From the Principal

Strength in Community

On Thursday this week we celebrate Founders’ Day at Pulteney Grammar. It is a significant day for all in our school community as it commemorates our early beginnings and acknowledges the outstanding contributions of those who had the foresight to establish a school for young people to achieve their life goals through education. We delight in welcoming back to the School, many Old Scholars and enjoy hearing them tell of their Pulteney experiences. The current students always value such a tangible link with their School’s long history; our community is alive with so many stories!

As a community we have also been reflecting this week on the events of Thursday last week and the ways in which such experiences can bring people and communities closer together. As I have already communicated, I was incredibly proud of the staff team and all students for their common sense approach to quite a complex and tense situation. Later in this edition of PRW, the School Counsellors have provided some further information about how we all can support our young people in response to stressful incidents.

I close with a quote from the Public Notice announcing Pulteney’s opening, published in The South Australian Register, 27 May 1848: “The School cannot but prove an immense blessing to the neighbourhood and to the city generally”. As true today as it was then.

Anne Dunstan,
Principal

Building Works

As you may have seen last week, work has commenced on the new home for one ninety in the old Gravity Dance and Premier Art buildings. Most of the development so far has centred on the demolition of the back part of the Premier Art building.

When completed, the one ninety building will contain some of the most advanced educational settings seen at Pulteney for our senior students and staff to use. Spread over three levels, students will have access to a dedicated study environment in the basement, innovative educational spaces on the remaining two levels with a mixture of different learning pods, breakout spaces and open plan areas. The traditional classroom will be a thing of the past. Gone will be the traditional notion of students sitting in rows of desks rather teachers will be working alongside students rather then lecturing in front of them.

The building will sustain and promote a variety of different modes of student learning, supporting both individual and group work, while being able to provide space for presentations and exploration, and promoting interaction and fostering both formal and informal learning. Our classrooms will be populated by worktables, not individual student desks. The tables will be able to be put together as needed for collaborative project groups, or

Building Works

As you may have seen last week, work has commenced on the new home for one ninety in the old Gravity Dance and Premier Art buildings. Most of the development so far has centred on the demolition of the back part of the Premier Art building.
for teacher-led workshops or seminars developed around student 'need to knows'. The classroom areas will serve as space for end of project student presentations. The learning pods on each level will also be able to be setup to accommodate project teams or seminars for some of the students while others continue working. Every student will bring with them their own personal laptop device with Wi-Fi connectivity throughout the building.

Examinations
As the Year 10 and 11 examinations draw closer, I would like to take this opportunity to republish part of an article I wrote last year for our senior students on the issue of examination survival. I would encourage all parents to sit down with their son or daughter and discuss the upcoming examination period and be aware of when they are required at school for an examination. Parents are reminded that if a student misses an examination, they must obtain a medical certificate to explain their absence. Examination results will be reported separately in the Term 2 report card.

Some Survival Tips for Students and Parents
As the examination period draws closer this term, it is understandable that levels of stress will increase as students prepare to sit their papers. However, this anxiety can be reduced if students adopt a serious and sustained approach to their preparation. It is important to divide study and revision into small parts and not attempt it all at once.

• Develop a revision timetable and stick to it
• Set study priorities
• Spread tasks out so that your revision is varied
• Be flexible
• Aim to feel in control
• Positive thinking will assist with maintaining confidence

Try to maintain a sense of normality:
• Preserve a good study space
• Take regular breaks
• Eat and sleep well
• Form a study group with others
• Inform family and friends of your timetable
• Recognise stress signals

“Become familiar with and attempt past examination papers”

Feeling nervous around and during examinations is a normal response.

Semester Two Subjects
Those students in Year 10 and 11 considering a change to their second semester course selections, preliminary work on this has already begun. I would encourage all students interested in making a change to come and see me during week five or six in order to start this process. It is envisaged that all changes to second semester subjects should be completed before the examination period starts.

Quad Café
All are welcome to join The Friends of Pulteney at The Quad Café.
Don’t forget to pop in for an organic coffee, homemade cookies and chat. Part proceeds from sales will go to the Friends of Pulteney.

