson,
Shop Manager.

Senior Sport Notices

Congratulations to Henri Pardoe in year 7 who has been selected for the under 13 State Rugby Union Squad. Henri will be competing in the Junior World Championships on the Gold Coast in the second week of the holidays. It is an outstanding achievement and we wish Henri all the best.
Hockey

Pulteney First XI defeated Saint Peters College 5-2

The team had their minds made up at their Thursday night practice that they were going to beat Saints at their home ground and that is exactly what they did! Even in their warm up The First XI looked focused.

With five separate goal scorers this week the players were united in their game, the First XI showed that they are a team to be reckoned with.

Will Dieperink played an outstanding game. His defensive play and saving a Saints certain goal was a highlight. He intercepted Saints passes and feed the ball forward into Pulteney’s attacking zone on a number of occasions.

Mollie Hohmann played well on the wing assisting the ball towards the goal which then forced the Saints players deep into defence.

I look forward to witnessing this team achieve further excellent results in term 3. Well done to all players.

Goal Scorers
Charlie Fewster – 1, Tristram Fyfe – 1, Matthew Hume – 1, Callum Menadue - 1, Lukas Price – 1

First XI Results Term 1
Won 6, Lost 1

Middle School defeated Mercedes College due to a forfeit

Unfortunately for The Middle School team, Mercedes were a ‘no show’ for their last game which caused some vexation among our players. However, all was not lost as it was decided that due to the large number of Pulteney players (19) we could play a scratch match. After a little coaxing, Josh Fonovic padded up to stand in goals with the other members of the team being divided into 2 teams. Again, I was excited to see just how far this team has come this term, the skills, the enthusiasm, the mateship and bantering of each other was entertaining to watch. I’m not sure what the score was at the end of the game, and really, it doesn’t matter; it is all about that the kids are learning and seem to be having fun playing the game of hockey. I was thrilled to hear Josh say “That was so much fun being goalie”. Well done to all players.

Middle School Results Term 1
Won 4 matches (1 due to a forfeit)
Lost 2 matches
Drew 1 match

Practice for Term 3 for both teams will start on Tuesday 21 July (first day back).

Cate Boucher,
Hockey coordinator

Basketball

eighty

1st V lost to Cabra 36-79
Our opposition were very strong and led us from early in the game. J Sibly played hard for his 19 points and was well supported by Randell and Hore. We held them to 29 points in the second half however the game was out of reach. Time for a rest and then the build up to intercol with some intensive sessions in term 3.

2nd V lost to Cabra 37-40
We led all the way with Golfis playing his best game for the season supported by the Rules, Genborg and Edwards. Strong efforts from Lumsden and van Duivenbode placed us in a position to win but we came up short (again) despite some good opportunities.

3rd V lost to Cabra 39-35
We only had 3 players for the game due to injury and illness. However the opposition provided us with 2 players, which resulted in a good, competitive game in the end. Bertozi, Heal and Bai worked together and played hard all game, despite the low numbers. No subs meant we tired in the last quarter. Unfortunately, despite being up all game, it was a close loss that came down to the last few plays.

4th V defeated St Peter’s

Middle School
A’s lost to Cabra 62-23.
We had a tough game today. They went down against a very good opposition. The team was down 37-5 at half time so the boys did improve as the game went on. Matt Rodda consistently presented an option through the centre of the court, while some sharp shooting from Sath, Oliver and Oscar helped get some points on the board in the second half.

The Middle B’s lost to Cabra 41-8
The Bs unfortunately went down to Cabra. I thought that despite the score, the boys intent to listen to instructions and adapt during the game was something to be credited on. Our intensity was great, yet our rebounding is something to be worked on as we lead up to the end of the season. Hope everyone enjoys their break and come back ready to go for another term of Pulteney basketball!

Middle C’s lost to Cabra 5-40.
A tough game against a strong team. Once we were able to deal with their trap better we were able to get some good looks and some scores on the board. We improved a lot against their pressure throughout the game.

Soccer
First XI:
Pulteney lost 1-8 to Mercedes College
Best players: James Cartright 3, Juing Kim 2, Doug Perrott 1
Goal scorer: James Cartwright
Another tough game for the players against Mercedes College. I fielded for the very first as Pulteney coach two year 8’s players: Alex Misfud and Seth Dolphin. Alexandros Chisolm also played his first game in the first eleven. All 3 three players performed very well and I was extremely proud the boys.

The future looks bright for the next 2-3 years and feel that this year is a big learning curve for the players, as they now know the standard that is required to be in Division A as first eleven players.

Second XI:
Pulteney lost 0-7 to Rostrevor College
This week the team didn’t produce its best effort. Everyone was sore from the camp but
despite this, they pushed through and did the best they could.

