

2023 Success Year 12 Results

Today is an opportunity to celebrate the academic achievement of our 2023 Year 12 students.

These results serve as testimony to our students' commitment, aspiration and application across the breadth of subject areas.

The outcome of their 13 years of formal schooling distilled to one number which belies the constant effort, follow up to learning at home, the lunchtimes given to study, the strength, failures and frustration along the way. The School is proud of all our Year 12 students and we wish them well as they consider and begin to pursue their future endeavours.

Together with the dedication of this group to the Pulteney community and active engagement in our co-curricular activities, they have taken part in competitions, performances and explorations, ensuring they maximise their Pulteney experience. Witnessing their willingness to challenge themselves in all aspects of what Pulteney provides, beyond academics, brings joy, as it prepares them comprehensively for their future beyond 190 South Terrace.

I take this opportunity to thank our teachers for their commitment to our students' education and to our parents for entrusting Pulteney to enable their sons and daughters to prosper. The outstanding SACE results can be attributed to this strong community. It is the strength of this community that reminds me that an education at Pulteney is not just about an ATAR score.

Every year we share in the achievements of our Year 12 students.

We do so not because an ATAR is the sole definition of success; an ATAR is, after all, but one means of entry to university valid for one year, we do so because our students' achievements at the close of their formal schooling represents a milestone in life.

We do so because we, like each of their families, are proud of what they have achieved in the past 13 years of formal schooling. Early in the new year we will publish 'Our Handiwork', a collection of achievements drawn from throughout our school and in these pages we will capture the texture of our Year 12s education; the students who have, in addition to their schooling, sought and prospered from the myriad opportunities Pulteney affords.

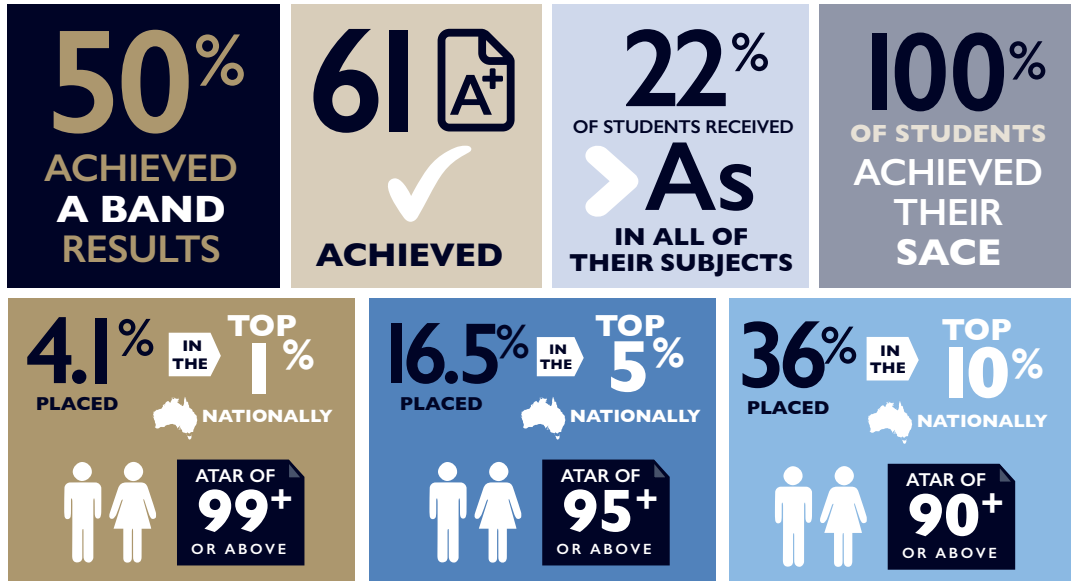

An education at Pulteney complements academic efforts by supporting creativity, service, innovation and curiosity.

I extend my congratulations to all students, their families and teaching staff. These results are a wonderful collective effort.

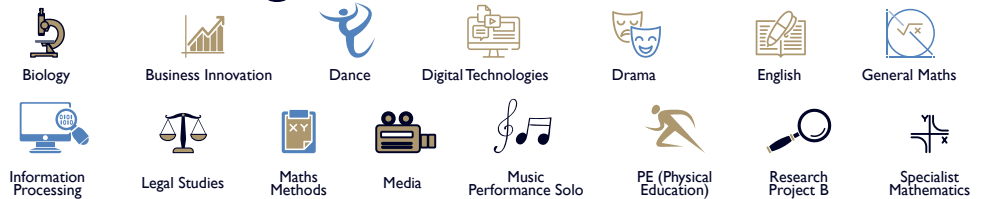

O prosper thou our handiwork.

Mrs Deborah Dalwood
Interim Principal

Merit Listings 21 ACHIEVED BY 16 STUDENTS IN 15 SUBJECTS

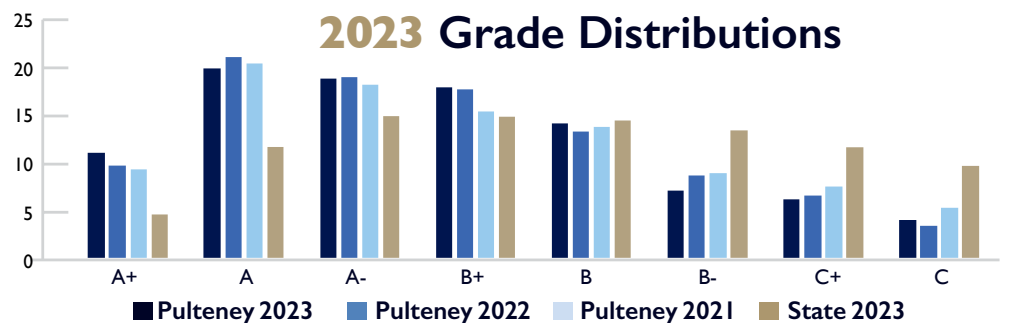

37 students achieved Vocational Education and Training (VET) qualifications including in:

Animal Studies | Business Entrepreneurship | Construction | Dance | Design Fundamentals | Electro-technology | Fashion Design | Fitness | Information Technology | Plumbing | Screen & Media | Sport | Visual Arts

Undergraduate Scholarship Program - Headstart The University of Adelaide

Over two semesters our students achieved 4 High Distinctions and 2 Distinctions in The University of Adelaide's Undergraduate Scholarship Program

Congratulations to recipients
Dion Patsouris, Abbey Wilkinson, Philip Tan

Congratulations to 2023 Dux and Proxime Accessit

Dux of Pulteney Grammar School

Philip Tan

ATAR 99.7

Proxime Accessit

Dion Patsouris