Coffee Cards - don’t forget your coffee card! Come and get your 5th coffee free available
Year 10 Camp

After the examination period, all students in Year 10 will venture off on their last year level camp experience. This year, students have been presented with the option of:

- Rock-climbing
- Bushwalking and mountain bike riding
- Adventure caving and surfing
- Kayaking and sailing

Camp is a compulsory activity for all students in Year 10, and all curriculum activities at school will cease to operate for this week. These camps have been designed to test the limits of students within a safe and controlled situation. Yes the camps are hard, and are occurring in winter; but it is these additional elements that will add to the experience that students will have.

Year 11 Work Experience

Year 11 students will depart Pulteney after the examination period for a vastly different experience in the ‘real world’. All students have obtained work experience in either an area of interest or their chosen field of future employment.

I would like to take this opportunity to wish both our Year 10 and 11 students every success in their up-coming examinations and either their last camp experience or their first venture into employment within their chosen interest area.

Michael Holmes,
Head of One-Ninety

From the Chaplain

Perfectly Adequate Homes and Gardens

What would happen if one of the owners of a TV station in Australia decided that the programming of their stations became more, well, ‘real’. The title of the nightly news might become, ‘Largely light and irrelevant daily tidbits to keep you entertained’. ‘Better Homes and Gardens’ would become a five minute programme called, ‘Perfectly Adequate Homes and Gardens’; the Wilson family might simply say that in light of what millions in the world do not have, they feel pretty blessed and are content to leave things as they are... and the closing credits would roll.

Of course such a television channel wouldn’t survive five minutes! We all dream about having something better; better homes and gardens, better relationships... a better standard of living. And if this world is all there is and our own happiness is all that we can hope for; then of course we would go for it; improve ourselves and seek after happiness in similar ways.

But perhaps you have a nagging feeling that this isn’t right.

“Whether it’s food, shopping or whatever; what was supposed to fill the hole within us didn’t. It betrayed us. It owns us. And it always leaves us wanting more.” Perhaps you feel similarly?

1 Timothy 4:4 tells us that the good gifts of creation are designed to bring joy so enjoy them. BUT they are to be received with thanksgiving and used according to the creator’s purposes.

Paul, the writer of many letters in the New Testament, says in Philippians, “I know what it is to be in need, and I know what it is to have plenty. I have learnt the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. I can do everything through him who gives me strength.” (Philippians 4:12 – 13)

Do you find contentment in life - through periods of plenty or want?
You might be sitting there thinking that if you don’t get at least a little healthy, wealthy and wise that life doesn’t sound like much fun - you couldn’t be content with that. Jesus knows our desire for joy and happiness, but he says do not seek to find them in things that do not last. He opens a way for us to live that promises contentment in all circumstances.

Karen Petterson,
Chaplain

Managing Stressful Events

Last week our school community experienced an unexpected and challenging situation. A number of parents have asked about ways in which they can support their children following potentially stressful events.

When facing a stressful event, consider the following:

• Most likely your child will want to talk about the event (particularly within the first 12 hours) as they ‘process’ what has happened.
• Be an active listener.
• Often going for a walk with your child is a great “stress release” and encourages conversation.
• Offer emotional support.
• Sometimes, sleeping and eating patterns can be disrupted by emotional events. Ensure your child eats healthily and has a good night’s sleep.
• Within a short period of time, your child will begin to accept what has happened and “move on”. This normally means they will speak less about the situation and return to normal routines.
• Sometimes, other events or media coverage some time after the initial event might “spark” memories or concerns. The impact this has on your child should be less than the initial event. However, your child may need to talk about the situation again.
• If you are concerned in any way about your child’s response to the situation, please make contact with the School Psychologists or Chaplains.

From our perspective, we witnessed students and teachers responding well to the lockdown event. As a community, all at Pulteney Grammar School supported one another tremendously. Our aim has been to resume normal school activities, whilst acknowledging our coping strategies and being aware of our resilience.