**Third XI:**

Pulteney lost 12-0 to Mercedes College

Defensive players did not hold their structure and were too quick to dive in to tackles.
Attacking play was relatively good but with poor finishing. Need to get to training to play as a team.

**Year 9:**

Pulteney lost 10-0 to Marryatville High School
Best players: Alistair Porter, Luka Amorico, Kon Piliouras.
The boys did their best considering they only had 9 players. It was an unfortunate loss but would have been a close game if we had our full team.

**Year 8:**

Pulteney defeated 5-1 St John's Grammar
Goal scorers: Jack Adamson 2, Dillon Hill, Gus Naido, Hugh Brunning
Special mentions: Gus Naido, Jack Adamson, Dimos Karagiannis

**Year 7:**

Pulteney 4-3 loss vs. Sacred Heart College.
Goal scorers: Lachlan Edwards 2, Dylan Boscaimi
Best player: Dylan Boscaimi

**Girls First XI:**

Pulteney 0 lost to Scotch College 1.
Best players: Isabelle Tyanan, Emma Henshall, Miah Nalpaitidis
With no year 10's or 11's due to camp and work experience, we filled a team with younger players. The girls had to work hard against a skillful opposition. The defense worked hard all game, sticking to the game plan. Despite an unmanned mid-field, the ball got forward numerous times, but we were unable to score. A great effort by all who played, thanks to those who filled in for us. The future looks good with the talent in the younger year levels.

**Girls Second XI:**

Pulteney won 3 – 1 vs Scotch College

The girls dominated with a 3-1 win. Superstar goal kicker Julia scored 2 and Grace scored 1. The girls worked well as a team, listening to each other and being an option in the attacking lines. The defensive pressure was applied the whole game which put the opposition under the pump. Samantha in goals directed the play and the girls responded and were successful.

**Girls Middle A:** Forfeit

**Girls Middle B:**

This week the played Pembroke and unfortunately lost 1-2. The girls put up a great fight as they were down by 2 players. The girls exhibited excellent passing skills and were in front throughout most of the game.

Best players: Kate Muller and Indy Tucker
Football

First out of the blocks on the weekend were the year 8/9’s who made the trip down south to Noarlunga to play Cardijn College. The boys did not have it all their own way however and fought out an absorbing encounter on the large ground. To their credit, the lads heeded the words of the coach and played smarter football in the second half, winning by two goals in the end. The year 6/7 team again met a familiar opponent, Sacred Heart (which has four teams in this competition), this time falling short of victory. Despite giving their all in a great team effort, they were not able to catch up the first quarter deficit – the good news is however that three of the remaining five games are against Sacred Heart!!

What a dismal day it was for our firsts on Saturday. By game time, the playing list had dwindled to minimum numbers due to carry over injuries and injury by misadventure. Come the first quarter and the carnage ensued, Charalabidis and Bourchier soon hobbled off seeking treatment, taking no further part in the game, Miller and Kitchen were to follow while several others played on, wounded. We were outplayed from the opening bounce and were comprehensively beaten, managing only one goal in the third quarter and finishing with sixteen players on the field.

Term break has arrived just in time and gives the firsts time to recover, the remaining five games in term 3 include not only Intercol but also a rematch with St Ignatius for the Aish-Warhurst Trophy! Training for seniors continues through the holidays as advised by the coach.

Results

1st XVIII: PGS 1:1 (7) lost to St Ignatius  30:17 (197)
2nd XVIII: No game
Year 8/9: PGS 6:7 (43) defeated Cardijn 4:6 (30)
Year 6/7: PGS 2:4 (16) lost to Sacred Heart 3: 5:6 (36)

Prep Sport Notices

**SAPSASA Golf**

Elise Myatt, Will Darker and Liam Denton took part in a golf day at the North Adelaide Golf course. This involved lessons on the various aspects of the game of golf followed by a nine hole qualification tournament. All three of our students qualified to compete in the SAPSASA Metropolitan Championships on September 3 at Adelaide Shores. If they score well on that day they compete the next day at State day. We wish them well for their upcoming carnival.

**SAPSASA State Football Team**

Congratulations to Tex Wanganeen who has been selected to represent South Australia in the U/12 National Football Carnival to be held in Geelong July 18-25. This is a fabulous achievement and we wish him well in the carnival.

**Soccer – Girls State Team**

Ereni Vithoulkas has been selected to play for the 2015 U13 girls state soccer team. She will play at the FFA National Junior championships in Coffs Harbour in the first week of July. We congratulate her on this fantastic achievement and wish her well in the up coming carnival.

**SAPSASA Soccer**

Congratulations to Gus Naidoo, Dimos Karagiannis, Christian Veronese and Marco Talladira on their selection in the East Adelaide District soccer team. They play in a state wide carnival in Week 10 of this term. We wish them well in the carnival.
