Welcome

2025 Intercollegiate Cup

It is with great pleasure that I offer my welcome to the inaugural Winter Intercollegiate Cup between Pulteney Grammar School and St John's Grammar School.

At Pulteney, we are committed to providing a rich and diverse student experience, one that nurtures academic excellence, creative expression, athletic development, and personal growth. Sport is an essential part of that journey. It develops resilience, leadership, and teamwork, and offers students the opportunity to represent their school with pride and purpose. In this spirit, we are proud to launch a new chapter in our intercollegiate sporting tradition through our formal partnership with St John's Grammar School. This collaboration is built upon shared values, mutual respect, and a long history of friendly rivalry and we are excited to see it flourish into the future.

We extend heartfelt thanks to Principal, Mr Ben Manifold and the St John's Grammar School community for their hospitality, and I look forward to showing our appreciation during the fixtures.

I thank the many spectators, families and supporters who line the sidelines, lend their voices, and stand beside our players. The behaviours we model send a clear and lasting message about what we value in these Intercollegiate fixtures and within our wider communities.

On behalf of Pulteney, I wish all players, coaches, and supporters from both schools the very best for this inaugural event. May it be a celebration of skill, spirit and the enduring friendship between our schools.

Greg Atterton
Principal, Pulteney Grammar School

The inaugural intercollegiate games between St John's Grammar and Pulteney Grammar mark an exciting new chapter in the shared history of our schools.

I extend my sincere thanks to Mr Greg Atterton, Principal and the staff of Pulteney Grammar School for their collaboration in establishing what we hope will become a strong and valued tradition.

This event reflects the heart of our mission at St John's Grammar: to empower and connect young people to a thriving and purposeful future.

Through sport, we nurture resilience, teamwork and confidence—qualities that help our students soar, both on and off the field.

Intercollegiate fixtures offer a unique opportunity to cultivate pride, camaraderie, and mutual respect across our communities.

Whether you're competing on the field or cheering from the sidelines, every individual plays a role in shaping the spirit and success of this event.

I encourage everyone to embrace this inaugural Winter Intercol with enthusiasm and grace. Cheer wholeheartedly, compete with passion, and above all, uphold the values of humility, integrity, and respect.

Wishing all participants a memorable and successful first Winter Intercol.

Mr Ben Manifold
Principal, St John's Grammar School