Michelle Roesler and Chris Clements,
WellBeing Team

Friends of Pulteney

Friends of Pulteney meetings are held monthly in Allan Wheaton House at 7.30 pm. Minutes and Agenda’s for these meetings are emailed to the committee the week prior to meetings.

If you would like to receive minutes via email please contact cate.boucher@pulteney.sa.edu.au

Meeting Dates
Thursday 5 June
Thursday 7 August
Thursday 4 September
Thursday 13 November (AGM)

Year 8 & 9 Immunisation Program

Reminder for parents of year 8&9 students

2nd Visit - Friday 6 June 2014

All participating Year 8 and Year 9 students are reminded that their immunisations will be held on the morning of Friday 6 June 2014. It is important that your child eats breakfast that morning and please ensure that your child wears PE clothes.

If students miss the immunisations parents will need to organise these immunisations through their GP or SA Healthfirst Solutions.

Since it has been some time since the previous visit, please contact SA Healthfirst Solutions on phone at 0474 117 083 if there have been any changes to the details previously provided on the Consent Card e.g.: child's address, health status etc.

Paul Ryan,

Head of Middle School

Student Health

The Health Centre nurse is available to care for the health needs of all students during the school day – 08:30am – 3:30pm.

In exercising our duty of care to your child and to all children in our care, we ask for your assistance in the following matters;

Children who are obviously unwell should not be sent to school. This is especially important for prevention and control of notifiable and other infectious diseases in children and adults.

Chicken pox, shingles and measles are notifiable infectious diseases. If your child has one of these diseases, verified by a doctor, it is important you notify the school immediately.

Similarly if your child has a temperature above 37.6 with or without vomiting and / or diarrhoea your child should remain absent from school for a minimum period of 24 hours after symptom cessation.

If students become unwell or injured during the course of the school day they are to visit the Health Centre. Our School nurse, will contact you if she believes they need further treatment. At the request of the School nurse, it may be necessary for parents to make arrangements to collect their child from School for further care. In the case of an emergency an ambulance will be called.

If parents receive a phone call from their child requesting to be picked up because they are feeling ill, parents should direct their child to the Health Centre, so the registered nurse on duty can attend to their health needs. If a child’s health is such that they should not be at school, parents will be contacted.

Emergency Medication

If your child requires emergency medication in the case of allergy / anaphylaxis / diabetes / these are stored in the health centre. You will be contacted by phone or email if new care plans are required or medications become expired. Please follow up with this promptly. If your child requires emergency Asthma medications you are welcome to keep them at the health centre however, asthmatic students should carry a puffer at all times. This is particularly important on days when engaging in Physical Education, or extra curricular sport.

Medication

If your child requires medication during school hours it is to be delivered to and stored at the health centre. It should remain in its original packaging with your child’s name and administration details clearly visible. Written permission for its administration should be provided to the registered nurse. Forms are available in the health centre or you can email the
registered nurse at sharon.bowering@pulteney.edu.au. The RN on duty will ensure your child’s medication is returned to them at the end of the school day.

Thank you for your support with these matters, to minimise student and staff illness during the school year; it is important that we all adhere to our policies.

Sharon Bowering,
School Nurse

Careers Corner

Auction Idol competition 2014

A huge congratulations to Grace Nankivell (KM1 I), who last week competed in the state grand final of the 2014 Auction Idol competition. Grace performed at her very best and, amongst very good competition, and a few tricky bids, she came extremely close to winning the entire competition. Sharon Gray and David Cocks (Pulteney Old Scholar), of Cocks Auld Real Estate, mentored and coached Grace over the past 12 weeks and we are very grateful for their assistance.

Allan Miller Driving School

Students in Year 10 or 11, who currently have their car Learner’s Permit, and have the ability to practice driving with a qualified supervising driver (parent or caregiver) are eligible to complete the Certificate II in Driver Competence, being run here at Pulteney on a Thursday from 4 – 5.30pm. The course includes theory and practical lessons and aims to educate young drivers about road safety and defensive driving. For further information, and to enroll, please contact Lesley on 0433 795 385. There will be a price increase for Semester 2, but if you enrol by the 30th June, the current Semester 1 price will stand.

The University of Adelaide – Application Information Sessions

For students interested in tertiary studies in Medicine, Dentistry or Oral Health, the Faculty of Health Sciences is hosting two separate information sessions aimed at providing a clear overview of admission and application processes. One focuses on entry to the Bachelor of Medicine/Bachelor of Surgery program only. The second session focuses on applications to the Bachelor of Dental Surgery and the Bachelor of Oral Health. Applicants and their family members are welcome to attend. The Bachelor of Medicine and Bachelor of Surgery Information Session is being held on Monday 2 June, 6.30pm for 7.00pm start (1 hour) at the...
Flentje Lecture Theatre, Barr Smith South, North Terrace Campus. The Bachelor of Dental Surgery/Bachelor of Oral Health Information Session is on Tuesday 3 June, 6.30pm for 7.00pm start (1.5 hours) at the Flentje Lecture Theatre, Barr Smith South, North Terrace Campus. Attendance at the sessions can be booked into via http://health.adelaide.edu.au/future-students/info-session/medicine/ and/or http://health.adelaide.edu.au/future-students/info-session/dent-oralhealth/

Bond University Film & Television Awards – BUFTA

Bond University provides a full tuition scholarship for a student to study a Bachelor of Film & Television. The scholarship is awarded to the successful applicant in the BUFTA competition – a competition requiring the applicants to submit a short film. Entries are now open and are accepted until 8 October. For more details, including selection criteria, go to www.bufta.com.au.

University of NSW Scholarships

The University of NSW offers the ‘Co-op’ scholarships. These ‘industry linked’ scholarships are worth $16,750 pa and are for study in the areas of Business, Built Environment, Science or Engineering (first four years of the five year course). The scholarships are awarded to high achieving applicants (ATAR > 96) and communication skills, community contribution, personal motivation and leadership skills are also considered. Information can be found at www.coop.unsw.edu.au. Applications must be made online but all applications require a school reference. To do this, students should include the Careers Counsellor email address (Leeanne.bryan@pulteney.sa.edu.au) in the application. Applicants should submit their applications well before the 30 September deadline to allow time for the school reference to be completed. Information on the numerous other UNSW scholarships, can be found at www.scholarships.unsw.edu.au.

Defence Force Information

If your child is interested in the Defence Force as a career, there are three information seminars in the coming weeks. See dates below:

Thurs 29 May - Careers in the ADF, 6pm, DFR Adelaide, 191 Pulteney St
Tues 17 June - Army Reserve, 7:30pm, Keswick Barracks, Anzac Highway
Tues 8 July - Army Reserve, 7:30pm Warradale Barracks, Oaklands Road
To RSVP for more information, email cptsa@dfrc.com.au

Women in Defence – Movie Night

The Women in Defence team will be holding a free movie night on the 3 June at 6PM. It serves a great opportunity for likeminded females to get together, enjoy a movie and discuss careers in the Australian Defence Force with serving females.

Students can RSVP to CPTSA@dfrc.com.au with their name and contact details.

ADF Careers Expo 2014

Defence Force Recruiting – Adelaide have recently commenced work on our ADF Careers Expo. The date for this year’s event will be Saturday the 26th of July. More information will be available closer to the event.

Australian Robertson Scholars Program

Each year, one Australian student is awarded the Australian Robertson Scholars Program. This program provides the successful student with the opportunity to study a four-year undergraduate degree at one of two highly regarded US universities – Duke University or University of North Carolina. This scholarship covers full tuition fees, accommodation and other study related expenses. The University of NSW manages the application process for the Australian Robertson Scholars Program. For more information, and to apply, go to http://robertsonscholars.org/ or https://scholarships.online.unsw.edu.au/scholarship/sc_search.login
University and TAFE Open Days – 15 to 17 August

Open days at University and TAFE are a fantastic way for students and their families to explore post-schooling options. This year, Adelaide University, UniSA and Adelaide TAFE, will be open on Sunday 16 August, with Flinders University open on Friday 15 and Saturday 16 August. Please put these dates in your diary, as I would strongly encourage all Year 10, 11 and 12 students, who are considering TAFE and University options, to attend. Timetables and more information will be available closer to the date, or on the respective institutions websites. For your information, if you are interested in attending any interstate university open days, the following website provides dates for all Australian universities: http://www.hobsonscoursefinder.com.au/Open-days?gclid=CO3ZsuX-krcCFSZNNpgodDEwApg#.UZDQMqWPl20

International College of Hotel Management Career Week –
Monday 7 to Friday 11 July

Year 11 and 12 students considering a career in hospitality or business are encouraged to explore the possibility of taking part in the ICHM Career Week program. It is a live-in introduction to the College, where students will learn about international tourism and hospitality, explore different career paths, gain an introduction to management and supervision topics, visit local hospitality and tourism sites and learn more about the opportunities of studying at ICHM. Further information is available at http://www.ichm.edu.au/ or from the Careers Office.

Information Seminar - Student Exchange

Student Exchange Australia New Zealand is a not-for-profit organisation that is registered with all state and territory Departments of Education around Australia and with the Ministry of Education in NZ. We are the first and only secondary exchange organisation in Australia and New Zealand to be certified to ISO 9001 (Quality Management System) and we ensure the highest standards of care and support to our participants. We would like to invite students and families to a free Information Evening in Adelaide on Wednesday, 4th June. The session is being held at the Adina Apartment Hotel, Adelaide Treasury, Cnr King William and Flinders Street, Adelaide and starts at 7:30pm. Students can find out more about our exchange programs to over 25 countries, listen to former exchange students share their experience and learn about our scholarships and discounts on offer in 2014. For further information, visit www.studentexchange.org.au or call 1300 135 331.

If you have any questions regarding careers, please feel free to contact me on leeanne.bryan@pulteney.sa.edu.au, 0400 477 512 or 8216 5553.

Leeanne Johnston-Bryan,
Careers Coordinator
Pulteney Shop
Telephone: 8216 5538
Email address: pulteneyshop@pulteney.sa.edu.au

Open Times for Term 2,
Wednesday 12.30pm to 4.30 pm
Friday 8am to to 11.30am

The Pulteney Shop now has a full range of Grey Trousers for Male Students in Year 7 - 9, and has a good supply of the following:

Raincoats $30.00
Navy or cream scarves plain $15.00
Striped navy and cream scarves $30.00
Navy Gloves $12.00
Mini Umbrellas $22.00
Golf Umbrella with Pulteney screen printed $45.00

Have a great weekend,

Jenny Hewitson,
Shop Manager

Senior Sport Notices

Rostrum Voice of Youth

Recently, students within the Middle School competed in the Rostrum Voice of Youth, which is renowned public speaking contest. Pulteney has had great success in this competition with students reaching the Semi Finals in each year from 2012-2014.

Millie Hanlon (9JW), Claire Noack (8JP), and Jake Reedman (7EP) ably represented the school and produced wonderful speeches. Claire managed to reach the Semi Final stage this year, but was unlucky to progress further in a very tight field. However, she did a great job being the only Year 8 student amongst nine Year 9 students in her heat.

Justin Putland,
Rostrum Voice of Youth Coordinator
Results

**Basketball**

*1st V* lost to Blackfriars 42-44

Scorers: Sibly 22, Tobin 9, Reade 6, Neilsen 4, Bourchier 1

Best: Sibly, Tobin

Another slow start had us struggling for the whole first half. Whilst Gouskos and Reade had energetic starts with good open shots we struggled from the field and overall our intensity was below what was required. Our big men started the second half with much more desperation with Tobin, Neilsen, Rodda and Bourchier creating chances out of nothing. Sibly dragged us back in to the game with some great shooting and players like Genborg, Sipek and Coumi did a great job creating opportunities whilst feeding him the ball. We were tied at 42 all with 25 seconds to play but could not get a shot off unfortunately losing the ball and the game on a last minute score by Blackfriars.

*2nd V* defeated Blackfriars 24-21

Scorers: Rule 8, Lumsden 6, Edwards 4, S Huynh 2, W Huynh 2, Valk 2

Best: Rule, Lumsden, Valk

We were slow out of the blocks despite Shepherdson and Edwards dominating inside and getting some good shots. Valk and Rule steadied the team and got the scoreboard ticking over whilst Lumsden again provided great energy and hustle. The Huynh’s (Simon and Willand) both stepped in for vital second half baskets and the ‘Vans’ (Vander Sommen and van Duivenbode) and Bertozzi all provided maturity and energy to help us get over the line.

**Soccer**

*Boys First XI* Defeated Blackfriars 4-1

Goal scorers:
Apostolos Stamatelopoulos 1
Nathan Reade 1
Riley Jones 1
Dion Vithoulkas 1

Best players:
James Cartwright
Nathan Reade
Dion Vithoulkas

After a disappointing result last weekend the players showed enough character to put it behind them and get back on track with a solid performance. The team as a whole played with structure and discipline to get the result over Blackfriars.

*Boys 2nd XI* lost 1-5 to Immanual College

*Boys 3rd XI* forfeited
**Middle A’s** (year 9) lost to Concordia College 1-2

Goal scorers:
Sam Symons

Best players:
Nic Wilson
Sam Symons
Jake Goehr
Mitchell Bender

Some big improvers amongst the Pulteney Middle A’s this week. The Concordia keeper managed to save a cracking Nic Wilson free kick, from outside the box, onto the crossbar only to have Sam Symons sneak between the defenders and head the ball home after 5 minutes. The 1st half was then mostly passages of play in which both teams wrestled for control and with both teams missing opportunities in front of goal. The second half opened with Pulteney conceding the equaliser in the first minute of play. Thereafter they strengthened again and the arm wrestle continued. Several opportunities for Pulteney went begging, but they’re getting better at moving into supporting positions for team mates and closing down the opposition. A lucky, almost last minute kick at the ball from long range managed to just clear the Pulteney keeper and the game was finished.

**Girls First XI** lost to Pembroke 3-0

Best Players:
Natasha Holmes
Mia Pazios
Angelica Costi

With a very undermanned squad, we came up against some well drilled opposition who moved the ball well in attack. Our defense played extremely well, limiting quality shots on goal. A couple unlucky goals and missed opportunities made the score line look favourable to the opposition. We’ll keep building for next week.

**Girls Second XI** defeated Immanuel College 3-0

**Girls Middle A’s** lost to Pembroke 0-3

Best players:
Lillie Bailey
Pippa Adkins
Laura Argy

An under manned team with no substitutes, we played well but were beaten by a better side.

**Girls Middle B’s** lost to Pembroke 0-4

Best players:
Elyce Borrelli
Emily Wilson
Aiden Heal

With an unfair advantage of 9-11 players, the girls were able to hold off an excellent team for the whole first half. Midfield and attack showed great dribbling skills as they consistently took the ball down the line.

**Football**

**Boys First XVIII** lost to St Pauls 32-123

**Boys Second XVIII** Bye
Year 8/9 defeated St Peters 161-0

Badminton

Senior Girls lost to St Peters girls 9-0
Freya Gao lost 8-21, 8-21
Ruby Trmovsky lost 8-15, 15-6, 10-15
Nghy Do lost 3-15, 2-15
Fiona Huynh lost 5-15, 7-15
Vivian Nguyen lost 9-15, 5-15
Alma Mallavarapu lost 3-15, 5-15z

1 Doubles Ruby/Freya lost 10-21
2 Doubles Nghy/ Fiona lost 4-21
3 Doubles Vivian/ Alma lost 6-21

We are pleased to offer parents a presentation that aims to equip you with knowledge, information and tips to help you better understand and promote positive body image at home! This presentation is designed to help you feel empowered to support your child and their body confidence as they move through puberty and adolescence.

Topics include:
- Background on body image and importance of prevention
- Overview of eating disorders and warning signs
- Key influences on body confidence
- Importance of role modeling positive body image and healthy behaviours
- Understanding ‘Fat Talk’
- Awareness around behaviours that increase or decrease body satisfaction
- Referral information

EDASA, 199 Sturt Street, ADELAIDE
Wednesday, 11th June 2014, 7pm – 8.30pm
